DR. RILEY NEVER ALLOWED APOSTATES  
 IN THE FIRST BAPTIST CHURCH PULPIT

We have a deep concern for the First Baptist Church of Minneapolis because this is the church of our Ordination, with Dr. W. B. Riley, distinguished pastor for 44 years of its existence, preaching the Ordination sermon. It gives us pain to read in ABC papers that this modernistic body is holding its "Convocation on the Mission of the Church" on Jan. 24-26, 1961. Apostate speakers include Dr. Robt. J. McCracken of the Fosdick Riverside Church of New York; Dr. Gene Bartlett, well-known Roger Williams Fellowship liberal leader who is President of Rochester-Colgate Seminary, and others. Also Rep. Edith Green, Portland Congresswoman who staged a three-hour floor show in the House in defense of the National Council of Churches on April 19, 1960, is a speaker. However in 1936 when religious leaders asked for the First Baptist Church for a three-day session with Dr. Kagawa of Japan as leader, Dr. Riley declined with these words in the Pilot, Feb. 1936, "First of all, while we often go out of our way to hear modernists speak, we do not open the pulpit of the First Baptist Church to modernists, as a rule". He moreover warned his people in the Pilot, April 1936, "I am fully convinced that Kagawa's Christ is not at all the Christ of the New Testament; and that his 'Consumer's Cooperatives' is a remote remove from the New Testament 'Kingdom of God', that, as a modernist, Dr. Fosdick is mild beside him". "If you ask me then 'Is Kagawa a Christian?' I am compelled to say, 'Not a worshipper of the New Testament Christ' ... You ask, 'Do you mean to infer that Kagawa is an apostle of the Antichrist?' I answer unhesitatingly, 'I do!'. We cannot get used to the tragic fact that an Editor-at-Large of the Christian Century (McCracken) will stand in the pulpit made famous by the most famous Fundamentalist of the 20th Century.

SUNDAY SERMON TOPICS

- 11 a.m. — "THE TEMPLE OF GOD"
- 7 p.m. — "WAS JESUS A SOCIALIST?"

..Surrender your will wholly to christ, then whatever you do will be all right.

MISSIONARY HUNTER TO ADDRESS RALLY

The first public appearance on the West Coast by CBFMS two-term veteran missionary Wm. F. Hunter will be at a San Francisco Baptist Seminary Rally on Monday, Jan. 30 on the subject "The Crisis of Christian Missions in the Congo". Inasmuch as the supporting churches of Brother Hunter will want to send delegations to this Rally it appears that this should be a widely representative interchurch gathering of Baptists from the West. Mr. Hunter recently arrived in America from the seething African continent where he had majored in educational evangelism. He and his family were one of the few Americans thrown into jail during the independence upheaval.

ATTENTION - CBFMS BOARD OF DIRECTORS

We suggest that the Board of Directors explain to the churches in the USA the meaning of a statement in a newsletter (No. 60-1074, dated November 1960) which we received recently from the West African field which reads as follows: "Since Nana and his two wives were baptized at Nasulo there has been a consolidation of purpose and a desire to go on with the Lord. Much thought and prayer has gone into the effort to get the marriages of two of the sons of Nana legalized". Since this has gone out publicly and widely we think that a public explanation be given on board policy with respect to polygamy on the foreign field. It is good for us to remember that this business of accommodation to the culture can be carried to the extreme. It is not our business to catch the spirit of the culture of the world in which we live, but to correct it and possibly repudiate it and rebuke it.

MODERNIST SPEAKS AT BAPTIST SEMINARY

On Jan. 12 Dr. Luther A. Weigle, chm. of the RSV Translation Committee, spoke twice before students of Bethel Seminary, the Baptist General Conference seminary in St. Paul. The radical modernist views of this former president of the Federal Council of Churches have long been known. The late Donald Grey Barnhouse exposed him in the Revelation magazine of April 1941 on page 171 as follows: "A popular magazine features Dean (Cont'd p. 2)

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..National Council of Churches.. Typical of immense supplies of brainwashing materials distributed to delegates in San Francisco Dec. 4-9 was the "Quaker Peace Witness" which said, "We look forward to the day when membership in the UN will be universal. We recognize that the People's Republic of China is an historical fact. It must be included in effective test ban and disarmament agreements. The logic and necessity of according recognition and UN membership to the People's Republic of China can no longer be safely denied. But the security of Formosa should be assured the Chinese Nationalists".

..The President-Elect takes at least three showers each day according to Fletcher Knebel in Look Magazine of Jan. 17. He said, "Kennedy uses profanity with the unconcern of a sailor, which he was and is. A cuss word doesn't imply implacable opposition, but merely some interest. His profanity is routine without embellishments". Perhaps the next time to the confessional he can take care of this!

..Dr. W. B. Riley, whose centennial will be celebrated on Mar. 22 by Fundamentalists everywhere said, "The man who does not love his people to the extent of a godly jealousy over them is unfit to be their pastor. As the true husband cannot endure that another should steal his wife's affections, so the true pastor will not brook the winning of his people to false doctrines. Their soul interests are his deepest concern". Pilot, April, 1936, p. 196.

..New officers for Bay Area CBA elected last Friday at Calvary Baptist Church, San Francisco: Moderator - Eugene Petersen, Castro Valley Trinity; Vice-Moderator - Ervin Jenkins, Santa Rosa Grace Baptist; Secretary - Mrs. Inez Petersen, Irvington Calvary; Treasurer - Glen Roades, San Leandro Manor Baptist. Congratulations to a competent group!

..Dr. Arthur B. Whiting, Dean of our Western Baptist Seminary in Portland, will be the main speaker at the annual State CBA meeting at First Baptist Church of Yuba City. Dr. Ortiz W. Weniger is the host pastor. The dates - March 6 and 7.

..Youth Programs must be stepped up in every church for the cause of Christ. The Reds have launched a massive new program of emphasis upon youth, with a new youth paper "New Horizons for Youth". Alert every friend about this straight Communist paper.

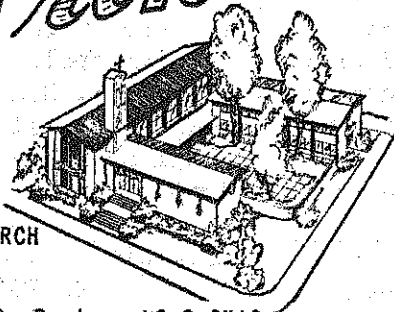

..The Lord is my light and my salvation.

MODERNIST SPEAKS AT SEMINARY (CONT'D)

Weigle of Yale University, recently elected president of the Federal Council of Churches, as the 'New No. 1 U. S. Protestant'. American Protestants are in a sorry plight if his views truly represent them. Not once in the cloudy rhetoric of his four major points is Christ mentioned. One of these points alone will show the drift of the tide. Concerning evangelism, he says, 'The real spirit of evangelism is not a spirit of conquest, of going out and winning souls as trophies, but of going out to share with others the values we have found real and enduring! Quite different from Matthew 28:20, Jude 23".

## DR. GILBERT BELLSHAW'S SUDDEN DEPARTURE

The Pastor was grieved when he arrived from Chicago Friday to learn of the unexpected passing of his close friend, Dr. Gilbert C. H. Bellshaw, pastor of the Lynwood Baptist Church in suburban Los Angeles. He had his son William at his bedside. In the recovery room at the hospital he had a quick coronary thrombosis and passed into the presence of the Lord on Wednesday. Services were held Saturday at Pierce Chapel in South Gate, with Dr. David Laurie officiating. He was founder of the large Lynwood Baptist Church and former pastor of Calvary Baptist here in San Francisco for 18 years. He was former Moderator of the CBA of Northern California and was president of the International Leprosy Mission. His wife preceded him to Glory a year ago. He bequeaths to the Christian world two of the most illustrious sons a father could ever wish — Pastor John Bellshaw of West Sacramento First Baptist and Pastor Wm. G. Bellshaw, of the Richmond Metropolitan Baptist Church and Dean of the faculty of the San Francisco Seminary. The three had just completed plans for a grand trip through the Holy Land next summer, but instead Dr. Bellshaw will gather at the Throne.

## THE SAD DRIFT CONTINUES DOWNWARD

The San Diego County Council of Churches' paper "Christian Progress" of Jan. 1961 carries a front page headline "Annual Youth Worship Service - Feb. 5th", with a large picture of the speaker with this underline, "Dr. W. ROBERT SMITH, Ecumenical Youth Week Speaker is Professor and Chairman, Department of Philosophy, Bethel College, St. Paul, Minnesota, and an ordained Presbyterian minister". "Truly a friend of young people, he is much in demand at denominational and ecumenical youth camps, conferences, and college organizations throughout the country", said an accompanying letter. The offering will be used to send a youth delegate to the World Council of Churches meeting in India. Is this what Bethel and the Baptist General Conference sanction?

..Dr. H. H. Savage recently resigned from First Baptist Church, Pontiac, Michigan effective Oct. 1, 1961, after 36 years of notable ministry.

## DR. BRADFORD TERMINATES SIGNIFICANT MINISTRY OF 25 YEARS IN DENVER

The biggest news of the past week in the CBA was the resignation on Jan. 15 of Dr. Sam Bradford from the Beth Eden Baptist Church in Denver and Baptist Bible College presidency. He is on vacation until Feb. 12 when he preaches his farewell sermon. He will then be free to accept many requests for Bible conference work all over the nation. Dr. Bradford has built this into the largest Baptist Church in the Rocky Mountain region. Dr. Bradford served as President of the CBA, the CBF, and served on the Board of the CBFMS. He has been slated as the Bible teacher for the Portland meetings in May. We have been glad to have him as a warm friend during the past 18 years. His stature as a great Christian leader will continue to grow in our midst. We trust that his successor will be someone who will be able to somewhere nearly match the massive leadership he has given in our movement.

## THIS LEAVES US FLAEBBERGASTED

The reason more and more churches of the CBA have dropped affiliation of the NAE can be seen in Christian Century article of Jan. 18, 1961, p. 92, "On Thanksgiving Day 1961 the Tuscon Council of Churches broke through the ecumenical barrier with a community service that was truly 'community' in scope. So far as is known, this was the first time representatives of the council; the Jewish, Greek Orthodox, military and Mormon communities; the National Association of Evangelicals; and the Tuscon ministers' association had joined together in a service of worship. In the past, the council of churches had sponsored a Thanksgiving Day service, but participation had been limited to members churches and the Jewish community".

..What is the Blue-Print worth to you? — Those who are not members of the Church might well ponder this, for a revision of the stencil lists will be made at once, so don't say we didn't warn! It costs somewhere between \$2 and \$3 per year to produce and mail. We can supply only about one-tenth of the demand for this paper. Requests for any reprints should be on the basis of at least 10¢ each.

..God loves a cheerful forgiver.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..World Council of Churches executive, Dr. Paul R. Albrecht of the department of churches and society of the WCC is coming from Geneva to bring three addresses at Minneapolis First Baptist Church this week. Dr. Gene Bartlett of the notoriously liberal Rochester-Colgate Theological Seminary, will deliver three addresses at the nationwide - ABC meet there. Dr. Robt. McCracken, Fosdick Riverside Church pastor, will speak in addition to NCC defender Rep. Edith Green. This betrayal of the historic Christian Faith in the pulpit made famous by the 45-year ministry of America's leading fundamentalist, Dr. W. B. Riley, appears incredible to Bible-believing people. Dr. Curtis Akenson, president of Northwestern College, is the Pastor. We have heard no word of protest to all this from Mrs. W. B. Riley. In two months Fundamentalists will celebrate the centennial of Dr. Riley's birth on March 22.

..Dr. Theo. Anderson had Dr. Harold Lindsell of Fuller preach at Bethany Baptist of West Covina on Jan. 22, with Dr. Bernard Ramm, of the ABC Covina Seminary speaking Jan. 29.

..Dr. Frank Hagemann, president CBHMS, resigned recently from Peoria Bethany Baptist to found a new church in Tampa, Florida.

..CBA Leader Kenneth Knappen founded the Bethel Baptist Church of Hoffman Estates on northwest suburban area of Chicago near O'Hare Airport just one year ago. Last November they called a full-time pastor at \$6200 per year. We think this is commendable extra-curricular activity for an ecclesiastical executive.

..To attend College at Pillsbury in Owatonna, costs the student \$663 a year for board, room, tuition and fees. The average cost of 490 colleges is estimated at \$2,000. The Pastor had a delightful visit last Thursday with President Monroe Parker in his office. It was a thrill to look out over this vast campus to the beautiful site for the needed women's dormitory which will cost \$200,000 to build. No land to buy - the site is all ready.

..The startling book "660 Baptist Clergymen", with front records by Circuit Riders, can be purchased from the CBF office in Chicago at \$3 each, or in lots of 10 or more at \$2 each. 2561 North Clark Chicago 14, Ill.

..High School League led all training groups in attendance Sunday. 2. Adults, 3. Juniors, 4. Homebuilders, 5. Jr. High  
..Rally of the Training Leagues, Sunday evening at 6 p.m. in the Main Auditorium, with Director Raymond Harper in charge. Reports will be heard from each League which will include review of the previous year and plans and goals for the new year. The Pastor and Missionary Wm. Hunter will be introduced.

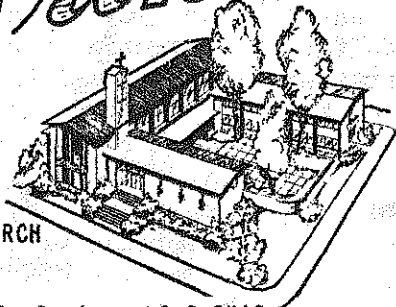

..Ordinance of Believer's Baptism Sunday evening at 7 p.m. with the Pastor officiating. Those desiring to obey the Lord Jesus Christ are urged to come forward on Sunday morning.

## BISHOP PIKE CHARGED WITH HERESY

1-31-61  
V. 12  
No. 56

Bishop James A. Pike, who reigns over San Francisco's Grace Cathedral, is in deep trouble with his fellow Episcopalians over serious charges that he is guilty of heresy, according to all four metropolitan papers. "I'm an agnostic myself", says Pike on the front page of Monday's Examiner (1-30). "The best answer to a question on which you're in the dark is that you don't know ... When I get to Heaven or Hell, I'll find out... The Virgin Birth narratives are tremendous myths. In this case a myth is a particular literary art form of telling the truth ... I don't disbelieve it. I wasn't there. If God wanted to do it that way, it's all right with me". That shows what he thinks about the veracity of the Bible, which indicates beyond question that Joseph was not the father of Jesus. An incredibly astounding statement about the Trinity which reflects upon the Person of Jesus Christ was this, "Jesus with his Jewish mind of a man, himself could not have understood the doctrine of the Trinity". Pike had denied the Trinity, the Virgin Birth, and other basic doctrines in a Christian Century article of Dec. 21. The heresy charges were leveled by 15 Georgia rectors who met on Jan. 16 and unanimously addressed a letter to Bishop A. R. Stuart of Savannah. Pike answered their charges by accusing them of the sin of segregation. It reminds us of a fellow charged with murder who answered by accusing his enemies as being thieves. Pike was quoted in the Oakland Tribune of Jan. 29, "Both as a Bishop and as a lawyer, I can safely say that my comments in the Christian Century article are within the bounds of doctrinal orthodoxy as judged by such norms as the House of Bishop's recent pastoral letter on doctrines: 'The Faith of the Church' and the 'Doctrine of the Church of England'". Coincidentally, the annual convention of the Diocese of California meets in a three-day conclave this week at Grace Cathedral. Bishop Pike called a meeting of all his clergy on Monday, possibly to counter any formal charges of heresy that might be leveled against him by Episcopalian laymen this week.

..The HUAC film "Operation Abolition" has now passed the 2,000 mark, according to the Christian Century of Feb. 1, p. 133.

## THE FICKETT GRAND RAPIDS RESOLUTION

On Thursday, Feb. 2 at 8 p.m. the "Fred W. Fickett Junior High School", 7240 Calle Arturo, Tucson, Arizona will be dedicated. While Judge Fickett will be known locally for many noble achievements which are recognized with the naming of this school, let it be remembered that he is known across the land among Conservative Baptists for what is remembered as the "Fickett Resolution", whose defeat proved to be the crux of the matter at the turning point of Baptist affairs in the North in Grand Rapids in 1946. It is worth repeating, "BE IT RESOLVED, that the Northern Baptist Convention in session at Grand Rapids, Michigan, May 23, 1948, advises its Agencies, Councils, and Committees representative of the Convention in its work that they should not employ as secretaries or appoint as missionaries any persons who refuse to affirm the following: (a) That the record of the Incarnation of our Lord Jesus Christ as stated in Matthew 1 and Luke 1 and 2 is true and trustworthy. (b) That the record of the Resurrection of Christ as stated in Matthew 28, Mark 16, Luke 24, and John 20, 21 is true and trustworthy. (c) That the record of the miracles of Jesus as given in the Gospels is true and trustworthy. (d) That the New Testament is inspired of God in all its contents and all the acceptance of its historical facts, revelation, teachings, and doctrines are obligatory in Christian faith and practice." One would think that any Baptist could affirm this resolution, but Northern Baptists debated two intense hours and then defeated it by the parliamentary device of a substitute motion which sounded pious but required nothing of anyone. The ABC thereby branded themselves as an apostate body in the eyes of conservatives and fundamentalists. Then the Convention arose to sing, "My Faith Looks Up To Thee".

..Governor Mark Hatfield..The ABC Crusade for Jan. 1961 stated, "Among convention speakers will be Oregon's popular young governor, Mark Hatfield, an active Baptist layman. Other headline speakers include Prof. Robert Lynn, theological lectures; the Rev. Curtis R. Nims, convention sermon; Prof. Bernard Ramm, chapel hour talks". This past year Mark Hatfield addressed the Southern California Baptist Convention (Cont'd p.2)

### THE PASTOR'S SUNDAY SERMON SUBJECTS

11 a.m. -- "LET US CLEANSE OURSELVES"  
Communion Meditation

7 p.m. -- "WHY BAPTISTS REPUDIATE  
MERCER"

A total of eight major denominations have been invited to join the Blake-Pike Merger, with the latest being the American Baptist Convention. The Pastor will deal with this highly current issue from the standpoint of the Word of God -- the Bible. Don't miss this sermon.

..200 Presbyterian leaders of Northern California voted unanimously on Jan. 27 in Marin County to "overture" the next Presbyterian General Assembly in Buffalo on May 17 to implement the Blake-Pike proposal for merger, extending beyond it to include the Disciples, two Lutheran bodies, and the American Baptist Convention. Bishop Pike addressed the group.

..Dr. Fred C. Schwarz, president of Christian Anti-Communism Crusade, will speak Friday, Feb. 3, 8 p.m. at California Hall 625 Polk Street, San Francisco, Room 101 on "Communist Strategy and Tactics".

..Copies of the Pastor's NCC report in four issues of the Baptist Bible Tribune will be sent "first class and with our compliments and good wishes" -- so says Editor Noel Smith, DD, Box 106, Springfield, No. How can anyone miss on an offer like that? Such generosity we have not met in all Israel!

..God's ways must rule our hearts if our feet are to tread God's paths.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..On the World Council of Churches which is planning its third great assembly in New Delhi next December, the late Dr. Donald Grey Barnhouse said of the WCC, "such an organization will be remembered as the beginning of that Babylonish thing which is pictured, not as the Bride of Christ, but as the great whore in the Book of the Revelation". These truthful words were spoken in 1948, looking toward Amsterdam, when Billy Graham announced that he expected the WCC to nominate the Anti-Christ.

..Reactions to Bishop Pike.. A Lutheran pastor writes in Christian Century of Jan. 25 of Pike's recently confessed unbelief as follows: "Is it rational to believe that God would, for 1900 years, have deceived his church into believing a falsehood, only to shatter this age-old 'mistake' with the advent of prophet Pike on the scene? But let's leave such rationality aside. The New Testament clearly knows of no other God except a Triune God. Therefore such is the God I know ... May the Lord of the church forgive us if we, like Israel, go whoring after such attitudes as that of Bishop Pike in our endeavors to 'get together'".

..Provisions for bringing a Bishop to trial are found on page 147 of "The Constitution and Canons for the government of the Protestant Episcopal Church, 1958".

..The U.S. Dept. of Defense has ordered 30 prints of the S. F. Student Riot film, "Operation Abolition" for showing to members of the Armed Forces, according to the Chronicle of Jan. 28.

..Dr. Richard A. Elvee, pastor of First Evangelical Free Church of Minneapolis for past four years, has resigned to accept the First Baptist Church of Tempe, Arizona, a CBA Church near Phoenix. Dr. Elvee followed Billy Graham as president of Northwestern Schools. Under his administration the Bible college and Seminary was dropped in favor of a liberal arts college. Dr. Elvee resigned from Northwestern in a disagreement when Pillsbury Baptist College was formed by the Minnesota CBA.

..James A. Dombrowski, who was the Methodist delegate who submitted Memorial no. 2125 to the 1960 General Conference of the Methodist Church which smeared M. G. Lowman and the Circuit Riders, Inc., is identified with more than 60 fronts, according to a recent release from the Circuit Riders.

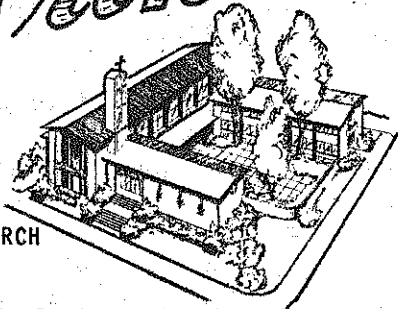

..Smut literature in Marin County.. "John R. Bodo, chairman of the department of Practical Theology at San Francisco Theological Seminary in San Anselmo, wrote the Board that he wants his two daughters, who attend Redwood High School, to read the books, which he called 'excellent literature'. He said he wished to 'condemn the Rev. Barkowska and his whole book-burning tribe'". -- (San Francisco Chronicle, Dec. 20, 1960 p. 5). Dr. Theo. Gill is the president of this ecumenical seminary of the Presbyterians. Rev. Barkowska tried to get two filth books banned from the approved reading list of the high school.

..Governor Mark Hatfield Cont'd.. (ABC) in San Diego. Gov. Hatfield is a member of the First Baptist Church of Salem.

## DR. W. B. RILEY ON BAPTIST DISTINCTIVES

Fundamentalists everywhere will be celebrating the 100th anniversary of the birth of one of the greatest pulpiteers of American history on March 22. We publish this gem from a Pilot article of April 1940 on "Distinctive Principles of Baptists", which reads: "We hold with others a profound conviction that baptism is an immersion of a believer in water. Why? Because the Bible so teaches. We hold with others in the right of private judgment. Why? Because the Bible so teaches! We hold with others the right of individual expression. Why? Because the Bible so teaches. We hold with others the right to worship God according to the dictates of one's conscience. Why? Because the Bible so teaches. We hold with the professional propagandist in favor of separation of Church and State. Why? Because the Bible so teaches. But we would remind our brethren that that same Bible, the foundation stone of all Baptist belief, limits men in their freedom of thought and expression, and in their conscientious worship of God, by its plain declarations of truth; and any man who thinks above what is written, parts company with Paul and even turns his back upon the Christ, the chief subject of all Divine revelation. Let it be understood, therefore, that when this foundation stone is removed from Baptist professions, even though it be deftly done by New Deal methods of ignoring its existence, all other so-called Baptist principles find themselves as impotent, fruitless, and withered as are the branches of a vine when cut from the parent stalk; and, like those, soon become but kindling for the consuming fires."

## A NEW CBA CHURCH IN HONOLULU

The first CBA church in the 50th state of the Union now meets temporarily for worship at 1110 Bethel Street, Honolulu, with Oliver Siemens giving initial leadership, according to late word the Pastor received from Mr. and Mrs. Don Gilbertson. They are interested in the new testimony along with Mr. and Mrs. George Fichter, another splendid family from our Church. Anyone in America knowing of anyone living in the Honolulu area, please write urging that (Cont'd p. 2)

## BISHOP PIKE FIGHTS WIDENING HERESY CHARGES WHILE CHURCH TRIAL LOOMS

..We will not be surprised, on the basis of information from the East if Bishop Pike is brought to formal church trial on grounds of heresy.

..150 of his clergy who are dependent upon him for appointments, gathered on Monday and passed "a bit uneasily", said the Examiner, a motion of confidence: "We the clergy assembled, express our gratitude for the privilege of serving under the leadership of Bishop Pike. While within the limits of Anglicanism there are those of us who differ with him at times on his specific theological interpretations, we wholeheartedly reaffirm our confidence in him as our Bishop".

..Alameda's Wilfred Hodgkins said, describing the action: "The clergy lined up with fire extinguishers to do battle with the ecclesiastical Ku Klux Klan".—Examiner, Feb. 1.

..50 more Georgia ministers asked their Bishop to launch a formal charge of heresy against Pike. He retorted: "With reference to the new mutterings of 'heresy' out of Georgia, the American church union is a small vocal creedal-fundamentalist group in the Episcopal Church".—Examiner, Feb. 4. We send greetings to our Fundamentalist friends within Episcopalianism!

..Unique method of scuttling the Bible--The Examiner of Jan. 30 quoted Pike: "My belief is not in the precise words of the Bible or the Creeds", he said, but in the Word behind the words. Men in varying periods have thought to express the ultimate realities in varying ways".

..No intention to quit--Rev. A. N. Daunt, Albany, Ga. is quoted in the same Examiner, "If you deny the articles of the creed, how can you belong to a church based on them? He could be asked to answer in the House of Bishops. It's not a question of removal but of clarifying the situation, perhaps reaffirming his consecration vows or else requesting deposition". Pike replied: "That's quite a presumptuous point of view. Consecration vows are for life. My consecration as bishop is indelible. But I would be pleased to appear before the House of Bishops". Pike holds the ace because he knows there are other bishops with his same heretical views. Examiner, Jan. 30.

### DR. BOB JONES, JR. ON NCC APOSTASY

The President of Bob Jones University sent a copy of this telegram to the Pastor which he sent to Mr. Charles Taft, c/o NBC, RCA Bldg, NYC: "After seeing your shameful performance Saturday night, I do not see how any man who knows anything about the Bible could doubt that the National Council of Churches is an apostate organization and desires to exercise ecclesiastical dictatorship. Your arrogance, intolerance, unfairness, bad temper and disregard for fact were typical of the "unliberal" spirit of the self-styled liberal. I could not help thinking of the Scripture "thinking themselves wise, they have become fools". You certainly cannot blame Buckley for making you look ridiculous. You did a pretty good job if it yourself."

..Dr. Arthur Allen of Laurel, Montana, spoke last Wednesday in Foothill Blvd. Baptist, then Sunday morning at El Sobrante Calvary Baptist, with Sunday evening scheduled for West Sacramento First Baptist. He came to the Feb. 2 Trustee meeting of the Seminary.

### NEW CBA CHURCH (CONT'D)

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

On Union with Rome..San Rafael Independent-Journal, Jan. 30: "Friday, Bishop James Pike of the Episcopal Diocese of California was asked by a pastor after a lecture whether the Bishop felt the Roman Catholics should be asked to merge with Protestants. 'We should look forward to the eventual union', answered the Bishop, 'If we believe that we are one in Christ then we should follow that belief', said Bishop Pike".

..For good centennial reading in celebration of Dr. W. B. Riley's 100th anniversary of birth, order his book "The Preacher and His Preaching", at \$2 per copy from the Sword of the Lord, Box 420 Wheaton, Ill. He was the author of 80 volumes.

..Dean Julian C. Bartlett of Grace Cathedral, Bishop Pike's close associate, is the new president of the San Francisco Council of Churches, elected January 30, 1961, succeeding Dr. Norman Conrad of Glide Memorial Methodist.

..The Red film "Spartacus"..Watch the big newspaper play and schoolroom attention that will be given to the "biggest picture ever made in Hollywood". M. C. Maloney in the Santa Ana REGISTER of Oct. 20, 1960 said, "'Spartacus' was written by an admitted Communist, Howard Melvin Fast. The screen-play for the Kirk-Douglas-produced film was written by Dalton Trumbo who served time in a federal jail for contempt of Congress because he refused to affirm or deny his membership in the Communist Party". It is charged that this film is a colossal Communist propaganda action.

..Robert Lehn, CBA leader in Iowa of Grace Baptist, Cherokee, speaks six days a week over three different radio stations in a unique hook-up.

..CBA of Northern California will meet March 6, 7 in Yuba City First Baptist Church, with Dr. Ortiz W. Weniger, host pastor. Dr. Arthur Whiting of Portland will be main speaker.

..We commend the Judge..The S. F. News - Call Bulletin of Jan. 28, 1961 said, "Judge Samuel Leibowitz, in addressing one of three panel discussions on capital punishment, sponsored yesterday by the District Attorneys Assn. of New York called for more frequent enforcement of the death penalty". This agrees with the Bible. Gen. 9:5,6.

..Warren Conrad's new address: 380 Elm-hurst, Hayward, California.

..Bishop Pike will meet Rep. Francis Walter, Dem. Pa., Chm. of House Un-American Activities Committee in debate on CBA "Face the Nation" program, Feb. 23.

..In Bishop Pike's Convention address of Jan. 31 before his Diocese: "If Jesus did not have in fact a normal birth then it is more difficult to maintain the tradition of his true manhood which has always been as important to the Church as the affirmation of His Divinity".

## THE FAITH IN A SHAMBLES ON PIKE'S PEAK

..Extent of the Apostasy ... The S. F. Chronicle of Feb. 13 quoted Bishop Pike in a pastoral letter read in 150 pulpits Sunday: "Yet I do not know a single member of the Anglican Communion — bishop presbyter, deacon or layman — who believes this story literally". (The "Myth of the Garden of Eden"). "Some of us in the church receive the rather late-composed narratives about the details of the birth of our Lord in the same spirit", he said. "The New Testament itself, since it contains many layers of human composition — of dedicated writing and editing — is contradictory on the point. All of us agree as to the possibility of the miracle. God is over all supposedly scientific rules". In other words, the Bible is not worthy of belief, utterly untrustworthy. — See II Tim. 3:16; II Peter 1:19-21; Rev. 22:19.

..Dr. Curtis Nims, pastor of San Francisco First Baptist Church, is quoted in S. F. Examiner on Bishop Pike's position on the virgin birth of Christ. He noted that a 'certain prominent clergyman on Nob Hill has attempted to rewrite the Scriptures'. Doctor Nims argued that belief in Christ's virgin birth is necessary to belief in His deity. Again, referring to Bishop Pike, he attacked 'some prominent clergymen who may try to modify the words of Christ to fit their own theories'."

..Pastor Geo. L. Moore ... Walnut Creek First Baptist, issued a statement on Feb. 2, "The Bishop, with abandoned disregard for his country, stands shoulder to shoulder with conspiratorial Communists in crying for the abolition of the House Committee on Un-American Activities" and "Christians are fed up with his frontal attack on the truth of God's word, the Bible", according to the press.

..Pike let loose with this answer in the Oakland Tribune of Feb. 4, "With reference to the absurd charge of the Rev. Mr. Moore, the American Council of Christian Churches has been attempting for years to damage and destroy 'standard brands' of Christianity in the United States". He said Moore 'is one of a small group of Fundamentalist Baptists so pure they won't even talk to other Baptists'. That of course, is a falsehood.

## COUNCIL OF CHURCHES AND RED RIOT FILM

The board of directors of the Nor. Calif. - Nevada Council of Churches placed themselves squarely on the side of the Communists in the vast propoganda battle against the film "Operation Abolition". Two Episcopalian clergymen, Bishop Clarence Haden of Sacramento and Bishop Pike's associate, Bishop James Millard, according to the Chronicle of Jan. 4, 1961 were the leading spokesmen against the film. The action condemning the film was unanimous, according to Dr. Paul K. Shelford, executive director. Lowell Berry, millionaire Best Fertilizer head, is president of the council. Both of these were Graham Executive Committeemen. The resolution said, "strongly suggests that any member church which plans to show this film approach the project with due caution, making clear to the film's viewers that objections have been voiced to the film's accuracy, and that serious question exists as to the validity of the interpretation of events described; and that, where possible, a speaker who has knowledge of the events be permitted to interpret the film". Immediately Dr. Curtis Nims resigned as director of the council with these words, "I prayerfully suggest that no more publicity releases concerning controversial subjects be issued by uninformed people, using unconfirmed sources of material". The Communist Party rejoices at this resolution, which runs exactly counter to sober evaluations of J. Edgar Hoover, Mayor Geo. Christopher, and Judge Axelrod, plus a score of eye-witness ministers, that the riot was Communist-planned and executed.

## ELEVEN NEW SECOND SEMESTER SEMINARY STUDENTS

A phenomenal second semester incoming student class of eleven new graduate students prompted the Board of Trustees of the new San Francisco Baptist Seminary to consider adding, not simply one additional full-time professor, but two full-time professors next fall. This would be a daring act of faith with four full-time professors. The Seminary now has nine on full or part-time payroll in faculty and staff appointments. A minimum of 63 hours of weekly instruction will be offered next fall, according to Dean Wm. G. Bellshaw. Because of the present healthy condition of the Seminary it was voted to continue the present administrative arrangement until the Holy Spirit directs differently. The banquet is Friday, May 12. The next Trustee meeting is April 10 at 10 a.m. The present enrollment is 29 which is excellent for the third year, considering it is for male students only on a graduate level, with a fundamental, pre-millennial, separationist Baptist program. Let us keep this growing Seminary before the Throne of Grace.

## "I LIKE PIKE" BUTTONS APPEARING IN S. F.

..So says Herb Caen in Chronicle of February 9.

..Dr. Curtis Nims challenged Bishop Pike to a public debate according to Oakland Tribune of Feb. 18, "Since Chairman Walters widely declined such a debate, I would like to accommodate you in order that your views might be heard. I am willing to debate you in a public forum at your convenience, the following questions: 1. The public service value of the House Committee. 2. The effectiveness of the film, 'Operation Abolition', in presenting a fair representation of the events surrounding the committee hearing in San Francisco last May". Dr. Nims informed our Pastor that up to Blue-Print time he had no reply from Pike who is stranded somewhere in the East.

.."Episcopalians for the Faith" got a big story in the Tribune of Feb. 19, when they mailed out two documents to 700 leaders of the Church in the diocese questioning the Bishop's views. One was entitled, "Is Bishop James A. Pike undermining our Christian Faith?" and contained fourteen questions which "we must ask". The other was a copy of a statement by Bishop Minnis of Colorado disputing the views of Pike. Mrs. Germaine McCormack of Orinda announced the formation of the group which was composed of leaders from Northern California parishes at the beginning. The group has been greatly reinforced since then. Copies of documents may be secured from them at Box 1108, Oakland 4, California.

The burden of proof is on them and not on their bishop". S. F. Examiner Feb. 20, 1961.

## ALLEGED COMMUNIST HONORED AT MILLS COLLEGE

..A storm of protest broke over the fashionable girls in Oakland on Wednesday morning when Negro playwright Langston Hughes was guest of the college for three days and featured lecturer. Telephone protests swamped the college switchboard all Wednesday morning. Numerous protests by letter were received. A mimeographed sheet was passed out to the students drawn up by ministers in the city, including our Pastor, with which sixteen ministers associated themselves. The sheet included two of Hughes' offensive poems — "One More 'S' in the U.S.A.", which was in glowing praise of the USSR as against the U.S.A. The other, "Good-by Christ", is one of the most blasphemous poems we have ever seen — an incredible attack upon Jesus Christ. Part of it goes, "You ain't no good no more. They've pawned you Till you've done wore out. Good-by Christ Jesus Lord God Jehovah, Beat it on away from here now. Make way for a new guy with no religion at all — A Real guy named Marx Communist Lenin Peasant Stalin Worker ME ... Good-by Christ, good morning Revolution". Copies are available at the Foothill Blvd. Baptist Church office. Daryl Hutchins, 210 Summit Rd., Walnut Creek, published a document on Langston Hughes and gave it wide distribution, including a specific list of some of the 27 Front organizations with which he's identified. On Dec. 23, 1952, Hughes was positively identified under oath by Louis Budenz before HUAC as a member of the Communist Party, according to the Oakland Tribune of Dec. 23, 1952. In 1953 the US Information Service libraries banned two of his books by order of the US Attorney General, according to S. F. Chronicle of June 22, 1953. The public is becoming aroused over red activities on the college campuses.

We would expect this kind of an article in the People's World or Daily Worker".

.."Mr. Moon Owes An Apology", said Dr. Weniger, "to our Congressmen, to the House Committee on Un-American Activities, to the Police Department of S. ## COUNCIL OF CHURCHES UNDER FIRE

2-28-61  
v.12  
1/260

The front page of the Oakland Tribune for Feb. 27 carried a long article on the Pastor. "An Oakland minister charged today that the National Council of Churches 'has placed itself squarely on the side of the Communist Party in the vast propoganda battle against the House Committee on Un-American Activities'. In San Francisco, the First Daptist Church officially severed all connections with the National Council. Both actions were in protest against the NCC general board's action last Thursday, criticizing 'Operation Abolition', the film of the student riots at the HUAC hearings in San Francisco last May. Dr. G. Archer Weniger, pastor of Foothill Baptist Church, issued a statement declaring: 'Shame has been brought upon the good name of Protestant churches by this incredible action of a group of radical religious socialists, whose general program goals coincide with Communist Party objectives in a startling way'. Dr. Curtis Nims, pastor of the San Francisco Church, said more than 800 members, attending a special business meeting after morning services yesterday, voted to withdraw from the NCC. He said there were only five dissenting votes to a resolution which criticized the NCC for 'political action and pronouncements'... 'Not one of the 20 ministers who were in the hearing room for those hours of testimony and wild disorders would identify themselves with the NCC action', Dr. Weniger declared. 'The NCC general board speaks from the vantage point of ignorance or deceitfulness'. Dr. Weniger insisted that the film 'is a true and accurate representation of the activities at the hearings, both inside and outside the chambers'. He commented: 'We should expect a Council of Churches to give solid support to the forces of law and order in the struggle with subversion, rather than giving aid and comfort to insurrectionist elements'. ## WALNUT CREEK PASTOR BACKS HUAC AND FILM

The following telegram, from Rev. Geo. L. Moore of Walnut Creek First Baptist Church, appeared on the front page of the Christian Beacon for Feb. 9, 1961: "I attended every session of HUAC (House Un-American Activities Committee) hearing in San Francisco. I testify without reservation that the film 'Operation Abolition' is a fair, actual, documented account of the events in and out of the hearing room. Critics cannot deny that everything it shows actually happened. The film is too accurate and revealing of the Communists and their friends. That is why they attack it so bitterly. It is imperative that all Americans see this film". Films are available from the San Francisco Daptist Seminary, 1225 Franklin, San Francisco 9, Calif. — PR ospect 6-8082.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Protest letters from Californians should go at once to UC Pres. Clark Kerr, and to Gov. Pat Brown for having Irving Hall and Furton White on the University of California faculty as teaching assistants. Both were arrested during the S. F. riots of last May in S. Our Pastor is recommending action this week for emergency financial aid for the families from our Church.

..Psalm to Socialism.. "The government is my shepherd, Therefore I need not work. It alloweth me to lie down on a good job. It leadeth me beside still factories; It destroyeth my initiative. It leadeth me in the path of a parasite for politic's sake. Yea, tho I walk through the valley of laziness and deficit-spending, I will fear no evil, for the Government is with me. It prepareth an economic utopia for me, by appropriating the earnings of my own grandchildren. It filleth my head with false security; My inefficiency runneth over. Surely the government should care for me all the days of my life. And I shall dwell in a fool's paradise forever". (Certified Business Forms, Box 339, Maywood, Calif.)

..Congressman Francis Walter (Dem. Pa.) defends the HUAC annual appropriation of \$327,000 this way: "A nuclear sub. costs \$49 million, an attack carrier \$280 million, a guided missile destroyer \$34 million. The committee operated last year and made its contribution to our defense effort in the vital field of information on legislation on a budget of \$327,000, a small fraction of any major weapon in our military arsenal". ..A free packet of material in defense of "Operation Abolition" will be mailed free to interested Christian leaders who will send 25¢ postage. This is the hottest subject in the nation today in religious circles.

UNITARIAN AT BERKELEY BAPTIST SEMINARY

Missions magazine of the ABC for March 1961 carries an ad on page 41 of the Berkeley Baptist Divinity School of a summer conference there from July 31 to Aug. 5. Listed as "Top Leadership" are: Benjamin P. Browne, Dr. and Mrs. Peter Gordon White and "Dr. Georgia Harkness, Professor of Applied Theology at Pacific School of Religion. Dr. Harkness is the author of more than twenty books in the field of religion". In her book "Understanding the Christian Faith" on page 74 she states, "The main question about the Trinity lies in what we mean by Christ. If one believes what has been said earlier in this chapter about Jesus Christ as the supreme revelation of God and the Savior of men, he will affirm belief in Christ as the Son of God. THIS DOES NOT MEAN THAT JESUS WAS GOD. It means that His life was so filled with the character and power of God that when men have seen Him, they have seen the Father". She thus clearly denies John 1:1-14, where Jesus is revealed as God. Also John 20:28, Romans 9:5, Hebrews 1:8, Acts 20:28, Isaiah 9:6, Titus 2:13, etc. Dr. Harkness is one of the most modernistic theologians today. In M. G. Lowman's book "2109 Methodist Ministers", she is listed with 19 pro-communist fronts and activities. In the Circuit Rider's book "6000 Educators", she has 28 leftwing listings on pages 286-87.

SAD SPIRITUAL DECLINE AT WHEATON

A controversy, which will have nationwide effects for some time, blew wide open at Wheaton College, when the Dept. of Science sponsored a conference on "Origins and Christian Thought" Feb. 17-18, 1961. The evidence shows that evolution has been baptized and made theologically respectable on this campus which has been built by fundamentalist gifts and trusts. Christian leaders who want concrete evidence of the deviation from the Bible should write to Dr. Harold P. Warren, First Baptist Church, Wheaton, Ill. and ask him for a three-page document. We hope to publish the substance of the public rebuke which Dr. E. Myers Harrison, first president of the CBFMS and a PhD on the graduate faculty, delivered from the floor protesting the anti-Bible implications (Cont'd p. 2)

THE BISHOP IS WHISTLING IN THE DARK

Bishop James A. Pike returned from New York last week to draw this headline on Feb. 27 in the San Jose Mercury — "PIKE: 'SPARKS OF CONTROVERSY' WILL DIE." "The outspoken Bishop of California told the gathering that the controversy surrounding his recent statements would not last because it goes counter to the Episcopalian ethic. 'I have been criticized from a fundamentalist approach', he said, 'and fundamentalism is not our heritage'. The hassle had arisen from statements by Bishop Pike that occurrences described in the Bible, including the Virgin Birth, the Garden of Eden, and a 'three-level' universe — are religious myths to explain a 'complicated truth'. 'We never call the Scriptures the 'Word of God', he told the Trinity gathering. 'They are only a witness. Jesus Christ is the Word of God'. Referring to Orinda's 'Episcopalians for the Faith' organization which has accused him of heresy, Bishop Pike said they had 'every right' to their interpretations but that they were directing their arguments to the 'wrong audience'. A recent letter mailed by that organization to California dioceses included numerous quotations from the Bible which he termed a fundamentalist approach. Bishop Pike added that before most Episcopalians could check the veracity of those quotes, they would probably find it necessary to blow the dust from their Bibles". We thought bishops were to encourage their people to read their Bibles, and to believe them. Fike's three-level universe involves heaven, earth, and hell — all of which he considers just a religious myth. We will predict that the Bishop will keep the controversy going for a long time to come.

..Pastor Virgil Arrowood's document describing the recent state CBA Pastor's Conference in Colorado in which the pastors took issue with Denver Seminary leaders and position, had such a widespread demand that reprints were required. Address him, Calvary Baptist Church Lamar, Colorado. He states categorically, "The Denver Seminary does not represent the commonly held Conservative Baptist views". CBA leaders should know why the Colorado pastors are at odds with the Seminary.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..For a moment the Bishop was scared .. Herb Caen's Chronicle column of Mar. 2; "SCENE: The installation of Rev. James Shaw as rector of Trinity Episcopal Church As Bishop James Pike was speaking solemnly from the pulpit, a PG & E transformer just outside the church began burning out. Eerie flashes illumined the stained-glass windows —and then the church was plunged into darkness. As ushers swiftly surrounded the pulpit with tall candelabras, Bishop Pike paused in his remarks, gazed at the circle of fire, and murmured: 'I thought I was going to get a trial first'".

..Dr. John S. Bonnell, Graham Crusade committeeman, stated in New York Times of Feb. 20 that he was having Bishop Pike as lenten speaker in his Fifth Avenue Presbyterian Church. "Those who question the virgin birth are entitled to a 'respectful' hearing even if 'we cannot accept their findings'". The Apostle Paul would not agree. Gal. 1:6-9; Romans 16:17; Titus 3:10 and John 9-11.

..Mrs. Edith Green (Dem. Oregon) was one of the six who voted with Jimmy Roosevelt against the HUAC appropriations on March 1 in congress. The vote was 412-6. Northwesterners will not feel happy at the thought that she was one of the honored speakers in January on the platform of the First Baptist Church of Minneapolis, made famous by Dr. W. B. Riley.

..Dr. Vernon Grounds, Denver president, held a conference Feb. 21-Mar. 1 at First Baptist of Tempe, Arizona, Dr. Richard Elvee, pastor.

..We regret to hear that Aram Philibosian had a mild heart attack around Christmas which has kept him out of his Denver pulpit. We remember with pleasure his song-leading some years ago in a helpful campaign with Dr. John R. Rice in our Church.

..A good picket-line slogan — "Keep Jimmy in Washington. The wife you save may be your own."

.. Tret not thyself — Psalm 37:1.

..Leroy Hogue's letter in the Tribune of Feb. 21 concerning "Operation Abolition" said: "What I saw was enough to chill my blood. That supposedly loyal Americans could be duped into supporting communism, whether they realize it or not, is beyond me. Yes, any individual or group that tires to discredit or destroy such organizations as the HUAC is supporting communism to that degree. The only effective way to deal with communism in America is, first of all, to expose its true nature and its adherents. I say, 'Long Live the HUAC'".

..The Advisory Board of the Church, which includes all general officers, plus deacons, deaconesses, trustees chairmen of standing committees, will meet Wednesday at 8:15 p.m. in the Chapel to elect a nominating committee for the forthcoming elections of the Church.

..SAD SPIRITUAL DECLINE AT WHEATON (CON.) of the whole conference. It is a direct effect of the espousal of the anti-Biblical "New Evangelicalism" which has possessed Fuller Seminary, Denver Seminary, Gordon College and others.

## DR. CLARENCE SANDS SAW THE S. F. RIOTS

3-14-61  
u. b.  
16. b. 2

Dr. Sands, 17 years pastor of 3,000 member San Jose First Baptist Church — second oldest Baptist Church in California attended the HCUA hearings every day in May 12-14, 1960. In a letter to NCC officials in New York he states: "After seeing the film, I can assuredly say that it is a fair and excellent presentation of the events and circumstances surrounding the riots at the hearings in the City Hall. The one or two very minor divergencies from the sequence of events in no way alter the basic truth and accuracy which the film intends to convey. I was amazed that a film of so short a length could give so true a picture of what transpired over several days of hearings and hours of court procedure. I personally feel that the behavior in the court room, which was without doubt incited by the Communists, was far worse than the film showed. I know that the great majority of the students were not Communists, but the film accurately shows the advantage that the Communists take in a situation where differences are fanned into a riot. This the Communists did. I feel that the accuracy and fairness of the film can be defended to anyone who wants to know the truth. Those who don't, could not be persuaded even though an angel from heaven were the messenger. The film does an excellent job in conveying what a few hard core Communists can do in inciting mass riot and disregard for decency, law and order. Copies of letter may be secured from Dr. Sands, 198 So. 2nd St., San Jose 13, California.

## NEWS LEAKED OUT FROM HOUSE OF BISHOPS

The American Church News, a beautiful Episcopalian magazine, published at 347 Madison Ave., New York 17, N.Y. (\$3 per year), had this in an editorial: "Of course, most of the deliberations of the House of Bishops are in closed and secret sessions and when news leaks out it can be denied to protect the secrecy but interesting reports come from Bishops about the strong opposition of one member greatly involved with matters of Protestant federation at the moment, to the Pastoral. It is reported that this Bishop said that its passage would mark him as a heretic in the light of (Cont'd →)

## CENTENNIAL CELEBRATION OF DR. W.B. RILEY

Our Pastor will recognize the 100th anniversary of the birth of one of the greatest giants of the American pulpit next Lord's Day at both services when the life and ministry of Dr. W. B. Riley will be recalled. The Pastor will preach at 11 a.m. on "Not Ashamed of the Gospel", which will be a consideration of his favorite text. At the evening hour he will speak on "The Rapture of the Saints" a favorite subject of this great pre-millennial champion of the Truth. His favorite hymn, "Let the Lower Lights Be Burning", will be sung in the morning. Dr. Riley was born 100 years ago on March 22. Dr. Riley's pulpit attire was given to our Pastor upon his death by his wife. The Pastor will wear this on Sunday. Wm. Jennings Bryan, three times Democratic presidential nominee, referred to Dr. Riley as, "America's greatest Christian statesman". He preached our Pastor's Ordination sermon, and along with the Pastor's Dad, performed their wedding ceremony.

## SEMINARY TO HONOR DR. RILEY'S LIFE

Next week, the San Francisco Baptist Seminary will devote every Chapel service to a tribute to the leading Fundamentalist preacher in the 20th Century. On Tuesday at 10:10 a.m. the speaker will be Dr. G. Archer Weniger; on Mar. 22 — Dr. Roy H. Austin; on Mar. 23 — Missionary Wm. F. Hunter; and on Mar. 24 — Dr. John R. Siemens of Stockton. For 45 yrs he was pastor of the Minneapolis First Baptist Church which had the largest membership in the Northern Baptist Convention (3700), in a city and state where Baptists are few. He founded the Northwestern Bible School, Northwestern Evangelical Seminary, and Northwestern College. He moved and swayed audiences all over America.

.. "Worry is a thin stream of fear trickling through the mind. If encouraged, it cuts a channel into which all other thoughts are drained."

his writings. If this be a true report then we may thank God that the House of Bishops decided to remain loyal to the Faith rather than to condone the reported admission of heresy by one of its members through silence."

- ..Bishop Gerald Kennedy of L.A. dropped in to Berkeley and got a big play in the papers. "I'm for Bishop Pike about 99 % of the time ... I don't think such theological issues as the Virgin birth of Christ are the central, important things. On many such questions, like Bishop Pike I say I don't know. What really concerns us is seeing that we practice more of what we preach ... Bishop Kennedy also criticized the use of 'gossip and innuendo' by the House Un-American Activities Committee". S. F. Examiner, May 6, 1961. It is amazing how men who believe so little can rise so high in church circles. What a tragedy to have so many agnostics in the American pulpits.
  - ..Dr. Billy Graham.. "Heavyweight Champion Floyd Patterson was a platform guest of Billy Graham when the evangelist addressed a Crusade for Christ audience of 10,700 at Convention Hall. Patterson, who defends his title against Igemar Johansson in the same hall Monday, was given a Bible by Graham". Oakland Tribune, March 10. What this world needs is more consecrated prize-fight champions, who can bloody up their opponents with a real testimony for Christ!

## THOSE PESKY EPISCOPALIAN "MCCARTHYITES"

3-21-61  
17-4  
21  
ACB

Houston lawyer, G. Ernest Caldwell leveled laymen charges of heresy against James A. Pike while the Bishop delivered Lenten sermons last week in the Texas city. The Bishop returned home to answer these charges by bringing in the John Birch society. All of this reminds us of the Buckley editorial in "National Review" for Feb. 11, 1961: " (Bishop Pike) is obviously in a sweat. Perhaps at this very moment, he is lifting his eyes to heaven, and praying to God and to the non-Virgin Mary to deliver him from his McCarthyite persecutors within the Episcopal clergy. To which answer from above may come, 'Thou art not always a faithful servant, James, and thou shouldst from time to time wash out thy mouth in soap and water. Thou mayest have to face another Tribunal before I am through with thee; but fear not, it will not be a congressional committee!'"

## SUCH INEXCUSABLE, UNADULTERATED UNBELIEF

The main meditation in "Presbyterian Life" for Mar. 15, 1961, has a caption, "The Word of God, a Two-Edged Sword", using Heb. 4:12 as text, and begins: "We would be more comfortable, surely, if the Word of God were all neatly written down and carefully folded between the covers of a book. We could then own the book, admire it, and defend it from its detractors, without ever being disturbed by it. But God has not chosen to let us off so easily. His Word does not stay on the printed page. It leaps right out off those fine leather covers, and becomes a vibrant and pulsating part of our lives". Presbyterians should be warned never to support such arrogant unbelief in official denominational magazines. This is one of the most subtle attacks on the Bible we have seen this year. This fits right in with Pike's statement in the San Jose Mercury of Feb. 27, "We never call the Scriptures the 'Word of God'...They are only a witness".

..Welcome to Pastor John Schafer of Martinez, who becomes the pastor of Oakland's Hillview Baptist Church on Easter. He is married and has two children. We are so pleased that our sister church has a pastor now.

## "PATRIOTIC PROTEST PARADE" TO SACRAMENTO

A protest uprising of citizens in the Bay Area over appearance Wednesday noon at Wheeler Hall on UC campus of Frank Wilkinson took dramatic form in a mile-long protest motorcade which began Tuesday at 8 a.m. from San Francisco City Hall, where the riots began, and ended at 10 a.m. at the rotunda of the State Capitol where a meeting was asked with legislators. Wilkinson, a leading personality in film "Operation Abolition", is alleged as one of the top Communists in the nation. His recent conviction of contempt of Congress was upheld by the US Supreme Court on Feb. 27, along with that of Carl Braden. The motorcade expects to deliver a petition of protest to the legislators and ask the Governor to show cause why University facilities should not be denied to Communist agitators. They will ask immediate legislation to deny Communist use of tax-supported institutions. Each car carried a flag and a sticker "Patriotic Protest Parade". Dr. Curtis Nims of San Francisco, Dr. G. Archer Weniger of Oakland, Pastor Don Watson of Oakland, Pastor Geo. Moore of Walnut Creek — all "Eye Witness Ministers", are among the sponsors.

## ECUMENICAL LEADERS HAVE GONE CRAZY OVER WORLD REVOLUTION

Bishop Pike's Pacific Churchman for Mar. 1961 had an article on page 14: "Church schools are in business to prepare their students for participation in today's world revolution, according to Rt. Rev. Stephen E. Bayne, Jr. of London, Executive Officer of the Anglican Communion.. The significant and unique function of the Church School, Bishop Bayne said, is to bear Christian witness, to be 'the salt and the leaven'. The School must prepare for the present, not the past, by operating in today's revolution, he said. 'It is a revolution in social and political organization, economic structure, government international affairs". Nothing could sound sweeter to the Communists who are the world-wide conspiratorial manipulators of this revolution that has stirred strife and hatred to new fever.

Pastor Kenton F. Peshore of Oceanside First Baptist Church and a trustee of our S. F. Baptist Seminary, will be honored on May 19 by the degree of "Doctor of Divinity" from the Baptist Bible College of Denver. No finer choice could be made.

- ..Bishop Pike endorses the American Civil Liberties Union, which is often charged as being a Communist front. The Pacific Churchman, of March 1961 (edited by Pike's assistant, Canon Richard Byfield), carries a long letter from the Bishop which closes with these words, "In short, while I may disagree heartily with certain positions of the Union, from time to time, I am grateful to them for their jealous concern for civil liberties and for the many important contributions they have made toward our freedoms notably in segregation cases, resistance to police brutality, and the like."
- ..The English Department at the Berkeley UC campus is heavily infiltrated with professors sympathetic to Communist Party objectives. Burton White and Irving Hall, who were arrested at the riots, teach in this department. Prof. Mark Schorer and Prof. Geo. K. Stewart are working hard on abolition of HCUA.

EVANGELICALS — BEWARE OF THE NCC TRAP

UC ENTERTAINS ONE OF TOP COMMUNISTS

3-28-61

No. 64

The Seattle Times of March 18 carried a boxed article entitled "Christian Disunity Source of Concern". While the merger program is being carried through on a crash basis, the rift between the liberals and orthodox becomes wider and wider. Dr. James E. Wagner, co-president of the merging United Church of Christ, suggested in "Christianity Today" recently that the National Council of Churches: "Seek to initiate with devout and competent representatives of our avowedly more orthodox brethren a series of quiet, unpublicized, prayerful consultations aimed at restoring confidence and communication between those whose differing from one another is really one of degree or adherence to what all would recognize as the great Christian tradition". He indicated that the "differences are over interpretation of the Bible, the sole authority of faith for most Protestants". The Times said, "Dr. Wagner identified the classical orthodox group as being represented 'in the better element in such organizations as the National Association of Evangelicals'... 'We both trust the same Savior', Dr. Wagner said. 'We both call Jesus Lord!'. This will be met with pleasure by the New Evangelicals who have long advocated a "dialogue" with the liberals on doctrine, with the Pentecostalists on the Holy Spirit, and with the cults on widening the fellowship. The basic problem between orthodox and modernist elements is not one of interpretation of Scripture, but of accepting or rejecting the trustworthiness of the Scriptures as the Word of God. God calls for separation from false prophets. Gal. 1:6-9; II Jn. 8-10.

The Pastor heard Frank Wilkinson speak at UC on Mar. 22 to a crowd of 4,000, with 3,000 of them standing outside. Dean of Students, Wm. Sheppard, read a statement from Clark Kerr upholding "free speech", which means that Reds will continue to speak at UC. Wilkinson, architect of the S. F. Riots, was introduced by History Prof. Kenneth M. Stamp. He opened with words of praise for Governor Brown and President Clark Kerr for not banning his speech. He indicated that he was on his way to Atlanta to go to prison this week. The amazing part were the influences he said which brought him to this place. He came from a "conservative, republican, Methodist home in Beverly Hills". He "had a wonderful mother and father who trained me in the ideals of the Methodist Church and gave me a Methodist conscience". Three main influences upon his life: 1. A Baptist Seminar at Asilomar at which Muriel Lester spoke. 2. Father Thomas J. O'Guire RC priest from Hollywood, with whom he formed a "Citizens Housing Council". 3. "The dean of American scholars, Alexander Meikeljohn" (applause, 25 seconds). This professor has a long record of pro-communist activities. When finished, a fellow right in front popped up with this question, "Are you a Communist?" He refused to answer. We saw Wm. Mandell, noted Marxist in film "Operation Abolition", standing outside on the steps obviously enjoying it all. The students were not all buying this. We saw no applause outside except on one occasion and that a scattering of clapping. If the Communists come to power, we predict that Wilkinson will be sitting in Gov. Brown's chair, if not in the White House

The Pastor met with Gov. Brown last Tuesday for 45 minutes under the TV cameras, along with several important leaders in California. The Governor had already rejected our appeal in a press conference earlier before he had heard us present our appeal. He told Col. Mitchell Page, congressional medal of honor winner with us, that our boys died in Korea so that men like Wilkinson could enjoy free speech at the University. He is against Communists in general, but not in particular. He claimed to know nothing of Wilkinson, even though we reminded him that he was the one who had done good work in exposing him while Attorney General. He was unimpressed when we laid before him a record of Red speakers at UC during his administration. Bishop Pike criticizes protest against Wilkinson, according to Palo Alto Times, March 23, "Bishop Pike mentioned particularly the attempt to keep a speaker from appearing at the University although he has not been declared subversive by any court of law".

## BERKELEY BAPTIST PROFESSORS JOIN LEFT WING COMPLAINT AGAINST MOTORCADE

4-9-61  
v/12  
p/65

The San Francisco Chronicle of March 31 carried a letter to the editor signed by five ABC leaders, including two professors of the Berkeley Baptist Divinity School, complaining about the spontaneous Baptist-led 100 car motorcade to Sacramento on March 21 protesting the appearance of Communist Frank Wilkinson at the University of California on March 22. The 300 marchers on the Capitol were led by Dr. Curtis Nims of San Francisco First Baptist, Pastor George Moore of Walnut Creek First Baptist and Dr. G. Archer Weniger of Foothill Blvd. Baptist, Oakland. They strongly objected to the appearance of the "architect" of the San Francisco Riots and a top Communist agent in the US, enjoying a platform of honor at a tax-supported institution. The motorcade, a highly successful venture, protested directly to legislative leaders and to Gov. Brown directly against using tax dollars for Red subversion. In no sense was it a restriction of academic freedom, but a protest against academic treason. The professors W. John Minter and Douglas L. Saxby, joined by Robert D. Peck, Richard M. Johnes (ABC Evangelism) and Feland Meadows (ABHMS Representative) stated, "Some Baptists, who lay claim to the same religious heritage as those who led the recent cavalcade to Sacramento, are deeply disturbed that they have so soon forgotten their indebtedness to this heritage... Baptists, when aware of their heritage, have always refused to force the conscience of anyone to deny the right of all sides to be heard — even those with whom they heartily disagree". We remind the professors that Communism is not another legitimate viewpoint in the public forum of ideas, but treason against the very liberties and constitutional guarantees behind which they hide from criminal prosecution. We wonder what ABC churches think of their defense of Frank Wilkinson?

..Bishop Pike's heartwarming testimony on the Damascus turnpike is given in Coronet, April 1961, "I chose as a young man, to leave the church in which I was born and raised. I became an agnostic, believing in no consciously accepted credo. Then, after further study and maturity (as I now see it) I joined (Cont'd p. 2)

## "THE RIGHT TO BE AN ATHEIST"

Bishop James Pike shook the theological world again in the April Coronet magazine with an article on this subject. It might be hard to find Communists with more concern for rights of atheists. He states: "There is no such thing as an atheist. But there are people who believe they are atheists, and they have as much right to their 'religion' as other believers. They are of positive benefit to the church. What is more, there are many atheists within the churches... Many atheists within the churches? The answer to each question is yes, I believe, and this belief indicates why I am concerned about the protection of the rights of atheists... More admirable, and useful to the cause of sound religion, is the articulate, self-conscious atheist. His concern with fundamental issues is important and what he has to say to the 'religious' is important... Atheists are good for churchmen because they are a challenge to too small a God. What is a god? A focus of aspiration and meaning... In my ecclesiastical life I have met many 'Christians' who, when it came right down to it, couldn't care less about what their faith really involved". One Episcopalian wrote to the Pastor last week, saying, "How long, O Lord, how long"?

..Our Visitation.. There can be no substitute for this primal passion of the Christian individual and of the Christian church. Without it the ministry becomes formal, the church becomes cold, the world indifferent. A passionless ministry can never arouse a cold church, and a cold church can never witness convincingly to an indifferent world. The Christian church today needs a revival of praying, preaching, and personal testimony to the intent of reaching and winning the lost to a living faith in the Lord Jesus Christ. — J. E. Conant in "Every-Member Evangelism".

Pastor Jack McMichael has been identified by several people under oath before responsible government agencies as being a Communist.

..A Prescription for you..If you are impatient, sit down quietly and talk with Job. If you are just strongheaded, go and see Moses. If you are getting weak-kneed, take a good look at Elijah. If there is no song in your heart, listen to David. If you are a policy man, read Daniel. If you are getting sordid, spend a while with Isaiah. If you are getting cold, absorb some of the love of John, the beloved disciple. If you faith is below par, read Paul. If you are getting lazy, watch James. If you are losing sight of the future, climb up the stairs of Revelation and get a glimpse of the promised land. — Author Unknown.

We believe in the absolute and immediate creation of both Adam and Eve according to the scriptural record". A good statement from the president of the largest evangelical graduate seminary in the world.

..Dr. W. Earle Smith, who was an observer at the SF Riots, rebukes the Christian Century in a letter in the April 5, issue, in which he says "...What is the House Un-American Activities Committee? It is the US Congress in action. That's what it is ... Let's get back on the track of respect for law and order, and not lose our heads in emotional reaction to a certain situation and thereby do two unforgiveable things: give support and cover to a small group of subversives and at the same time show childish disregard of the US Congress".

GRAND GOSPEL MUSIC

8:15 p.m. — Singspiration Fellowship

..Pastor Clarence Green of Beirut is leading in the founding of a New Testament Baptist Church in Jerusalem. He recently held revival meetings there. "We have already rented a room in which we are holding services until we can get better situated in better premises". Money should be sent to Box 3175, Beirut, Lebanon, to start this church.

## MODERNIST THEOLOGIAN AT BERKELEY SEMINARY

Dr. Geo. A. Buttrick, one of the leading unbelievers among high churchmen in the US, spoke at Berkeley Baptist Divinity School on March 21, 1961 according to the local press. He holds that the OT contains myths and legends. Concerning a life beyond, "But we do not know — except by an invincible surmise. Why pretend we do? Some of us, being so constituted that we are happy in our 'wild lone', do not wish to know. We suspect life might be desperately prosaic if we knew". — P. 284 "Christian Faith and Modern Doubt". About God he states, on P. 18 in "Great Themes of the Christian Faith" — "Jesus ... had done nothing to incur God's wrath. And if God dealt with Him as if he were a sinner and the greatest sinner, then we must say of God (as a cynical Frenchman did say of the God of these penal theologies), 'Your God is my Devil'". This is shocking in the light of II Cor. 5:21; Isa. 53: 6,10.

## CANON BYFIELD AT GOOD FRIDAY SERVICE

The Executive assistant of Bishop Pike, Canon Richard Byfield, who addressed the student rioters in Union Square on May 12, 1960, spoke good Friday at Episcopal Church of our Savior in Mill Valley, his home parish. From notes taken by a parishioner: "Began with the 'reasonable belief' that Judas was actually a 'revolutionary' who came from a 'revolutionary town'. He continued to say it 'is also reasonable to believe that Judas, being a revolutionary went along with Christ and then became frustrated because he had not declared himself King and overthrown the Roman rule, and that Palm Sunday, when he failed to do this, was the final frustration that caused him to betray the Lord'. He then moved quickly to international politics and referred to one of the poets who said it might well be that the world would 'end in a whimper instead of a blast'. And he said finally what a terrible thing it would be 'if we caused the end of the world by failing to try harder to get along with the Russians and other countries'. At this point he ended the first meditation and we left promptly".

..Christians are like tea: their real strength is not drawn out until they get into hot water.

## LOCAL CHURCH DEVELOPMENTS

..The Pastor brought the Dedication address last Sunday at the beautiful Lakeport Church. It was a breathtaking experience to see what God has wrought in this beautiful resort city. It is one of the more lovely church buildings of the state.

..Christians - Beware of Liberal ministers running for local school board and city council elections. This matter of ministers operating out of their realm is serious. The Communist Party ordered participation in local city council and school board elections a few months ago.

..Rev. Eugene Wolf, running for city council seat, is a director of NAACP, and a paid representative of the Social Action department of the Oakland Council of Churches. He has the support of all leftwing elements. We understand that radio commentator John K. Chapel endorses his opponent, Robt. V. McKeen.

..The Two Prayers...Last night my little boy confessed to me Some childish wrong, and, kneeling at my knee, He prayed, with tears, "Dear God, make me a man Like daddy, wise and strong; I'm sure you can." Then, while he slept, I knelt beside his bed, Confessed my sins, and prayed, with low bowed head, "O God, make me a child, like my child here - Pure, guileless, trusting Thee with faith sincere."

..Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need. - Heb. 4:16....Wait on the Lord: be of good courage, and he shall strengthen thine heart: wait, I say, on the Lord. - Psalm 27:14.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..A new seminary in the East...We congratulate our New Jersey CBA brethren for considering formation of a new seminary in the great population center of the East. The CBA has no institution of higher learning beyond the Mississippi River. We trust that good feeling will attend the formation of this new school. They will need prayer.

.."Ecumenical Folly" is the 32-page booklet written by our Pastor and published by the Sword of the Lord (Box 420, Wheaton), containing the latest critique of the National Council of Churches. We have several hundred available in our church office at 15¢ per copy or \$12.50 per 100.

..Dr. Wm. A. Ashbrook, noted IFCA leader in Columbus, ordered 500 more copies recently. He originally ordered 1000. Mr. and Mrs. C. L. Knotts of Ormond Beach, Fla. ordered five copies also.

..The American Baptist Union holds its 42nd annual meeting on Friday with the message by Dr. Boyce Van Osdel, liberal minister at Oakland First Baptist. Participating on the program are: Dr. Woodrow Rood of Melrose and Dr. F. D. Haynes of San Francisco Third Baptist. Dr. Haynes is listed on page 54 of "660 Baptist Clergymen" with 7 leftwing activities. It would be more accurate to place it at about 70.

..Mrs. Stanley I. Stuber, is main speaker at ABC House Party at Mt. Herman, May 17 to 24, Her husband is associated with 14 Front listings in "660 Baptist Clergymen" (\$3.00 from Conservative Baptist Fellowship, 2561 No. Clark, Chicago 14).

..SW Regional NAE Convention, April 21 at Aimee Semple McPherson's Angelus Temple, with evening banquet at liberal First Congregational Church. ABC leaders, Dr. Harold Fickett and Dr. Ralph Mayberry, will bring major addresses.

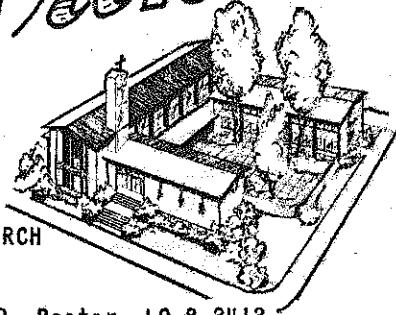

..The North End Bible Church, 7758 Earl Ave., NW, Seattle, voted on Mar. 24 to become a Baptist Church and affiliate with the CBA. Chas. M. Lemmex, trustee of our San Francisco Baptist Seminary, is the new pastor. We do not know of a more capable young pastor.

..Martin Luther King, recent Oakland visitor, who is listed in "660 Baptist Clergymen" with seven pro-communist listings, was fined \$25 and given a suspended six months jail sentence at hard labour on Friday. This is but one of several arrests of King, some of which have been for deliberate disobedience of the law.

..Governor E. G. Brown's appointment of Wm. Roth as a new Re ent of the University is in line with leftwing political debts. Roth, an American Civil Liberties Union trustee, formerly served as ACLU treasurer. In the Congressional Report No. 22900, 71st Congress, Jan. 17, 1931: "The American Civil Liberties Union is closely affiliated with the Communist movement in the US, and fully 90% of its efforts are on behalf of communists who come into difficulty with the law. It claims to stand for free speech, free press and free assembly; but it is quite apparent that the main function of the ACLU is to (across page)

## CHRISTIAN CENTURY JOINS COMMUNIST PARTY IN DEFENSE OF COMMUNIST FRANK WILKINSON

The nation's leading liberal religious weekly came out strongly for allowing Frank Wilkinson to speak at the University on Mar. 22. The April 12 issue said, in an editorial, "FREE SPEECH IN CALIFORNIA ... Objections to the appearance of Frank Wilkinson on the campus of the University of California at Berkeley gave Governor Edmund G. Brown occasion to champion freedom of speech and to denounce political extremists of the right and the left ... Opposition to Wilkinson's appearance was organized and led by Baptist ministers ... Meanwhile leaders of the opposition announce that they will present legislation to the California assembly to limit the right of student groups to invite speakers to college campuses ... But the opposition is resolute and formidable". The last statement is true. The issue was never free speech, for Wilkinson could speak anywhere he wished off campus. The issue was whether a convicted Communist should be honored on the property of a tax-supported institution. The Christian Century in its current campaign to destroy the House Committee on Un-American Activities and to discredit the film "Operation Abolition" is emerging as one of the greatest assets which the Communist Party has in the USA. Editors-at-large include: Bishop James Pike, Dr. Theo. Gill of San Anselmo Presbyterian Seminary, Martin Luther King, and Fosdick Pastor, Dr. Robert McCracken.

## UNITARIAN VISITING LECTURER AT BERKELEY BAPTIST DIVINITY SCHOOL

In answer to an ABC member protesting Dr. Georgia Harkness as 1961 summer professor at the Divinity School, President Ralph Johnson wrote this letter: "As you know Dr. Harkness is especially good in the field of Contemporary Theology. We have had her give lectures on logical positivism, neo-orthodoxy, liberalism, fundamentalism, and discussing the books of such people as Tillich, Bultmann, Ferre, Niebuhr, and others. As you also know, she is the author of several books. This summer we have invited her to speak on the art of writing a book, getting it published, and other matters related to the craft of writing. I hesitate to write of her theology because we have never had occasions to exchange confessions of faith. Having read some of her books and having heard her lecture, I feel she accepts the basic New Testament statement of faith, "Jesus Christ, Lord and Saviour". I am just sorry that you cannot sit down and visit with her personally about faith and doctrine. In some areas I am sure you would agree, and in others disagree; but through it all you could find appreciation for a Christian personality." Dr. Harkness has 28 listings in the Circuit Rider's book, "6000 Educators".

### DR. GEORGIA HARKNESS ON DEITY OF CHRIST

In her book "Understanding the Christian Faith", page 74, this Pacific School professor states, "The main question about the doctrine of the Trinity lies in what we mean by Christ. If one believes what has been said earlier in this chapter about Jesus Christ as the supreme revelation of God and the Saviour of men, he will affirm belief in Christ as the Son of God. This does not mean that Jesus was God. It means that His life was so filled with the character and power of God that when men have seen Him, they have seen the Father". Among the many times she spoke at Berkeley First Presbyterian Church, according to Church Bulletins — July 17, 1960; October 26, 1960; November 22, 1960. ..The World Council of Churches has two known and identified Communists on its Central Committee: Lejos Veto of Hungary and Jan Chabada of Czechoslovakia.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..The capital punishment abolition campaign, stimulated by Communist and left-wing groups, comes to a head in Sacramento this week. Write or wire your assemblymen and senators to uphold the present laws. Scriptures bearing upon capital punishment include: Gen. 9: 6; Ex. 21:2; Lev. 24:17-20; Num. 35:21; and Acts 25:11; Rom. 13:4.

..Bishop James Pike joined Rabbi J. P. Glaser in a widely publicized telegram to the legislature calling for abolition of capital punishment. "We oppose capital punishment because it violates the sacredness of human life ... fails to deter people from crimes of violence and even encourages some warped and twisted personalities to take human life". It is amazing that the Bishop had no twinges of conscience over the Castro executions no public statements on slaughter of millions in China, but he pleaded with Gov. Brown for Chessman.

..Burton White, UC faculty member arrested during S. F. riots of last May, is still drawing taxpayer's money on the UC English Dept. faculty. Protest letters to Pres. Clark Kerr, Berkeley, from taxpayers will have influence. He is the leading public figure against HCUA and the film "Operation Abolition".

..Dr. and Mrs. Robert Dennis celebrated their 25th wedding anniversary Sunday at Community Baptist Church, 1355 W. 5th St., Ontario, California.

..Herb Caen, writer for the left-wing San Francisco Chronicle, was challenged by Dr. Joost Sluis to a public debate on "No American can be neutral toward Communism", as a result of a despicable article in his column of Mar. 29: "The HUAC film 'Operation Abolition', which, surprisingly, hasn't been nominated for an Oscar in the Best Editing division, was shown to a big crowd in Livermore the other night — and a shambles it was. Mayor Robert Patterson slipped slightly (I assume) and introduced it as 'Operation Abortion'. And City Mgr. William Parness introduced the principal speaker, a pro-Committee man named Dr. Joost Sluis as 'Just Slush', which may very well be the way it's pronounced. Dr. Sluis said a lot of fascinating things, but none more so than this: 'Communists are for all the things we all want and desire. They find out what the people want and get it for them, in order to come into power over them'. Sounds simple. Maybe we ought to try it."

..Free literature available for distribution in any quantity from M. G. Lowman 110 Gov't. Place, Cincinnati 2, Ohio: all by J. Edgar Hoover — 1. "Communist Target — Youth"; 2. "One Nation's Response to Communism"; 3. "Analysis of 17th Communist Convention"; 4. Reprint from "Christianity Today".

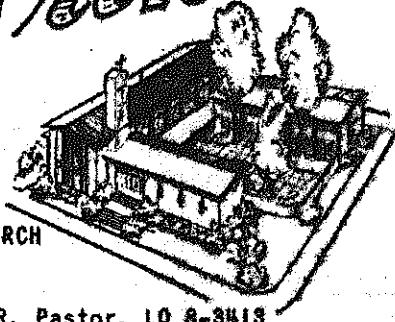

..Frank Wilkinson, top communist agent in US who was "architect" of the San Francisco riots, was honored at a rally on April 7 at Asbury Methodist Church in Washington, DC along with Communist Frank Braden, on their way to Atlanta prison to serve one year for contempt of Congress conviction.

## "BAY MINISTERS BACK DEATH PENALTY"

4-25-61  
p. 12  
6069

This is the headline of a story in the Oakland Tribune of April 20, 1961, p. 32. "Fourteen Bay Area ministers and educators headed by an Oakland pastor have sent a joint statement in support of capital punishment to every member of the state Assembly and Senate. Dr. G. Archer Weniger of Foothill Boulevard Baptist Church said today the group wanted to counteract a vocal opposition to capital punishment which seems to be emerging from liberal ministers. Two bills on capital punishment are before the Assembly. One calls for abolition of the death penalty; the other proposes a four year moratorium on death sentences. Six Eastbay ministers are among signers of the statement. They include Rev. Donald Watson of Elmhurst Baptist Church in Oakland. The statement urges legislators 'strongly that you vote against any bill which would in any way weaken the present laws on capital punishment'. It cites Biblical grounds. Dr. Weniger said the group wanted to support law enforcement officials who favor retaining capital punishment. Other Eastbay signers of the statement are Dr. H. O. VanGilder, president of Western Baptist Bible College, El Cerrito; the Rev. Harry Twining, Riverview Drive Baptist Church, Pittsburg; the Rev. Chester A. Hallberg, Bethany Baptist Church, Livermore; and the Rev. Kenneth Bowen, Eible Baptist Church, Vallejo. The rest are from San Francisco, Monterey, West Sacramento, Agnew and Sunnyvale. Among them are Dean William G. Bellshaw of the San Francisco Conservative Baptist Theological Seminary, and Dr. Weniger's brother, Dr. Arno Q. Weniger of Hamilton Square Baptist Church in San Francisco."

## DAYLIGHT SAVING TIME IN EFFECT SUNDAY

The instructions are simple: 1. Set your clock ahead one hour Saturday night. 2. Go to bed one hour earlier on Saturday night. 3. Get up one hour earlier on Sunday. 4. Be at Sunday School bright and early with an intelligent smile on your face. Don't come at 11 a.m. expecting to attend Sunday School, and don't come at noon expecting to hear the Pastor preach!

..He putteth forth His own sheep. Jn. 10:4

## SPRING BANQUET OF THE SEMINARY — MAY 6

The beautiful new dining room of the fabulous Kaiser Center overlooking Lake Merritt will be the scene of the Third Annual Spring Banquet for the San Francisco Conservative Baptist Theological Seminary on Saturday, May 6, 1961 at 6:15 p.m. Tickets are now available at a relatively low price of \$2.50, with reservations either with your Pastor or at the Seminary. (Prospect 6-8082). After a delicious meal prepared by the Manning chefs, the entire group will then retire to the private Kaiser auditorium on the second floor for the program. This is one of the most beautifully appointed rooms we have ever seen. The speaker for the occasion will be Evangelist Edward J. Nelson of Denver, a Seminary trustee, and one of the most respected men in the CBA. The occasion will give friends of the Seminary a chance to visit one of the great skyscrapers of the world — the largest building west of Chicago. You can visit the roof gardens of several acres where 30 foot high trees are growing five stories above ground. The Saturday date was chosen so as not to conflict with local church schedules, and also to enable people from a distance to drive in. The banquet will be limited to 410 people, so friends are asked to write in at once for reservations.

## EPISCOPALIAN LAYMEN APPEAL TO PIKE

A letter of appeal to Bishop Pike from the "Episcopalians for the Faith" was sent last week to 2,000 leaders in the diocese and to everyone of the 120 Bishops in the US. The Examiner of April 23 quoted the open letter: "We are appalled, for we find in your article teachings which indicate you hold no sound doctrine of the church, of redemption, of the Trinity, or of the Scriptures. In fact, we question if you do indeed regard yourself as our Protestant Episcopal Bishop or rather as some ecumenical skeptic". The Tribune of April 22 reported the letter: "We prayed that the outrage and anguish that greeted the first appearance of your article might in some way change your thinking. Now with the article's republication, you seem no longer to plead a private case and the privilege of personal freedom, but to teach and to spread (Cont'd p. 2)

..A faithful Sunday School teacher, when asked the secret of success in winning his pupils to Christ, answered: "I just keep shelling my pod of p's. I Pray, Plan, Prepare, Pour Out and Pull In". Not bad!

..John Wesley said, "If I had three hundred men who feared nothing but God, hated nothing but sin, and were determined to know nothing among men but Jesus Christ and Him crucified, I would set the world on fire". This world needs Godly men.

..S.S. Visitation pays off..A certain fellow, upon meeting a lovely girl, decided to do some heavy courting by mail. So he bought 365 post cards and for one year sent her a love letter each day. Every day, for 365 days, she received a card from him. At the end of 12 months she got married. But she married the postman. It was visitation that paid off.

..In thee, O Lord, do I put my trust.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

.."Students Associated Against Totalitarianism" is name of UC campus organization to fight subversion and influence of the Communist fascists. Victor Winkel is the chairman, Box 784, Berkeley 1, California.

..Pastoral changes..Loren Eastman is now pastor of Evangelical Baptist, Monterey. Charles Garrett has resigned the First Baptist Church of Tracy after several years of service.

Dr. Carl McIntire broadcasts daily over KJAX, 5000 watts, at Santa Rosa, each morning at 6 a.m. beginning this week. Turn to 1150 on the dial.

..Dr. Clark Kerr, who is reported to be frightened by an aroused citizenry because of Communist speakers on the UC campus, is quoted in the SF Examiner of April 22, "I would like to make it plain that the University of California does not hire Communists, that Communists are not allowed to have positions of any kind. This is our policy now, has been our policy and will continue to be our policy".

..The Berkeley Baptist Divinity School annual budget is \$360,000. This is quite a sum.

..Former President of American Baptist Convention, K. S. Latourette of Yale, wrote a book "The American Record in the Far East". This book was banned from overseas libraries of US Information Service by order of the Attorney General in 1953, along with some of Langston Hughes' works. See Chronicle of June 22, 1953.

..The light goes out..The massive Euclid Avenue Baptist Church, built in 1927 at a cost of \$1,250,000, and which grew to a peak enrollment of 2,000, including J. D. Rockefeller, Sr., disbanded in 1956 with 75 members. It is now extinct with the building to be torn down for a parking lot. JDR, Sr. gave \$250,000 for construction and JDR, Jr. gave \$245,000 in 1934 to save it from foreclosure. This is a monument to modernism.

..Outlawing the Communist Party.. Calif. Congressman H. Allen Smith has submitted a bill No. HR 2302. Write your Congressman supporting it, should it reach the floor of the House.

EPIS. LAYMEN APPEAL TO PIKE (CONT'D)  
untraditional views and curious opinions

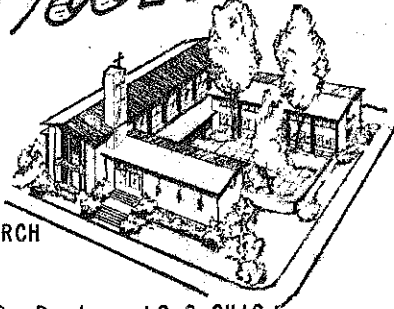

...We are anxious because we see our Church dismantled, our traditions denied and our faith attacked by our chief pastor ...We should remain a faithful people, with a faithful Bishop, that together we be a rock to save the now separated ones and the salvation of those drowning in a sea of agnostic secularism. For this we need an Apostolic and Christian pastor, mindful of all his people and their historic faith, and we beg you to become this pastor". It was signed by four East Bay laymen. Bishop Pike retorted, according to the Examiner "Now that at least four of this group have emerged from their former anonymity, we are in a position as their Bishop to admonish them to cease their divisive tactics". But Bishop, don't you believe in free speech?

## STATE SENATE CHAPLAIN EDWARD L. PEET PRESIDES AT COMMUNIST FRONT MEETING

5-2-61  
4/12-  
1961

The Communist "People's World" of April 29, 1961 (latest issue) reports: "San Francisco — Two campaigns were projected by the Northern California Committee for the Protection of the Foreign Born at its eighth annual testimonial last Friday (April 21) ... 175 persons gathered for the affair at the Sir Francis Drake Hotel ... The Rev. Edward L. Peet, chairman of the testimonial, expressed a general concern for the U.S. action in Cuba". Three persons, noted for pro-communist activities were honored. A collection of \$745 was received. This front group is listed in an official US Gov't. book, "Guide to Subversive Organizations and Publications" and is cited by the Att. General of the US as "Cited as subversive and Communist". "One of the oldest auxiliaries of the Communist Party in the United States". The Guide continues, "To defend the cases of communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are ... American Committee for the Protection of the Foreign Born. When the Communist Party itself is under fire those offer a bulwark of protection". Rev. Peet was appointed to Central Methodist Church of Sacramento by Bishop Donald I. Tippet. He is listed in M.G. Lowman's "2109 Methodist Clergymen" with 24 pro-communist activities. If you resent his being Chaplain in the Senate, you'd better write to Gov. Brown and to your Senator.

## ROBILLARD WAS EXECUTED FOR MURDER

On Wednesday, April 25, a 20 year-old youth was executed in San Quentin's gas chamber for murdering Patrolman Gene Doran in suburban San Francisco on Aug. 5, 1959. I wonder if he ever came into contact with a Sunday School teacher somewhere along the line. The Chronicle of April 25 quotes him, "I never did a thing wrong until three years ago, when I started lifting hub caps. It went on from there and just kept building. I started gambling at Reno and Stateline. .. I always thought of myself as just an ordinary guy. I would never (Cont'd p. 2)

## COLORADO CBA BROTHERS SPLIT OVER DENVER SEMINARY POSITION AND POLICY

A desperate bid to control the CBA of Colorado was made April 26 by the Denver Seminary leaders, but loyal CBA forces soundly defeated the attempt by a two-to-one vote and then went on to elect a slate of officers who were separatist in their ideology. The South Sheridan Baptist Church paper of April 27 reports: "Dr. Henry Van Kommer shocked us all with his motion that Dr. Lee Long resign as General Director. The accusation against him was that he was unfair in that he represented only part of the churches and that he discriminated against Denver Seminary graduates. To prove the latter point, one young man said that Dr. Long would not recommend him to a church because he was a graduate of Denver Seminary. Brother Long, in his defense, said he could not recommend this young man who believed in the post-tribulation return of the Lord Jesus. Dr. Van Kommer's motion was defeated by a standing vote of 212 to 150. By this vote, the majority of the messengers went on record as being in favor of the stand and position of our good General Director, Dr. Lee Long. The vote count for the election of officers and on the controversial resolutions was just about the same in every case — about 345 to 175".

## COMMUNIST SPEAKER THIS WEEK AT UC

The continuing stream of known communist speakers at the University of California campus in Berkeley includes Mr. Frank Pestana, who spoke on Monday noon, May 1, at Wheeler Auditorium on "Red China", sponsored by Cunningham Hall, according to the Cal. Daily. He has been identified under oath before responsible government investigative bodies as a member of the Special Section of the Communist Party of Alameda County, and is now an attorney in Los Angeles. This is evidently the way Campus Communists intended celebrating May Day in cooperation with Reds throughout the world. The University groups have provided platforms of honor under the administrations of Pres. Clark Kerr and Gov. Edmund Brown for the following alleged Communists: Archie Brown, Anne Braden, Frank Wilkinson, Langston Hughes, Harry Bridges, John Howard Lawson, Holland D. Roberts, (Cont'd p. 2)

..Formal dedication of Irvington Calvary Baptist Church auditorium, Sunday, May 7 at 3 p.m., with Open House and refreshments included, according to Pastor Kenneth I. Smith.

..Prof. Bernard E. Northrup, S.F. Seminary instructor, who has blessed our hearts so many times in our Church, passed his oral examinations in Dallas last week with an "A". The ThD degree will be awarded this month. A leading professor wrote us this week: "... assure you that he handled himself with great capability and skill, and was a testimony to all of us of your high standards of workmanship there".

ROBILLARD WAS EXECUTED (CONT'D)  
have believed I could kill someone ... There is just one word for what I was — juvenile delinquent ... And if only I hadn't had that damn gun that night ... Then I started running around with guys I met in jail ... Then I arrived here on death row where I found out how crummy an upbringing someone can really get". The Chronicle continued, "Robillard was made a ward of the court in Shasta county because of a 'lack of parental control'. Sup. Judge Richard Eaton noted at the time that his home life had been shaped by 'a drunken and cantankerous father and a tense and nervous mother'". What a shame that some Godly, Christian SS teacher did not intercept him somewhere along the line and bring him to the church. Teachers: Make sure that every student you have enjoys your personal and prayerful concern for his soul's salvation.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Joost Sluis, UC medical faculty and director of Christian Anti-Communism Crusade for Northern California, was awarded the "Americanism Medal" by DAR, with a big picture of the event in the Tribune of April 22. Congratulations on a wise choice.

..Colorado CBA Meeting April 26 at Lakewood First Baptist elected a slate of separatist men as follows: Pres. — Dr. Hubert Verrill; VP — Dr. Wm. Shea; Sec. — Roland Andrews; Treas. — Aubrey Nelson. Council members: Jack Cavender, Paul Seantor, Virgil Arrowood, Eddie Bauman, James Dolin, Roy Graham, and Dr. George Siemens. The vote was about 245 to 175.

..Colorado Resolution adopted: WHEREAS, the CBA of Colorado has adopted and published certain positions on doctrine and practice, BE IT RESOLVED, therefore, that we endorse only those service institutions which indicate satisfactory evidence and adherence to those same doctrines and practices. BE IT RESOLVED that we go on record as opposing any attempt on the part of service organizations to interfere with any of the affairs of our churches".

..The above resolution appears aimed directly at the Denver Seminary for repeated alleged violations of local church autonomy and interference in the affairs of the churches locally and in the state work generally. It is evident that the Seminary has succeeded in dividing the state.

..The Mile-Hi Evangelist of April 27 of the South Sheridan Baptist Church urged: We encourage our people to pray for the new State Council and for Dr. Long. One reason yesterday's meeting was so important is that it involves the position which the CBA will hold in the current religious picture. We must take a stand. The order of the day is 'peaceful co-existence' in every realm".

..The main business session was held yesterday", said the Mile-Hi Evangelist. "It lasted from 9:30 until almost three in the afternoon. Without a doubt this is one of the most important meetings that Conservative Baptists ever had. The national importance of this business session was emphasized several times. There were clearly two ideologies represented in the meeting. One group opposed the leadership of the Colorado CBA under Dr. Lee Long as General Director and Rev. Wayne Sawtell as the President". This opposing group was the Denver Seminary and its sympathetic leadership.

..News has leaked out that the Reds are planning a film to offset "Operation Abolition". It was planned to use shots of Canon Byfield, Martin Luther King, and to close with Bishop Pike's address before the recent Episcopal Convantion in S.F. in which he attacked the Cong. Comm.

## WHY MAJORITY OF COLORADO CBA PASTORS CANNOT SUPPORT THE DENVER SEMINARY

After decisive defeat last week in Lakewood of the Denver Seminary's attempt to dominate the CBA of Colorado, we endeavored to find out some of the reasons why the majority refuse to accept the Seminary, support it, and recommend its graduates: Espousal of New Evangelicalism, Benevolent attitude toward the RSV, approval of post-tribulationism, disparagement of dispensational theology, supporting current attack upon fundamentalists and fundamentalism, presenting a philosophical theology rather than a distinctly Biblical theology, over-emphasis upon intellectualism, reluctance to accept the CBA ideology, willingness to resume the "dialogue" with the liberals, unwillingness to categorically denounce neo-orthodoxy, antipathy toward separatists and separatism, preference for a "both-and" theological position, rather than a clear-cut definiteness, advocacy of ecumenical evangelism, promotion of a "Protestant Orthodoxy" instead of a Baptist fundamentalism, reputation for violating local church autonomy, and continuation as the most divisive force in the CBA.

## BAPTISTS SHOULD PROTEST BURMA ENVOY

The SS Times of April 29 carries this news: "Dr. John Scott Everton, a Baptist minister, was named by President Kennedy as U.S. Ambassador to Burma. Dr. Everton holds ordination credentials with the American Baptist Convention. Baptists, with a membership of 600,000 in Burma, are the largest Christian group in that country". Dr. Everton is listed in page 39 of the book "660 Baptist Clergymen" (\$3.00, CBF office, 2561 North Clark, Chicago 14, Ill) with seven pro-communist activities. There are plenty of ministers to send to Burma without pro-communist involvements, if a Baptist is wanted. Americans should protest to their Senators in Washington the sending of any more diplomats to the Far East who will sell the nation down the river. . . A remarkable 30-page mimeograph document on the S.F. riots is available from Rev. A.R. Paashauss, Bible Presbyterian Church, Firth, Nebraska. It has excellent documentation and contains material not found elsewhere.

## "STUDENTS RIOT AT WHEATON COLLEGE"

This is the black, bold headlines across the top of "The Daily Journal" of Wheaton, Illinois of April 28, 1961. The astounding story continues: "Mob Tosses Mud at Cops; Three Arrested" . . . The riot tied up the entire Wheaton Police Department for more than an hour and was dispersed only after White (Chief of Police) faced the mob with a gas gun and demanded that they disperse." Among the students arrested were: William Carlberg, 18, a freshman from Fall River, Mass; Russell Nelson, 19, Ariz; and Lorraine Entwistle, 21, of Calif. Between 400 and 500 were involved in the riot. The Dean of students was greeted with boos when he arrived to disperse them. The college authorities owe a statement of explanation to the Christian public for this disgraceful action of defiance of the forces of law and order. We were informed that one of the arrested students was a CBA church member, but we trust this is untrue.

## THE CHURCH PURCHASES ADJACENT PROPERTY

The Trustee's offer of \$18,000 for the adjacent property of 150 ft. by 65 ft. at 1635 - 16th Ave. was accepted with escrow taking another week or so. Additional parking space will be made available which will allow up to 30 cars and still allow the five-apartment building to stand. Because this will add about \$45 per week to the budget, we are asking all of our people to consider increasing their weekly commitments to the Church. In addition, we are suggesting that all of our members make personal commitments toward the newly adopted church budget. A total of 21 additional "Financial Purpose" cards were returned Sunday. Loyalty and faithfulness should characterize our paying of tithes with this magnificent opportunity for expansion offered to us. This gives the Church control of three-fourths of the block along San Antonio Park, one of the most beautiful in the city. This action will undoubtedly prove to be the wisest move our Church has made since the erection of this building. It is an evidence of the blessing of God.

. . . The new pastor at Bayshore Baptist Church in San Francisco is Alway J. Bell of Eugene, Oregon.

We are informed that Bernardo Garcia, the leader at the San Francisco State College Castro Rally on April 18 and one of the leaders at the Union Square Rallies and Federal Building Castro demonstration is a student for the ministry at the Pacific School of Religion. ## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Seminary Baccalaueate service on Sunday at 3 p.m. Calvary Baptist Church, San Francisco, with Pastor Kenneth I. Smith of Irvington bringing the message. Faculty and trustees will be in academic gowns.

..Arthur Van DeZande of Oak Ridge, Ore. was recently called as pastor of Alameda Westside Baptist Church.

..Tonight (May 9) in Dallas, Texas, Prof. Bernard E. Northrup of the San Francisco Seminary will receive in absentia the Th D degree in Hebrew and Old Testament studies. He passed his orals recently with an "A" grade. He is one of the very few qualified Hebrew men in evangelical seminaries with this degree.

..St. Mark's Episcopal Church, 908 Rutherford, Shreveport, Louisiana, the largest Episcopal Church in the state, took action to withdraw itself from the National Council of Churches. They first compiled a 12,000 word report and an additional 16,000 appendix, documenting its action and charges against the NCC. It is available apparently free.

..A new TV version of "Operation Abolition" of 28 minutes, 30 seconds in length instead of 45 minutes, is now available at \$90 each from Washington Video Productions, 24 F Street, NW, Washington 1, DC. — LIncoln 6-1300.

..Rev. Martin Luther King pleads for communists Carl Braden and Frank Wilkinson asking the President for release and a pardon at once. He joined 16 other prominent Negro leaders asking that the HCUA be abolished. The Examiner of May 3 quoted him, "I have no doubt they are being punished — particularly Mr. Braden, for their integration activities".

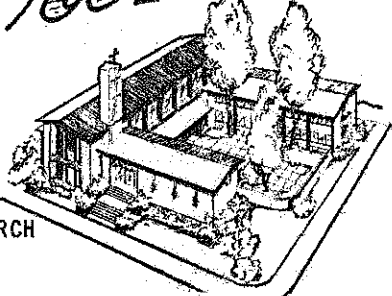

..Dr. Martin Luther King, many-times arrested Baptist minister who is noted for his civil disobedience programs, is scheduled to receive an honorary Doctor's degree at Pacific School of Religion on May 26 when he gives the commencement address. A listing of leftwing activities which follow the Communist line is found on p. 59 of "660 Baptist Clergymen" available from CBF, 2561 No. Clark, Chicago 14, Ill.

Flash..Court Victory in Wichita.. Dr. R. V. Clearwaters scribbled an airmail note from Wichita court room where the Court ruled that a Baptist church by majority vote decides affiliations, and giving or withdrawing of its monies. This means that the First Baptist Church, which recently withdrew from the ABC and repudiated the NCC, retains its 2½ million dollar, 6 floor property. This was a decisive defeat for the American Baptist Convention and the National Council of Churches, and a great victory for the local church.

..Communist Frank Wilkinson and Carl Braden spoke at Presbyterian Princeton University on April 15 on their way to prison in Atlanta. They told the students, "We are going to jail to uphold the First Amendment".

HISTORIC FIRST GRADUATION EXERCISES OF NEW SAN FRANCISCO SEMINARY FRIDAY 7:45 P.M.

Every freedom-loving Christian along this West Coast who is interested in perpetuating the Historic Christian Faith of the New Testament might well consider loading up a car and being present when history is being made at the first commencement service of the three-year-old San Francisco Conservative Baptist Theological Seminary on Friday, May 19 at 7:45 p.m. at the Hamilton Square Baptist Church, Geary and Franklin, in the city by the Golden Gate. Dr. G. Archer Weniger will preside. The address of the evening will be by Prof. Ernest Pickering, BA, MTh, ThD., youthful theologian from Central Baptist Seminary of Minneapolis. Invocation will be given by Dr. F. J. McKnight of Danville, Illinois. Scripture by Prof. Wm. J. Sweeting, ThD. Presentation of the graduating class will be by Dean Wm. G. Bellshaw. Confering of the Degree by Dr. Arno Q. Weniger. Prayer of dedication by Prof. LaVern Schafer, ThM. Mrs. Margaret Hardisty will sing. People who want to protect this Seminary in a day of deception, compromise and betrayal, should be present in large numbers. The colorful academic processional will be at 8 p.m.

GOVERNOR BROWN'S LEFTWING CORRESPONDENCE

The recent famed "Sacramento Motoreade" of 100 cars involving 400 people to the State Capitol led by two Bay Area ministers, Dr. Curtis R. Nims and Dr. G. Archer Weniger, terminated in a 45-minute conference with Governor Edmund G. Brown after contacting prominent legislators. The purpose was to protest the March 22 appearance of Communist Frank Wilkinson on the UC Berkeley Campus. The Governor bluntly warned the six-man group before 26 newsmen that they were treading on "dangerous ground". He indicated that our boys died in Korea fighting the Communists so that men like Wilkinson could enjoy free speech. The ministers received no commendation for their efforts from the Governor but a flat rejection and a stern lecture. Tucked away in the Daily Californian of April 13 is his letter to Mike Myerson, chairman of SLATE, the UC campus "political" group which shelters the Berkeley Reds: "Thank you for your thoughtful expression of support in the case involving Frank Wilkinson. I know you will understand that I could not have acted otherwise without betraying my conscience or forsaking my regard for the Constitution and laws that did away with government by whim in this country nearly 200 years ago".

WE COMMEND COLORADO CBA LEADER, LEE LONG

Colorado is one of the strongest state CEA groups in the nation, due largely to the dedicated leadership of Dr. Lee Long. A secret meeting took place the night before the State CBA business session on April 26 when five Denver Seminary leaders (CBFMS Pres. Lester Thompson, Claire Brown, Wm. Whittemore, Mark Bubeck, and Henry Van Kommer) endeavored to force a resignation from Dr. Long. He rightly refused, feeling that God would not be pleased with yielding to such pressure. Action was suggested the next day if he refused. Late in the business session the next day Dr. Van Kommer, who has been in the state 18 months, moved that Dr. Long resign. Dr. Russell Pavy, a Colorado pastor less than a month, spoke publicly against Dr. Long. The messengers defeated the motion and sustained Dr. Long decisively. Dr. Pavy and Dr. Whittemore were nominated for office from the floor and were defeated. Mimeographed instructions were passed out by seminary forces giving business session instructions, we were informed. It is reported that Dr. Lester Thompson led the Galilee Church, with Dr. Whittemore's active support, to vote to strike the State CBA from the budget. If this be true, then it is understandable that many Colorado pastors feel that Dr. Thompson could hardly be expected to represent CBA churches in the office of president of the CBFMS.

..Pillsbury Baptist College sold \$200,000 in bonds in six days for construction of a new girl's dormitory on their million dollar CBA campus in Owatonna, according to Dr. B. M. Cedarholm. Congratulations to Dr. Monroe Farker, president.  
.. Jesus said, "I am the light of the world: he that followeth me shall not walk in darkness, but have the light of life."

..Prof. LaVern Schafer is making a thorough study of the New English Bible which will be published serially in the CBF Information Bulletin.

..On Building a Great Sunday School..Dr. Dean Dalton says, "You can't build God's work on touchy people's feelings". Four factors limiting a SS growth are, according to Dr. Dalton, limited vision, limited organization, limited personnel and limited space. Dr. Henrietta Mears said "Too many sitters in a church produces a SITUATION."

..GARF leader presides at Fuller Seminary meeting of Evangelical Theological Society for Far West on April 21, according to advance announcement. Dr. John R. Dunkin is president. Main speaker for the occasion was the noted New Evangelicalist, Dr. Bernard Ramm of the ABC Seminary at Covina. ## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..When Chiang Kai-shek was visited in April on Taiwan by Dr. Carl McIntire, he asked especially about the views and activity of Dr. Edwin T. Dahlberg and Bishop Oxnam, both radical Red China recognitionists.

..William Winter, San Francisco radio commentator who seems to love the Communist Party line, was surprised by picketers in his Los Angeles address on May 4 before PTA state congress, according to News-Call Bulletin of May 5. It is surprising what can be accomplished when people send letters to sponsors such as Sealy Mattresses, expressing dissatisfaction. He broadcasts 5:45 p.m. daily on KGO (800 KC).

..William and Rita Mack, self-confessed communists, who taught in Shasta county schools, have a postponement in their case until next month whether they shall have their teaching credentials revoked. They signed a loyalty oath, but said they had no idea the CP was for overthrow of US Gov't. People who want to do something about it should send a short letter to State Board of Education, Sacramento, advising the Board.

..SCOPE, S.F. State College campus "political" organization which has been a haven for campus Reds, has been expelled by the student association. Congratulations.

..We congratulate Western Seminary in Portland. Dr. Albert G. Johnson wrote on May 1: "Thank you for your letter of April 20 and for your graciously expressed motive behind the gift - the check in the amount of \$50. We have reason to be encouraged in evidences of progress, especially the additions to the faculty, Dr. Frederic Howe and Dr. J.W. Cook in their respective fields".

..Pastor Winthrop Robinson, Denver Seminary trustee, introduced a resolution at the recent Twin Cities CBA Ass'n. in Minneapolis to back the forthcoming Graham crusade. It received about eight votes, according to eye witnesses.

..The newest communist martyr, as a result of a noted Front meeting decision on April 21, is to be Communist Carl Braden now serving in Atlanta prison. Fulton Lewis, Jr. stated in the Examiner of May 9, "To his cause such famous non-communists as the Rev. Martin Luther King have been rallied, under the false pretense that Braden's sentence resulted from his militant work for integration".

..The Rev. Edward L. Peet, chaplain of California Senate and pastor of Sacramento's Central Methodist Church, is the president of the Calif.-Nevada chapter of the Methodist Federation for Social Action. The US Gov't. "Guide to Subversive Organizations" states, "With an eye to religious groups, the communists have formed religious fronts such as the Methodist Federation for Social Action".

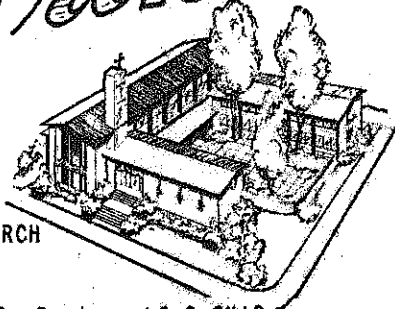

..Wisecracked a famous Washington Hostess: "There are politicians who, if their constituents were cannibals, would promise them missionaries for dinner." (Human Events).

## AN INCREDIBLE ECCLESIASTICAL BOAST

5-23-61  
V. 12  
MOTZ

The Evening Star of Washington, DC for April 25, 1961 carried the following statement by Methodist Bishop F. Gerald Ensley of Des Moines at a National Convocation on Christian Social Concerns, "It is a fact that in the last 20 years since communist agitation has been intense, not a single ordained Methodist minister — and there are 25,000 of them — has been convicted in either a church or civil court of having put loyalty to the teaching of Karl Marx above loyalty to God and country". In the first place it is not a violation of any crime to belong to the Communist Party. In the second place, we can't imagine any Methodist court convicting a Marxist when so many of the objectives of the Communist Party parallel the socialistic objectives of the Methodist church. We would have no difficulty listing at least 15 identical objectives. If the Bishop is honestly interested in securing a conviction, and if he doesn't mind someone calling his bluff, he might work on Jack McMichael or Harry Ward. The Rev. Jack McMichael is pastor of Grace Methodist in Stockton and has been identified under oath by several responsible government bodies as being a member of the Communist Party. Dr. Harry Ward, longtime professor of Union Theological Seminary, was also identified under oath. One informed person has estimated that Dr. Ward is associated with over 500 pro-communist activities. We suggest that Bishop Ensley, Kennedy and Tippet be a little more careful about making statements that there are no communists in the Methodist camp. The Methodist Circuit Riders, Inc. in the book "A Compilation of Public Records" list no less than 2109 Methodist ministers who have lent their name and influence to communist fronts and activities.

## PARENTS — ATTEND SS REGULARLY WITH THE CHILDREN GOD HAS ENTRUSTED TO YOU

Once there was a little boy. When he was three weeks old his parents turned him over to a baby sitter. When he was two they dressed him up like a cowboy and gave him a gun. When he was three, everybody said, "How cute" as he went about lisping a beer commercial jingle. When he was six, his father occasionally dropped him off at Sunday School on his way to the golf course. When he was eight, they bought him a BB gun and taught him to shoot sparrows. When he was ten, he spent his after-school hours squatting at a drug store newsstand reading comic books. His mother wasn't home and his father was busy. When he was thirteen, he told his parents that other boys stayed out as late as they wanted to, so they said that he could too. (It was easier that way). When he was fourteen, they gave him a deadly two-ton machine, wrangled a license for him to drive it, and told him to be careful. When he was fifteen, the police called his home one night and said "We have your boy. He's in trouble". "In trouble?" said the father. "It can't be my boy." BUT IT WAS.

## EVANGELINE BOOTH ON "POISONED SCOURGE"

Drink has drained more blood, hung more crepe, sold more homes, plunged more people into bankruptcy, armed more villains, slain more children, snapped more wedding rings, defiled more innocence, blinded more eyes, twisted more limbs, dethroned more reason, wrecked more manhood, dishonored more womanhood, broken more hearts, blasted more lives, driven more to suicide, and dug more graves than any other poisoned scourge that ever swept its death-dealing waves across the world.

.. "Another important law of SS growth is that at least 10% of the members must take part in the weekly visitation program of the church. 'One out of eight calls will produce results'", said Rev. Elmer L. Towns of Midwest Bible College. .. If you do not wish to receive the Blu-Print, please notify the Church at once. The demand is ten times our ability to supply. Remember, it costs money to produce this paper.

## LOCAL CHURCH DEVELOPMENTS

..The next softball game is scheduled on Bret Harte Field with Manor Baptist for May 26 at 8:45 p.m.

..100% SS teachers..Mrs. Ethel Sanderson's Beginners, Mr. Leroy Hogue's second year Junior Boys, Mrs. Louise Hetzler's second year Junior Girls.

..The first five SS Depts..1. Juniors, 2. Women, 3. Primary, 4. Men, 5. High School.

..Three Wheaton students arrested during the Wheaton College riot of April 27 in which 400 students defied the entire Wheaton police force for an hour and dispersed only when the Police Chief threatened to use his gun. They were fined \$50 each.

..Copies of the Wichita Eagle for May 5 are being made available in Portland by the CRF this week to the messengers attending the national Convention of the CBA.

..Herbert W. Armstrong -- A False Prophet", is title of a booklet by Evangelist Robt. L. Sumner, Box 466, Mesquite, Texas at 10¢ per copy.

..Canon Richard Byfield, Pike's excc. ass't., was named new rector of All Saints, Palo Alto, presumably so he can assist leftwing activity on nearby Stanford campus. He is known for his address to the Union Square Rally of the SF student rioters last May. The S.F. Examiner of May 13 said, "Canon Richard Byfield of Grace Cathedral praised the students for placing a 'cordon around City Hall' and said the subcommittee should be restrained from further activity until Congress can establish controls for it".

..Leftwing Abolitionists at all-night vigil at San Quentin gates prior to execution of Alexander Robillard were reported in SF Chronicle of April 27. "The San Quentin vigil keepers got an unexpected break at 2:30 a.m. when the Rev. Ted Ewald, pastor of the Holy Innocents Episcopal Church in Corte Madera, took them all to his church for coffee." Gov. Brown's Sacramento mansion was picketed with signs: "Cyanide is for Insects" "We are all Murderers", and "Thou Shalt Not Kill". The correct translation would be "Thou shalt do no murder".

..Karl Prussion, longtime communist and then FBI undercover agent in the Party, reported at Fresno Civic Auditorium on May 1 that he was influenced to enter the Party through reading the book "Christianity and Communism" by Bishop Wm. Montgomery Brown of the Episcopal Church. This book "materialized" the gospel, he said.

..The coming of the Lord draweth nigh.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..For US Chief of Staff..The Pastor proposes that the President promote Major General Edwin A. Walker to the position of US Army Chief of Staff instead of relieving him of command for indoctrinating our servicemen in the true nature of the communist peril facing this nation.

..Dr. Wm. F. Kerr, ThD, LLD, pastor of the Hinson Memorial Baptist Church of Portland and General Chairman of the forthcoming Portland meetings, is rumored to be in line for an honorary "Doctor of Divinity" degree from Grace Seminary, his alma mater from Winona Lake.

..Fulton "Buddy" Lewis III was refused permission to speak at Mills College. Strange that they would allow an identified communist, Langston Hughes, author of the blasphemous "Good-by Christ" poem to speak! Lewis spoke to a great crowd at WBBC last Tuesday.

..An amusing debate took place a couple of weeks before last year's SF Red riots with the Daily Californian announcing that Archie Brown has won a debate on the subject of abolition of the House Committee. Since Brown is not known as the most intellectual Red, Buddy Lewis found that his opponent had been a Communist Party member five years longer than Archie.

..The useful Legislative function of the House Committee on Un-American Activities was pointed up when Fulton Lewis III speaking before a crowded Pauley ballroom student audience Tuesday, in the hearing of the Pastor, said that 129 pieces of legislation were recommended to the Congress over 19 years of existence, 35 bills were passed by Congress, 52 bills are now before Congress for consideration, 8 bills have passed the House and are waiting Senate action.

..Inter-racial marriage views of the new State College Chancellor for California. The Oakland Tribune of June 23, 1946 carried a UP dispatch from Grinnell Ia. "The biennial meeting of the General Council of Christian Churches here today was still considering a proposal by Prof. Buell G. Gallagher, Berkeley, California, that Negroes and whites be allowed to marry 'at the dictates of the individual's heart and mind'. Gallagher told the council that a policy of integration was the best means of solving inter-racial tensions". Many people are writing letters of protest to the legislators in Sacramento who must yet provide the \$32,000 for his salary to begin next month.

..On the Meisenback trial.. It is reported that five jurors are Jews, as is the defendant, the defense attorney and the Judge.

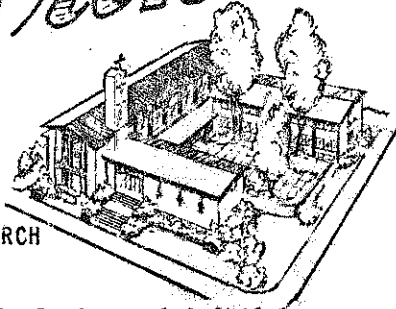

..Alleged communist Carl S. Braden, whom the Blu-Print assumed was in prison in Atlanta, preached last Sunday at the Religious Science of Mind Church in San Francisco and was a house guest for a week at the home of Rev. Fenwick Holmes, 251 Santa Rosa Ave., Oakland, according to information we have. We apologize in saying he was in prison, where he ought to be, as a result of the US Supreme Court decision upholding his contempt of Congress conviction.

## THE PREMILLENNIAL ISSUE IN PORTLAND

5-26-61  
p. 12-  
No. 73

An earnest effort was made on Monday in the business session of the Conservative Baptist Home Mission Society to amend the Doctrinal Statement to insert one word — "premillennial", to make to read — "We believe in his bodily resurrection, His ascension into heaven, His high priestly intercession for His people and His personal, visible and premillennial return to the world according to the Scriptures". Dr. Robt. Hubbard of the Denver Seminary National Promotional Committee, spoke against the amendment, saying that this was dealing in a "fine point of eschatology", and pleaded with the messengers to allow the amillennialists to have part. Dr. Wm. Whittemore, chairman of the Denver Seminary Board, spoke vigorously against making the society premillennial in statement. Pastor Morris Morgan, new pastor in Hawaii and prominent Denver Seminary graduate, spoke against the amendment and moved to table it. This motion was decisively defeated. Dr. Robt. Carlberg, Denver Seminary Trustee and recent recipient of their honorary DD degree, said he "did not want this beloved truth to become a test of fellowship" in the CBHMS. Pastor Richard Weeks of suburban Chicago, presented the case for the premillennial amendment very ably. A magnificent statement was made by Dr. Wm. F. Kerr as well as Dr. Earle E. Matteson of Arizona. Pastor Vernon Lyons of Illinois challenged any amillennialist or post-millennialist to come forward to defend their position. "We want to know whether we are dealing with real people or just ghosts and ghculs". None came forward. All those who spoke against it first professed their belief in premillennialism before attacking the amendment. Many messengers considered this most unfortunate. A unanimous ballot was required to amend the doctrinal statement. The secret ballot revealed 489 - yes; 186 - no.

### DR. WILLIAM KERR HONORED THURSDAY

The distinguished pastor of Hinson Memorial Baptist Church of Portland, Wm. F. Kerr, ThD, LLD, will deliver the commencement address this Thursday at Grace Theological Seminary of Winona Lake where he will receive the honorary degree "Doctor of Divinity". (Cont'd next page)

## THE CONSERVATIVE BAPTIST JUMBO

Conservative Baptists made the mistake in early years of praying for bigness like the denominations round about. It is getting to be a monster in the minds of some that will be difficult to control and keep from defection. The two mission societies received nearly three million dollars. The Portland local arrangements committee went all out in a magnificent effort and made this the greatest convention in history. Eight thousand gathered last Sunday evening to hear Gov. Mark O. Hatfield. The women's luncheon had 900 compared to 200 last year in Boston. Over 400 babies were registered. The paid registrations tallied 2649 at last count — 1000 more than any previous meeting. Conservative Baptists surpass 250,000 in the US, with 25,000 of these in Oregon. One tenth of the CBA are found in a state of 1,800,000 people. Oregon has 148 churches.

### THE PRE-REFORMATION HISTORY OF BAPTISTS

An interesting debate occurred on Tuesday, May 30, when a strong resolution was brought in condemning the ecumenical movement, especially the NCC and WCC. One paragraph stated: "Resolved, that repudiate as inaccurate and fallacious the schematic chart by R.M. Chapin, Jr. found in the May 26, 1961 issue of Time magazine in which the Baptists are referred to as having their source and origin in the Reformation period." This was challenged by speakers trained under Reformed influences who said that the resolution conflicted with the findings of the "classical" historians. This was immediately answered by Wm. F. Kerr, ThD, by Dr. A.U. Russell, who wrote his thesis on the Anabaptists, and by Pastor Richard Weeks, who took doctoral studies in history at Northern Seminary. They all pointed out that Baptists go back to apostolic times and were not a part of Rome. This view is supported by historian Wm. F. Sweeting, ThD, and others in our movement.

..The Pastor's address delivered at Hinson Memorial Baptist Church at the CBF pre-convention Bible conference on May 23 will be published at the insistence of CBF leaders who were present. It was on the Great Commission.

..According to your faith be it unto you

Next year's convention of Conservative Baptists will meet in Detroit between May 15 and June 15. Pastor Chester McCullough of the Joy Road Baptist Church is the General Program Chairman.

..CBA elections.. Pres. - Pastor James Stuart, New York; Rec. Sec. - Pastor Woodrow Finger, New York; Corr. Sec. - Pastor Wayne Van Gelderen, Colorado; Treasurer - Pastor Chester McCullough, Mich.

..CBFMS elections.. Pres. - Dr. Lester Thompson, Colorado; Vice-Pres. - Dr. Elaine Bishop, California; Corr. Sec. - Pastor Don Anderson, Iowa; Rec. Sec. - Pastor Russell Thompson, New Jersey.

..CBHMS elections.. Pres. - Dr. Charles Anderson, N. J.; Vice-Pres. - Dr. Russell Pavy, Colo; Corr. Sec. - Pastor Don Baker, Oregon; Rec. Sec. - Dr. Franklin Wiley, Michigan.

..CBF elections.. Pres. - Dr. Earle E. Matteson, Arizona; Vice-Pres. - Dr. Richard V. Clearwaters, Minn; Sec. - Denzil Newman, Illinois; Treasurer - Pastor Robert Kittrell, Illinois.

..Some excellent resolutions.. were passed relating to Communism, Federal Aid to Education and Ecumenism. The National Council of Churches and the World Council were singled out for severe criticism because of the communist penetration and ecumenical inclusivism existing.

..Gov. Mark Hatfield, a trustee of Western Seminary, brought a commendable address on May 28 before 8000 Conservative Baptists on the Christian life, with an enlightening explanation of II Peter 1:4-9. He is a member of the Salem First Baptist Church.

Prof. H. Lavern Schafer's Portland address on "An Evaluation of the New English Bible" given at the San Francisco Seminary luncheon at the Portland Coliseum on May 29, is now available in mimeographed form by writing: The Vice-President, 1225 Franklin Street, San Francisco 9, Calif. He was sharply critical in his analysis. This is the first of several studies in the new Bible.

..Dr. Arlin Halvorson, a longtime Northwestern friend of the Pastor, is the pastor of Governor Hatfield. He participated in his wedding at Hinson Church shortly after he came. He also conducted a dedication service for both of his babies. He offered the prayer at his inauguration.

..The amazing Pillsbury Baptist College with 26 states in the present student body, has enjoyed a phenomenal student growth, with 109 the first year, 139 the second, 190 the third year, and 258 the fourth year. Their anticipated student body for this year is 340, according to Dr. Monroe Parker, president.

..The first of several dormitories is now under construction at Pillsbury Bible College on its 14-acre campus in Owatonna. It will cost \$200,000 and house 100 students. The bonds were sold in six days, with most of it subscribed by local businessmen.

..A big thanks to Dr. Wm. F. Kerr, genial general chairman of the entire program. His committee made this the largest in history in every way.

..Dr. Sam Bradford brought an address on "The Doctrine of God". Dr. Bradford's recent retirement from the pastorate on Feb. 12 was followed by a loving church action of providing a \$400 per month retirement for a few years. He is engaged in a wide Bible conference ministry, giving encouragement to Baptist Bible College in his contacts. He remains a member of that Board.

..Four kinds of salvation in ecumenical evangelism, was observed by Dr. R. V. Clearwaters at the interesting CBF pre-convention Bible conference: 1. Those who accept a sense of Christian values. 2. Those who affiliate with the Church — organizational salvation. 3. Those who submit to baptism and take communion — sacramental salvation. 4. Those who are actually born again. This explains the many thousands of statistics and decisions.

..Pastor Don Watson of Elmhurst Baptist in Oakland led the singing at the Sunday afternoon missionary recognition service before, probably 3,000 people. His talented wife accompanied him at the piano.

..Dr. Arno Q. Weniger, Pastor of the Hamilton Square Baptist Church in San Francisco preached in the Hinson Memorial Baptist Church on CBA convention Sunday, May 28. This is probably the largest church in our movement. Dr. Wm. F. Kerr is pastor.

..Dr. Holland Roberts, noted Marxist-Leninist, spoke on May 27 and 28 in Portland at the Washington Hotel at the Oregon chapter of the Methodist Federation for Social Action. He is reported to have been identified as a communist by Ernestine Gatewood and Charles David Blogett under oath.

..The Curtis Nims-Robert Moon debate in Fresno on May 1, has been taped we understand and is available from Youth for Christ, Box 663, Fresno, Calif.

#### LOCAL CHURCH DEVELOPMENTS

..The Pastor will preach at both services this coming Lord's Day. He returns to the pulpit after a week's absence at the CBA national gatherings in Portland.

..Our next softball game is scheduled for June 2, 8:45 p.m. on Bret Hart with Irvington Crusaders.

..S.S. workers conference, Friday, June 9 in Lower Auditorium, with Supt. Kenneth M. Pemberton presiding.

The Ordinance of the Lord's Table will be observed this Sunday, with our pastor officiating and assisted by the Deacons.

..Contributions through the church office Mr. and Mrs. James Cooper, Mr. Howard Rainey, Mrs. Joan Chamberlin.

..June birthdays.. M. L. Buckingham, Mrs. Tarth Pascoe (1); Wm. Hunter, Richard Ludt, Suzette Elbert (2); Ken Pemberton (4); Kathleen Wong (5).

#### KERR HONORED THURSDAY (CONT'D)

He was graduated from Grace Seminary in 1942 receiving the BD degree, cum laude. He will arrive in San Francisco on Friday noon to begin a week's meeting with Pastor Clyde Paul White in suburban Sacramento June 4-9. Our Church joins in extending congratulations to Dr. Kerr and the Hinson Church.

## THIS IS NO WORSE THAN NELS FERRE'S IDEA THAT JESUS COULD HAVE BEEN THE SON OF A BLOND GERMAN MERCENARY SOLDIER

Northern Californians were shocked recently with the publication in the Stanford University official student publication "The Chapparral" May 1961 of a "burlesque of the Incarnation, or Virgin Birth". When the storm broke, Stanford officials slapped Editor Brad Efron on the wrist with a suspension of both paper and editor for this semester. Entitled "The Ass and the Cuckold", a new translation from The Thousand and One Arabian Nights: Once, a very long time ago in a very ancient land, lived a young man and woman, husband and wife. But though they were married, yet they were not — for the wife refused to grant her husband those husbandly privileges which make marriage so enjoyable for rich and poor alike. "You are a very nice young fellow", she would say, combing her comely hair, "and a good provider. Yet I cannot sleep with you, nor with any mortal man, be he even the King himself." This made the young man so angry he would kick his ass, a docile creature whose only error was to be employed in such a household. Yet he (the young man) remained faithful, for in truth he loved his wife very dearly. One December morning, the wife — grown suddenly stout over the past nine months — spoke thusly to the no longer young man: "Let us climb aboard the docile ass and ride toward yon town. Quickly, please." This they did, and when they arrived the wife presented her husband with a fine baby boy. "So", cried the much put upon husband, "no mortal man is good enough for you! I suppose then that God is the father of my son?" "You guessed", replied the wife. "Now I've heard everything!" said the husband, kicking his ass.

..Hollywood First Presbyterian Church, largest in their denomination, recently published a statement to the effect that they do not recognize the authority or right of the National Council of Churches to make pronouncements or statements in any form for the local church or in name of its membership. Copies are available for the great demand.

..Dr. Chester E. Tulga leaves the Eastern Baptist Institute in Somerset, Ky. to return to 6761 N. Olmstead, Chicago, Ill.

## SUNDAY SCHOOL HELPS SAVE A TRAPPED RED

The Pastor met Ron Arnold recently in Portland and was encouraged to read the story of his life-testimony, "My Five Years as a Communist". Excerpts: "Two experiences of my 'growing up' years were to shape my future course. One was the depression with its attendant deprivations and the other was the Bible instruction received in the local Lutheran church". Later through influence of an interested friend who continually indoctrinated him he joined the Communist Party. "It did not take me long to realize that this was a subversive conspiracy. At first it was a thrilling, though illegal venture. I was asked to take the pledge of allegiance to the international communist movement. Then I was told to dream up an assumed name just in case the FBI came snooping around ... It did not dawn upon me at the time that in taking their pledge I was literally renouncing God and country. I was a traitor. Ignorance more than anything else contributed to my decision to join the Communist Party. Had I understood its brutal atheism, stealthy socialism, crass materialism, murderous determinism and deceptive covetousness, I never would have become identified with it. Unit or cell meetings were held weekly, usually in someone's home under strictest secrecy. .. As time progressed life became more miserable, almost unbearable. I wondered what purpose there was in life... As I did so, my mind wandered back to the days when we had gone to Sunday School and I became painfully aware of my sins and the distance I had strayed from God. Conviction gripped my heart and I dropped to my knees before the daveno and wept out my confession to God. I asked Him to forgive me and save me. When I arose — praise God — the load was lifted and I had peace in my heart... Shortly after being saved and still rejoicing in my salvation, I hastened down to the King's County Communist Party headquarters in Seattle to resign. Barbara Hartle, who has since resigned to become a state's witness, was the chairman. She tried to dissuade me from resigning, saying, "You may still remain a member even though you have become a Christian." 'No', I told her, 'that is an impossibility. I have come to realize that communism is diametrically opposed to God (Cont'd p. 2)

Hugh Burns, State Capitol, Sacramento 14, Calif.

SUNDAY SCHOOL SAVES A TRAPPED RED (CONTD) and Christianity. It is either communism or Christ. I cannot be both."

WBBC COMMENCEMENT TUES. JUNE 13.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

.."Rabbi Praises Pike's View on Crucifixion Distortion" is the caption of a New York Herald Tribune article of Mar. 5, 1961. "The Rev. Dr. William F. Rosenblum praised Bishop James A. Pike yesterday for acknowledging that the Crucifixion story as it is presented in many Christian texts is one of the foundations of anti-Semitism ... The Rabbi said, there was a 'climate in which generation after generation, all Christians have been nurtured on the Crucifixion story, so presented that they forget that the episode is said to have taken place nearly 2,000 years ago and that, at worst, only a few Jews and not the Jews of the time were involved.'" It might do the Rabbi and Pike good to read the Crucifixion accounts once more in the Gospels, before they issue such inaccurate statements.

..Dr. Robert Moon, Fresno First Methodist pastor on whom the NCC and Christian Century are depending to carry the fight to abolish the HCUA and film "Operation Abolition", blamed the House Committee for the S.F. riots. Superior Judge R.R. Sisco, who was in the audience in Merced, denounced him, according to the McClatchey Newspaper Service, "These congressmen have long and honorable records of service to their country and this man tries to discredit that. I believe what these congressmen said about the communist people. They are trying to protect this country and the communists are doing their best to discredit it."

..Billy Graham was asked by a British newsman, according to UPI London dispatch of May 23, if he would permit his eldest daughter, Virginia, 16, to marry a Negro: "I would let her make her own choice, he replied. "I would say that it would be very unwise in the American situation and I would advise her of that as would any responsible Negro leader." Perhaps he could take her to Britain and solve that problem and then he wouldn't even have to give her any advice.

..Southern Baptists plan to hold their 1962 convention in San Francisco June 4-8.

..Bernardo Augustine Elias Garcia-Garcia ministerial student at Pacific School of Religion, who was principal speaker at Union Square on April 19, 1961 in a large pro-Castro rally sponsored by the Red-infiltrated "Fair Play for Cuba Committee", was given a license to preach by the Methodist Church here recently.

..Pastor Lee Toms of Sacramento Arcade will leave in late July for six weeks of conferences with African pastors in Nigeria under Pocket Testament League. He hopes to visit Portugal, Senegal, Ivory Coast and Italy.

..Allan Isaksen of Los Altos Hills addressed the Cubberly High School Forum on "Castor's Cuba" May 9 and raised a protest. The Palo Alto Times of May 8: "Isaksen is a member of the 26th district assemblyman in 1956 although he had been refused the endorsement of the Santa Clara County Democratic Central Committee". He was identified as a Communist by Karl Prussion under oath at the May 1960 S.F. hearings.

## MARY HAD A LITTLE BOY

Mary had a little boy, His soul seemed white as snow, He never went to Sunday School 'Cause Mary wouldn't go. He never heard the stories of Christ That thrill the childish mind While other children went to class This child was left behind. And as he grew from babe to youth She saw to her dismay; The soul that once seemed snowy white Became a dingy gray. Realizing he was lost She tried to win him back, But now the soul that once seemed white Had turned an ugly black. She even started back to church, And Sunday School too! She begged the preacher, "Isn't there a thing that we can do?" The preacher tried, and failed and said, "We're just too far behind, I tried to tell you years ago, But you would pay no mind." And so, another soul is lost, That once seemed white as snow. Sunday School would have helped ... But Mary wouldn't go!"

## LOOKING BACK ON THE MEISENBACH TRIAL

Since the National Council of Churches has made the film "Operation Abolition" one of the chief religious issues of this hour, let's read what Lockheed Research Engineer Bill Schmitt says on p. 2 of an interesting summary, "With the Meisenbach trial now history, there are several aspects of the trial's outcome that should be investigated. The first eyebrow-raising fact to be discovered is that one of Meisenbach's attorneys, Charles Garry, was identified under oath as a Communist by one Dr. Jack Patten. This testimony was given to the HCUA during hearings conducted in San Francisco City Hall June 17 through 21, 1957, and is recorded in a report of the HCUA entitled "Communist Legal Subversion", issued in 1960. This report also reveals that Charles Garry appeared before the HCUA under subpoena on June 21, 1957. When asked if Dr. Patten's identification of him as a Communist Party member was correct, Garry refused to answer on the basis of the fifth amendment.

## THE AFFLICTION OF DIVERS DISEASE AFTER SS

A minister took as his text, "They brought to Jesus all sick people that were taken with divers diseases." Then he said: "Doctors can cure your ills in most cases, but when you have divers diseases only the Lord can cure you. There is a regular epidemic of divers diseases in this church. Some dive for the door after Sunday School. Some dive for the television set during the evening service. Some dive into a book of excuses for not serving the Lord. Others dive for the car and take a trip over the weekend, forsaking the assembling and teaching assignments. Then a few dive into a flurry of fault-finding every time the church takes on a work program. Brethren, it takes the Lord and love of the church to cure divers disease."

Toward an off-set press for the Blu-Print. Reported last week - \$15. Reported on Sunday \$19. Received this week - \$26. (From Donavin, Stott, Fornell, Prindle). Total to date - \$60. This is from people beyond our membership who are receiving the Blu-Print.

## DRYDEN PHELPS BACK IN COMMUNIST NEWS

6-20-61  
0, 12-  
10576

The elite of the Communist Party of the Bay Area were present on June 10 at the Hotel Claremont in Berkeley for a dinner honoring Oakland Attorney Bertram Edises. According to HCUA report "Communist Legal Subversion", we read on page 36 — "At the hearings held on Dec. 3 (1953 in San Francisco), Bertram Edises was identified as a member of the political affairs committee of the Communist Party by Charles D. Blodgett, a former communist and former reporter for the Daily People's World. He was again identified on June 19, 1957, by Dr. Jack Patten, another former communist who recognized the ideological fallacies of the Communist Party line". Speaker was Benjamin Dreyfus, president, National Lawyer's Guild. The same HCUA book on same page deals with Dreyfus, "During this committee's hearings in San Francisco, Calif. in June 1957, Jack Patten, a former member of the Communist Party, identified Benjamin Dreyfus as a member of the Communist Party cell to which Patten had belonged". Among the SPONSORS of this banquet attended by 200, included: U.C. instructor Burton White, S.F. state Professor Marshall Windmiller, former SLATE chairman Mike Tigar, SLATE chairman Mike Myerson, "Operation Abolition" Star — William Mandell, UC English instructor Irving Hall, UC Prof. Richard Drinnon — AND DRYDEN AND MARGARET PHELPS. Dr. Phelps served 30 years as ABC missionary (English Professor) at West China Union University. After the discovery of his communist sympathies and subsequent resignation he was honored on Mar. 31, 1955 by the ABC at Berkeley First Baptist Church with jewelled pins.

..Absentees and Visitors in the Sunday School — Clate A. Risley of the NSSA states: "Any business interested in return purchases is interested in its customers, and any business that doesn't have them is soon out of business. The Sunday School must take care of its customers. Teachers must be expected to take care of visitors and absentees. No Sunday School has any right to even dream of an expansion program unless they are taking care of those they already have. Why get any more to neglect? Any Sunday School that will systematically take care of the absentees and visitors will see its enrollment grow."

## SENATE CHAPLAIN CHARACTER WITNESS FOR RED

The incredible story of Rev. Edward L. Peet, Senate Chaplain for California Legislature, continues to unfold to the shocking dismay of Northern California Christians. The official transcript of San Francisco US District Court (Judge Geo. B. Harris) in the criminal action entitled — "U.S. vs. Harry Renton Bridges, Henry Schmidt and J.R. Robertson" we find this in the character witness testimony of Edward L. Peet, on Jan. 25, 1950, 2 p.m.. "Q. From your knowledge of Mr. Robertson, your visits at his home, and such other acquaintanceship that you may have with other members of his family, and your conversations with members of your own community, are you familiar now with the reputation of Mr. Robertson for truth, honesty and integrity? A. Yes, I am. Q. And what is that reputation, Dr. Peet? A. I would say that it is — in Mill Valley he has an excellent reputation. CROSS EXAMINATION. Q. Reverend, are you the same Rev. Edward L. Peet who is listed in Appendix 9 of the House Un-American Committee as endorsing the Committee for Citizenship Rights Organization to Defend the American Citizenship of William Schneidermann? A. I am not familiar with the document. Q. Did you endorse the citizenship of William Schneidermann? A. I have no clear recollection of it. I may have". Government Witness Geo. E.H. Wilson (pp. 3635-3656) testified under oath that J. R. Robertson was known to him as a member of the Communist Party and that Wm. Schneidermann was State secretary of the Communist Party. Rev. Peet is pastor of Central Methodist Church, Sacramento in addition to Senate Chaplainship. He is an appointee of Bishop Tippet.

..Dr. Joseph Fletcher, listed with 80 pro communist activities in "6000 Educators" will deliver four lectures Nov. 27-28 at Stockton's University of Pacific. Dr. J. B. Matthews in American Mercury, July 19-53 lists him, along with Harry Ward, Kenneth Ripley Forbes, Jack McMichael, and Willard Uphaus — "Outside the known leadership of the Communist Party of the US, the five top pro-Soviet propagandists in this country are all Protestant clergymen".

..More donations are urgently needed for DVBS in order to purchase refreshments.  
..Remember Visitation on Thursday evening.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Episcopalian Canon Albert J. du Bois.. stated recently at Trinity Church, New York, "In my 30 years in the ministry I have never seen a diocese so filled with sad, heavy-hearted laymen as one finds in the San Francisco area today. The really frightening aspect is the reported growing determination of the laity to rid themselves of their bishop".

..Bishop James A. Pike was replaced as speaker at the national convention of the Augustana Lutheran Church in Seattle in June. "The Bishop's invitation to speak was withdrawn, because of the 'whold general approach to the Christian faith'... Some of Bishop Pike's views...were criticized as heresy by some Episcopalian leaders in the South. The speaking invitation was withdrawn in January, it was learned".

..American Church News, June 1961, "A resolution censuring Bishop James A. Pike of California and 'entreating him to consider the advisability of resigning his office' was introduced at Wednesday's closing sessions of the convention of the Episcopal Diocese of North Carolina at St. Timothy's Episcopal Church here". The Committee on Resolutions recommended no action. Bishop Fraser advised, "If Bishop Pike has made an error, it seems to me that a reprimand should be handled by the House of Bishops; that is where such matters are customarily handled".

..Shame on the S.F. Chronicle, leftwing daily, for being guilty of "guilt by association". In a lengthy front page article on the suspension of SLATE, alleged-Red campus political party at UC, this choice paragraph on June 11, "SLATE also has sponsored forums for controversial speakers such as Bishop James Pike, Professor Linus Pauling, and Frank Wilkinson, who had been sentenced to one year in prison for refusing to tell the House Committee on Un-American Activities where he had been a communist". We do not know of anyone who has testified under oath that Bishop Pike is a Red.

..Governor Edmund G. Brown is quoted in Daily California of April 13, 1961 in a letter to Mike Myerson, chairman of SLATE (UC campus "political" party which shelters the Reds): "Thank you for your thoughtful expression of support in the case involving Frank Wilkinson. I know you will understand that I could not have acted otherwise without betraying my conscience or forsaking my regard for the Constitution and laws that did away with government by whim in this country nearly 200 years ago."

..At University of Santa Clara, Roman Catholic, Gov. Brown is quoted in the East Bay Labor Journal, June 16, 1961, "I Say: Thank God for the spectacle of students picketing — even when they are picketing me and I think they are wrong — for students protesting and freedom-riding, for students listening to society's dissidents, for students going out into the fields with our migratory workers, and marching off to jail with our segregated Negroes. At last we're getting somewhere. The colleges have become boot-camps for citizenship...".

## WHAT THE S.S. MEANS TO OUR CHURCH

Dr. Vance H. Webster of the First Baptist Church of Eugene wrote this "exclusive" to Supt. Ken Pemberton: "The Sunday School has been the life line of our Church. During the years of my pastorate in Eugene our Sunday School has grown from about 375 to 1,200. We have also established seven chapels, three of which are now independent churches. These seven groups minister to over 1,200 more each week in their schools. In our Baptist churches where we do not sprinkle infants nor confirm children, I believe, that the Sunday School affords us the great opportunity of teaching the Word of God to many and winning them to our Saviour Jesus Christ. A growing Sunday School will be continually reaching new prospects, and as these are taught, won, trained and enlisted, they will be the living material for a strong church of tomorrow. This time of growing population and western migration is the hour for growing larger and more effective Sunday Schools along the West Coast. P.S. Best regards to your pastor, Dr. Weniger".

## DR. BOB JONES, JR. TO SPEAK JULY 5

Our Church is fortunate to announce the coming of one of the leading evangelicals of our time and one of the most influential men in American religious life for next Wednesday at 7 p.m. in the main auditorium of the Church. Dr. Jones, president of the "World's Most Unusual University" just returned from a trip through Europe and the Middle East and so he will have fresh insight of world conditions. Be sure to bring your friends. We want a solid audience OF PEOPLE hungry for the Word of God.

..Burton White, songleader among arrested students in film "Operation Abolition" was separated in May from the teaching payroll, according to Vice-Chancellor Adrian Kragan. We commend UC officials for this action.

..Ex-communist's startling disclosure... Karl Frussion states in June 1961 "Heads Up", "The Editor of 'Heads Up' attended a closed Communist Party meeting in the late 1930's in Detroit, Michigan, when Dr. Ward, who was the managing angel of that conclave, considered the question of sending me to the Union (Cont'd p. 2)

## BOB JONES UNIVERSITY BANQUET JULY 7

Friends, alumni, prospective students and former students of Bob Jones University will meet in the Lower Auditorium of the Church on Friday, July 7 at 7:15 p.m. for a delightful occasion, with tickets at \$2.50 each. The speaker will be the president of the University, Dr. Bob Jones, Jr. Friends wishing to come should contact Miss Carolyn Cook, 2138 Whyte Park Ave., Walnut Creek, Calif. — Yellowstone 4-2122. We hope that many of our people will make plans to be present.

## THE FRIGHTENING CONDITION OF THE WORLD

The San Francisco Examiner of June 17, 1961 said in a front page box—"Krushchev believes he has won the chess game for possession of the world, and now needs only to isolate the United States and consume us at his leisure. So says Eric Sevareid in a stunning column that summons Americans to the hard realities of power politics". Sevareid says, "The showdown with the communist world conspiracy is now on. We have entered the final stage of the long struggle to determine if we can hold our world position short of a great war. We are in that stage because K. has decided that we are ... He did his best at Vienna to make us understand ... 'We have you. Why go on with the chess game?' ... He is now sure that the great game of isolating the United States, then impoverishing it, then breaking its will is all over save for our helpless, thrashing convulsions which will be interesting and from time to time dangerous ... The gamesmen in the Kremlin must smile in their sleep as they realize how deeply ingrained is the American illusion that a ton of wheat can offset a ton of communist artillery shells, that a squad of peace corpsmen is a match for a squad of guerrilla fighters. .. the communists are gaining in those countries for very simple reasons known as guns, bombs, fighters and threats ... We may as well face the fact that we will also lose in places where we cannot afford to lose, until and unless we are willing to fight".

..Bay Area Association Meeting, Friday, July 14, at Niles First Baptist Church.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Bob Jones III, brilliant young leader and friend of the Pastor, was recently unanimously elected "Assistant to the President" by Bob Jones University. We thoroughly applaud this action.

..Dr. Wm. F. Kerr, Pastor of Hinson Memorial Baptist Church, addressed his Portland congregation on Sunday, June 11, with his sermon — "Separation from Liberalism", one of a series on Conservative Baptist Distinctives. Many visiting ABC ministers were present, attending the American Baptist Convention meetings in Portland.

.."The National Council of Churches is a gigantic beehive 'loaded with Communist sympathizers', the Rev. T. Robert Ingram, rector of Saint Thomas Episcopal Church, charged Friday in an attack on the council. Speaking to the Houston Salesmanship Club, the Rev. Ingram said, 'If you have ever been caught in a swarm of bees, you know that the more you swat at individual bees the more you get stung' ... He called the council's protectors ruthless and merciless ... Asked about Communists in the church organization, Ingram said, 'Satisfy yourself. I'm satisfied that the place is full of them' ... He said these leaders 'don't believe Socialism, Communism and other forms of one-worldism are in any way repugnant to Christianity. 'Are they Communist sympathizers?', he asked. 'I think they are'. Reported in Houston Post, May 27, 1961.

..Bernardo Garcia, a student at the Pacific School of Religion, said that one of the greatest achievements he saw was one of complete lack of discrimination of Negroes ... Garcia said that he saw many farm reform projects and housing projects in Cuba. He showed slides of the new cooperative living facilities being constructed ... Government officials do not live in mansions or palaces, Garcia said. These places have been turned over to the people and have been converted into museums, ballet academies and art galleries ... 'It is a country of miracles'. Daily Californian (UC Campus), May 18, 1961. Since Cuba is evidently a paradise, American Citizens might suggest in writing to District Director, Immigration Service, 630 Sansome Street, San Francisco 11, Calif., that this citizen of Cuba not be deprived of enjoying an obvious Utopia on a permanent basis. He is one of the leading pro-Soviet agitators and speakers in this area.

..It is now rumored that several of the arrested students in the San Francisco Red Riots of May 1960 were not simply Communist sympathizers BUT COMMUNISTS. The ugly facts are likely to be soon disclosed.

..Bishop James Pike's Rice University address in November 1960 is reported extensively by Mrs. John L. Perry in the Christian Beacon of June 1, 1961, "He referred to HCUA as a Kangaroo Court, not a legal body of our Congress, and accused them of destroying innocent Christians and dedicated Americans, losing jobs, families, etc. as a result of their ruthless manner of investigation. ## SHAMEFUL REBUKE TO NEGLECTFUL TEACHERS

Here is a letter written to a S.S. teacher in another city: "Dear Teacher, I love you very much. You are responsible for the way I feel about many things. You have taught me much concerning the love for God. I have been wondering why it is that sometimes you don't come to our Sunday School. I brought my cousin the other Sunday and you didn't come. The teacher who came did not know that she had to teach and did not know the lesson either, so please don't miss any more. I have been wondering whether I ought to stay for the worship services. Our pastor says I should, and my mother says I should, but you don't stay so I don't know. Sincerely, Your pupil." Remember Sunday School is at 9:45 a.m. each Sunday with a full program of operation through the summer — 52 classes in ten departments of instruction.

## METHODISTS LINE UP ON RED CHINA SIDE

The Soviet Butchers of Hungary must have chuckled with glee when Kremlin aides handed them the dispatch from the Stockton Record of June 16, 1961 with a highly useful piece of Marxist propaganda adopted at the recent northern California Methodist conference at University of Pacific under Bishop Donald Tippet: "By overwhelming vote the conference adopted three resolutions presented by the Commission of Christian Social Concerns. The first in reference to the Peoples' Republic of China, declared: 'We regret the present hostility existing between the USA and the Peoples' Republic of China, and urge all possible steps on both sides to increase understanding, travel, exchanges and communication. We welcome recent signs of willingness by the US Administration to join the United Kingdom to discuss within the UN the further universalization of the UN through the admittance of the Peoples' Republic of China'".

..Our mission field grows.. News dispatches by UPI of July 1 indicates California population stands at 16.5 million, an increase of 585,000 new residents. 241,000 were dispersed residents. Migration brought 339,000 almost as many as the Gold Rush of '49 when 379,000 came from other states. This means many new CPA churches are necessary.

## CBHMS MISSIONARY CLEARS VIEWS ON CUBA

We are pleased to quote from the Danville, Ill. Commercial-News of Feb. 6, 1961 of an interview with Jose Colmenero Cuban missionary under the Conservative Baptist Home Mission Society, which makes clear his position. "All Latin America is a powder keg. Cuba is the fuse. Ignite the fuse and the entire hemisphere will blow up. Such is the extent of communist penetration among our 'Good Neighbors' to the south, according to the Rev. Jose Colmenero, missionary to Cuba, who returned to the US on the last commercial ferry leaving 'Castro's Island' ... many Latin American nations are on the verge of communism and 'it can happen at any moment'. Only the power of governments backed by loyal armies stands in the way. 'The masses are overwhelmingly pro-communist. They are waiting for the right moment'. Enmity toward the US is the fruit of communist seeds sown among the people for four decades, he declared. Envy is the chord on which the Reds have composed this symphony of hate. Social injustices are the instruments on which it is played. The Cuban missionary said Castro was linked with the communists all along. He fooled a lot of people with his programs for economic reforms. 'The people were betrayed' ... 'The communists are smart. They know the people's problems. They don't take control under the name of communism. They take control by promising to eliminate the evils which exist'. Castro came to power on such a program. He overthrew a hated dictator — then gradually replaced all the top men in his government with communists. 'He can not trust the army, though, so he has created his own militia' ... What is the answer? 'As a preacher', smiled the missionary, 'you would expect me to say this, but I am convinced that our only help is in spreading the Word of God'".

..Dr. Bob Jones, Jr. speaks here this Wednesday, July 5 at 7 p.m. in the Main Auditorium. Let's invite our friends and the whole family to hear one of the leading evangelical leaders of the Christian world.

..The Curtis Nims-Robert Moon Debate of May 1 resulted in an overwhelming victory for Dr. Nims. Dr. Moon, had no smile or any arguments in his attack on HCUA and "Operation Abolition" film. (Cont'd p 2)

..Dr. Vernon Grund's Denver Seminary banquet address was reported by Dr. Harold Lindsell in Christianity Today for June 19. His continuing attack upon Fundamentalism was delivered before 400 guests. "He stated that fundamentalism in 1961 stands in crying need of a deep-seated reformation. Using the Pharisees as an example of a false separation after the exile and the French Revolution with its extremes, he described the action-reaction, pendulum-like motion of fundamentalism. He asserted that fundamentalism has slipped downgrade and is heading toward spiritual degeneracy if the brakes are not slammed on and a corrective to the correction applied. 'Fundamentalism', he said, 'has become the victim of its own virtues', in which doctrine has been divorced from life, the evangel from ethics and the sword of the Spirit received undue stress at the expense of the fruit of the Spirit".

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Eagle Rock Baptist Church in Los Angeles voted out of the American Baptist Convention recently without any fuss. Dr. Roy L. Laurin is the pastor of this large church.

..The CBFMS no longer publishes Dr. Tulga's book "The Thirty Year Controversy", which used to be required reading for CBFMS missionaries. They have replaced it with Denver Seminary's Prof. Shelley's book "Conservative Baptists", according to our information.

..Communist social functions..The Reds seem to enjoy plenty of social activity. The Oakland Tribune of June 26 told of an annual lawn party at Marin County home of Attorney Vincent Hallinan at Ross, with 1200 expected. Funds were to be raised for the Fair Play for Cuba Committee. The speaker was to be J.R. Robertson, who has been identified in open court under oath as a Party member.

..Pres. Clark Kerr's public statement in the S.F. Examiner of April 22, will get plenty of testing this fall when communist activity is stepped up on the campus. He stated, "I would like to make it plain, that the University of California does not hire communists, that communists are not allowed to have positions of any kind. This is our policy now, has been our policy and will continue to be our policy".

..Bernardo Garcia, Pacific School of Religion student for the Methodist ministry, is rumored as one of those in charge of the Thirty-student Cuba tour which was banned on June 29 by the US Dept. of State.

Lenin said about Religion.. "We will find our most fertile field for infiltration of Marxism within the field of religion, because religious people are the most gullible and will accept anything if it is couched in religious terminology". This is one of the few true things Lenin uttered.

..Bishop Pike hits the People's World.. The communist paper for June 1 had a story from S.F. on Freedom Rider petition campaign. "As of this week they are still going like hot cakes, backers report. The petition is being sponsored by a group of eight Bay Area churchmen-- 'The Freedom Writers'. The 'Writers' are Rabbi Joseph B. Glasser, Bishop James A. Pike, Rabbi Sidney Akselrad, Rev. Francis Geddes, Henry Lobman, Dr. J. T. Carrey, Rev. Victor Goff and Rev. Donald Tippet".

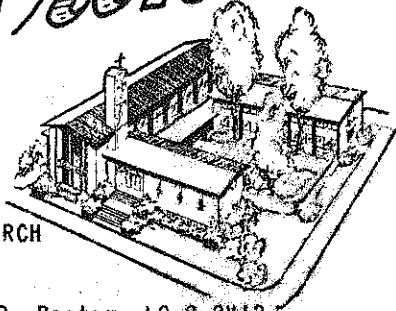

..Bay Area Evangelicals were stunned to see the name of Dr. Robert Boyd Munger in a large "Freedom Rider" ad appealing for funds in the Chronicle of June 16, along with such well known Fronters: Pike Stovall, Askelrad, Prof. Drinnon, Geddes Paul Jacobs, Prof. McCoy, Prof. Scalopinc, Prof. Stamp, Prof. Stripp, etc.

## WE BEG THE S.S. TEACHERS TO READ THIS

"Train up a child in the way he should go: and when he is old, he will not depart from it" (Proverbs 22:6). I took a piece of plastic clay And idly fashioned it one day; And as my fingers pressed it still It bent and yielded to my will. I came again when days were past The bit of clay was hard at last; My early impress it still bore And I could change its form no more. You take a piece of living clay And gently form it day by day; Moulding with your power and art A young boy's soft and yielding heart. You come again when years are gone, It is a MAN you look upon Your early impress still he bore And you can change him nevermore! — Author Unknown.

He succeeds Prof Wm. G. Bollshaw, who asked to be relieved of the deanship so that he might continue doctoral studies in the area while teaching full-time at the Seminary. Dr. Kerr holds degrees from Bryan, Grace Seminary, Northern Seminary, with graduate work at Garrett, Northwestern University and Harvard Divinity. He has taught theology at Northern, Denver, Providence and Western Seminary. He served as pastor in Indiana, Illinois, California and Oregon. He has a lovely wife, and five boys and one daughter. This is the first of several summer announcements from the Seminary concerning far-reaching advances.

## BISHOP PIKE NAMED IN GARB RESOLUTION

The General Association of Regular Baptists adopted this resolution at their national conference, June 19-23, 1961 at Winona Lake, Ind.: "WHEREAS, the Rev. James A. Pike, Bishop of the Episcopal Diocese of California and a recognized leader of the ecumenical program of the National Council of Churches of Christ in the U.S.A., in his published articles has revealed that he rejects the virgin birth, the plenary inspiration of the Scriptures, the ascension of Christ into heaven, and the presence of the living Christ at the right hand of the Father, THEREFORE BE IT RESOLVED, that the messengers of the General Association of Regular Baptist Churches meeting in annual session at Winona Lake, Ind., urge the Bible-believing people in the National Council of Churches to withdraw from such blasphemous fellowship, and commends the vestry of St. Mark's Episcopal Church of Shreveport, La., for

Gallagher said he would not deny a communist the right to speak on a California campus but would object to hiring one as a faculty member". Chronicle, July 8, 1961. Love is the key that opens the hearts of the students. If they find "acceptance" they will undergo any inconvenience and discomfort to get to Sunday School. Ten ways to show love, according to Psychologist Clyde Narramore: Be interested in them, share in their problems, treat them equally, go out of your way for them, do things with them, walk ahead of them spiritually, be at their side socially, be firm, but fair. Love the "difficult" ones the most, Learn the joy of being thoughtful, Pray for each student.

..Dr. John R. Siemens, pastor of Stockton Calvary Baptist, has led his people in the extraordinary achievement of burning the last \$25,000 note of indebtedness on July 2. This magnificent church has seven beautiful acres of suburban property with plans for a tremendous auditorium.

..The Rev. Buell Gallagher, former Pacific School of Religion Ethics professor and candidate of the communist-dominated Independent Progressive Party for Congress in 1948, is quoted in the San Diego Union of July 8, 1961, that he does not object to Communist fronts operating on state college campuses: " ' If the group says it is affiliated with the Young Communist League, or whatever it is, I see no reason why this group cannot operate in the open on the campus', Gallagher said. Gallagher said a non-Communist disclaimer which students must sign in obtaining federal study loans is 'an insult to all but a tiny miniscule of students in the nation's colleges'".

..Attempted burglary at Seminary.. On Sunday afternoon July 2, caretaker Raymond Neal appeared at 2:30 p.m. and surprised an intruder coming out of the church office with his shoes in one hand and a stethoscope in the other. ..The Battle of the Bishops.. The Episcopal triennial meets in Detroit Sept. 17-29. The Blu-Print editor wishes he could attend. The Tribune of June 28 states, "The convention also may attempt to take to task one of its most outspoken bishops, the Rt. Rev. James A. Pike of Calif., for asserting that churchmen should be free to accept or reject Christ's virgin birth as a myth. A group of Georgia clergymen has said it will seek to cite Bishop Pike for heresy".

## THE PASTOR'S WIRE TO BISHOP TIPPETT

Western Union took the following wire from Dr. G. Archer Weniger on Saturday, July 22, at 2 p.m., addressed to Bishop Donald H. Tippet, 45 Southhampton Ave., Berkeley, California: THE CHRISTIAN PUBLIC WOULD APPRECIATE EXPLANATION OF INCREDIBLE ANNOUNCEMENT ON FRONT PAGE UNIVERSITY "DAILY CALIFORNIAN" FOR JULY 21 OF COMMUNIST HERBERT APTHEKER'S ADDRESS SUNDAY AFTERNOON AT WESLEY FOUNDATION, OFFICIAL METHODIST CHURCH UNIVERSITY CENTER. WHAT JUSTIFICATION DOES METHODIST CHURCH HAVE FOR PROVIDING A PLATFORM FOR KNOWN COMMUNIST SPEAKER ON SUBJECT, "THE COMMUNIST PARTY AND YOU"? HOW CAN YOU ALLOW METHODIST FACILITIES TO BE USED TO HONOR A COMMUNIST IN YOUR OWN CITY? HOW CAN YOU DEFEND METHODIST CHURCH LOYALTY IN THIS CRITICAL HOUR WHEN YOU GIVE HOSPITALITY TO THE PARTY OF TREASON? HOW CAN METHODISTS MAKE THEIR BOAST OF BEING FREE FROM COMMUNIST PENETRATION WHEN YOU GIVE SHELTER TO A NATIONAL LEADER OF THIS PARTY OF HYPOCRISY AND DECEIT? WHAT ETHICS DOES THE METHODIST CHURCH HAVE TO TEACH WHEN BY THIS ACTION THEY BECOME PARTAKERS OF COMMUNIST EVIL DEEDS? WHAT DEFENSE DO YOU HAVE FOR THROWING THE CLOAK OF ECCLESIASTICAL RESPECTABILITY AROUND THIS SATANIC CONSPIRACY? YOU AND PASTOR DOUGLAS HAYWARD SHOULD SHOW CAUSE PUBLICLY WHY THIS IS BEING ALLOWED ON TRINITY CHURCH GROUNDS.

## U.C. STUDENTS BATTLING REDS ON CAMPUS

Patriots around the state should send their \$1 subscription at once to "Students Associated Against Communism", Box 784, Berkeley 1, Calif. to get their daring paper "Tocsin". It is as hot as fire. It is produced weekly. Issue No. 5 gave Communist background for several of the student rioters who were arrested in the San Francisco Riots of May 1960. Announcement has been made for coming issues of the following startling articles: The Communist Background of University of California Professors, the Communist Background of Professors at the Pacific School of Religion, The University of California Policy Toward Public Speakers, Race Prejudices in the Soviet Union, The Communist Interpretation of the Causes of World War II, Communist Lawyers in the San (Cont'd p. 2)

## BISHOP TIPPETT PERMITS COMMUNIST USE OF BERKELEY METHODIST CHURCH ON SUNDAY

The Daily Californian of Friday, July 21 1961 carried a bold announcement in a choice box directly on center of the front page which read, "COMMUNIST EDITOR TO SPEAK HERE... Slate Forum will sponsor a talk by Herbert Aptheker on 'The Communist Party and You', 1:00-3:30 p. m. Sunday at Wesley House, Bancroft and Dana Streets. Aptheker is a Negro historian and editor of the official Communist Party theoretical and political publication, Political Affairs". Though late in the week, anti-communist fighters went to work. The press was alerted. Bishop Tippet was bombarded with phone calls and wires. At first he professed ignorance of the affair, then stated he could do nothing about it. A protest picket line of effective signs was setup by UC Students Associated Against Totalitarianism. The metropolitan press on Monday gave wide coverage to the sordid incident. The Examiner stated, "Before Aptheker spoke, the Rev. Henry L. Gerner of the Wesley Foundation staff read a statement making clear that the use of Methodist facilities was in no way a Methodist endorsement of Aptheker's views: 'The Christian faith affirms the necessity of freedom of speech in order that various points of view be heard where there is a difference of ideologies', he said." Pickets were led by Andris Trapans. The Chronicle: "Trapans, 25, a graduate student at Berkeley, said he escaped in 1950 from Latvia, where most of his relatives were killed by the Russians" ... 'What slop', a gray-haired woman said when Aptheker asserted Communism was non-violent". The Examiner: "'Communism is not a conspiracy and Communists are not conspirators', said Aptheker, a student of Negro history and editor of the official Communist Party magazine, Political Affairs". Wesley Foundation is located on Trinity Church grounds. Pastor C. Douglas Hayward, leftwing petition-signer, is on the faculty of Pacific School of Religion. Dr. Edwin T. Dalhberg is quoted in the Redbook, the students would have been "surprisingly at home with my classmates and myself in 1914-1918 ... We were equally critical of the church and loved to drop theological blockbusters on our elders in the faith".

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. John A. Mackay, Presbyterian ecumenicist, writes on "Cuba in Perspective" in Presbyterian Life, July 15, 1961, "It is a startling and sobering experience for an American visitor to Indonesia to find that among the four million Protestants in that country there are church members and even ministers who are members of the communist political party. Need I confess that I was 'thoroughly confused' when this information was given me by a member of President Sukarno's Cabinet, a man who is himself an outstanding Christian, and poles removed from the communist position?" It is a beautiful piece of Marxist propaganda.

..Dr. Leslie D. Weatherhead, noted Methodist ecumenicist from Britain who is featured frequently in US religious circles, states in his new book "Key Next Door", Abingdon, "I do not find the idea of reincarnation incompatible with Christian teaching. Indeed it was for a long time an accepted part of Christian belief". What scholarly nonsense!

..Rev. Edward L. Peet, Californian Senate Chaplain, stated in the April Newsletter of the Methodist Federation for Social Action and quoted in June issue of "American Guard", that Communist Carl Braden was "a devout Episcopalian". "Frank Wilkinson had a fine Methodist background in Hollywood's First Church and Carl Braden is a devout Episcopalian. Both of these men spoke at our St. Louis national MFSA meeting in 1959. We will need to hold them and their families in our prayers and be alert always to help them. I hope you joined me in letters of commendation to our Governor Pat Brown who stood up to the sizeable Bay Area delegation of churchmen and others of a conservative bent who demanded that Wilkinson be barred from speaking at U. of Calif." He is obviously referring to the Pastor and Dr. Nims.

..The full text of Dr. Emil Brunner's startling indictment of Communist influence in the World Council of Churches in a Swiss paper of May 28, 1961 is available free from Dr. Carl McIntire of the Christian Beacon, Collingswood, N.J.

..Some admission for ABC Prof. Nels F.S. Ferre, In newbook "Searchlights on Contemporary Theology, Harper, "Let it be said, however, concerning fundamentalism, that with regard to its main positive Christian contentions it stands in the solid line of historic Christianity and it may even be that in the far future we will come to see that liberal accommodationism could not get rid of true, evangelical supernaturalism because of the intransigence of fundamentalism".

..American Baptist Convention.. The Oregon Journal, June 19, 1961, "The missionaries and the audience were told by Dr. Jitsuo Morikawa, ABC director of Evangelism, that Jesus Christ is Lord of the world, including the Communists of Red China and Russia, the Buddhists of Burma, the materialists of the United States, and the mission of the church is to reach and serve all the people of the world".

## PIKE'S WIFE TESTIFIES AT RED HEARING

8/1/61  
V. 12  
# 82

An astonishing news release from the Brooklyn Tablet of Oct. 8, 1955 links Mrs. James A. (Esther Yanovsky) Pike to testimony at a Brooklyn Board of Education hearing that determined that five admitted ex-communists in the school system stand trial in court in violation of the Feinberg law and other charges. "As is generally the case, the board room was packed with pro-communists, who appear to be the only ones willing to give up the greater part of the afternoon, dinner and part of the evening in behalf of their cause" ... "Among those who spoke at the meeting were Mrs. Rose Russell of the Teachers Union, Mrs. Jas. A. Pike of the Department of Social Relations of the Episcopal Diocese of New York, Clark Foreman of the Emergency Civil Liberties Committee and the four were ordered to trial" ... "The charges are failure to establish quitting the Party in good faith, lying under oath about Party membership and impeding the lawful investigation being conducted by the Superintendent of Schools as required by law". Wm. Jansen was Supt. of Schools. Ass't. Corporation Counsel Saul Moskoff acted in behalf of the Superintendent. The Pikes were married in 1942 when both were agnostics, according to Time magazine Feb. 17, 1958, and Reader's Digest of Feb. 1958.

## BAPTIST SEMINARY FEATURES UNITARIAN

The Berkeley Baptist Divinity School of the American Baptist Convention is honoring Dr. Georgia Harkness this week, Monday through Saturday, as a speaker at a writer's conference. Conference director will be Dr. Benjamin P. Browne, president of Northern Baptist Seminary. President Ralph Johnson of BBDS "will be coordinator for the conference sessions", according to the Berkeley Gazette for July 28. Dr. Sanford Fleming and Rev. Bill Rose are scheduled to participate. In her book "Understanding the Christian Faith", page 74, she states, "The main question about the doctrine of the Trinity lies in what we mean by Christ ... This does not mean that Jesus was God". In "Modern Revival of Christian Faith" she states, page 26, "I am not willing to rule Unitarians, or any others who 'profess and (Cont'd p. 2)

## SOUTHERN BAPTIST PASTOR LEVELS CHARGES OF UNBELIEF AT GOLDEN GATE SEMINARY

Pastor Richard Owen of the First Baptist Church of Danville in suburban Oakland recently withdrew from Golden Gate Seminary in Mill Valley allegedly in disgust over liberal teachings by all of the professors which he had. Recently his church voted unanimously to withdraw all support from the Cooperative Program of the SBC. He asked for a formal hearing at which time he would bring charges of heresy against five professors, but this was denied by Pres. Harold Graves after it was suggested by state SBC leaders. Brother Owen has produced an extensive document in which he details his charges, involving Dr. Graves, Dean W. A. Carleton, Dr. Kyle M. Yates, Jr., and Dr. James L. Elder. Copies are available at cost from L. Richard Owen, 1556 Green Valley Drive, Danville, Calif. Pastors will find this of great interest since Golden Gate is regarded as the more conservative of SBC seminaries.

## "BISHOP WISHES HE COULD JOIN RIDERS"

The Indianapolis Star, July 16, 1961 stated, "Indiana Methodist Bishop Richard C. Raines of Indianapolis said yesterday he wished he was young enough to join the 'Freedom Riders' along with a son who was jailed for his part in the desegregation demonstration. The bishop's son, the Rev. John C. Raines of Sekauet, N. Y., was jailed for two nights last week at Little Rock, Ark., and was released on a suspended sentence of six months in jail and a \$500 fine for disturbing the peace ... the bishop said, 'If I were a college student and younger, I too would be among the freedom riders'". Senator Olin D. Johnson is quoted in the People's World about the Freedom Riders, on July 8, 1961, "There is a communist conspiracy behind the movement". Sen. Strom Thurmond in same issue is quoted, that CORE, which sponsors the Freedom Riders, "is itself a Communist infested organization". Bishop Raines opened Billy Graham's Indianapolis Crusade on Oct. 7, 1959 with prayer. The Christian Advocate of Jan. 15, 1942 quotes him, "Now we believe that those great faiths — Mohammedanism, Confucianism, and Buddhism — were honest and sincere expressions of man's hunger (Cont'd p.2)

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Bob Pierce, whose World Vision enterprises are bitterly criticized by veteran missionaries for undercutting the work of evangelical missions in the Far East, received an honorary "L.D." degree from Yonsei University in Seoul. Yonsei is one of six ecumenical institutions supported by the NCC "United Board for Christian Higher Education in Asia", 475 Riverside Drive, N. Y. 27, N. Y.

..Hollywood First Presbyterian (6000 members), largest in the nation, UNANIMOUSLY adopted a resolution by its Session, as reported in Los Angeles Times, May 19, 1961, "Particularly they have made pronouncements advocating precisely the things sought by the Communist Party such as recognition of Red China and its admission to the United Nations, and in opposition to the movie 'Operation Abolition'".

..Reliable Rumor..That associates of Bishop Pike plan a caravan of Episcopalian priests through the South to coordinate with Freedom Rider activity so that by the time they get to their Convention in Detroit, the Pike heresy issue will be buried in the smoke of their "righteous indignation" over race conditions in the South.

.."False Prophets and the Southern Baptist Cooperative Program" is title of 14 page booklet containing astonishing evidence of apostasy in the Southern Baptist Convention, available at 12 copies for \$1.00 from L. Gordon Thomas, 617 N. Murphy, El Dorado, Arkansas.

..The tragedy of University infection .. UC topped the nations's universities in number of foreign students with 2,003 for 1960-61, with a grand total of 69,683 from overseas in US. The truth is many of the leading Communist leaders of the world were won to Communism when studying at American universities. The charge is quite substantially made that the Communist Party can secure 300 faculty signatures in support of a Red-inspired petition anytime it wishes at Pres. Kerr's campus.

.."Surprising Beliefs of Our Future Ministers", Redbook, August 1961, is the result of the interview of 100 students in eight liberal seminaries. "How does this group of theological students feel about the 'Dean Pike heresy'? About half of them agree with him. Only 44% believe in the virgin birth of Christ. Only 29% believe there is a real heaven and hell. Only 46% believe that Jesus ascended physically whole into heaven after his crucifixion...(original sin) . At least, only 2% of those interviewed are seriously interested in this subject. Belief in the immortality of man also ranks as a major tenet for only 2%. Only 1% are convinced there will be a second coming of Christ".

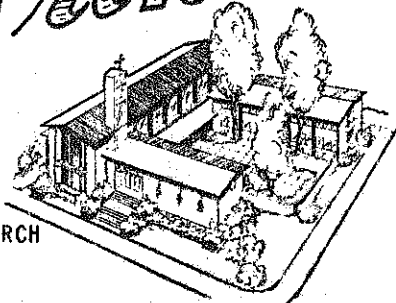

.."Communist Accent on Youth", a terrific new film, costing \$140 from Pepperdine College, Box 247, Los Angeles 44, Calif. A Leninist principle, "Youth will decide the issue of the entire struggle - both student youth and, still more, the working class youth".

## NCC CAUGHT DEFENDING COMMUNIST RIOTERS

6-28-61  
12-12-61  
1-10-61

The National Council of Churches is madly distributing a 35-page booklet entitled "Operation Abolition", for which the Communist Party thanks "god". It is supposed to give the "facts". Fulton Lewis, Jr. says of this NCC booklet, "This is one of the most fraudulent, slanted, and intellectually dishonest presentations I have ever seen on any subject". The report depends heavily upon the riot report by UC Prof. John R. Searle, who stated, "There is no evidence of Communist infiltration or control and such suggestions are ludicrous". It can now be revealed that several of the arrested rioters are now, or have been Communist Party members, such as Vernon Brown, Mrs. Ruth Brown, Douglas Wachter, Roger Wakefield Davis, Raymond F. Thompson. Several were children of known communists, such as Joan Ruther Keller, Rebecca Jenkins, Douglas Wachter, Caroline Deirup Pozos, Bruce Benner, Judy Brady, Geoffrey Ethan Berne, Albert Francis Lannon. Two juveniles were arrested whose parents were known communists, but their names have been withheld. Write to "Toosin", Box 784, Berkeley 1, Calif. and ask for Paper No. 5, which carries an extensive intelligence report on the arrested communists. Eighteen of the 70 arrested were not even students. Twenty-one of the 70 were over 25 years of age. Only five were under age. One of these "children", as Lawyer Vincent Hallinan called them, was Ruth Brown, 48 years; Vern Brown, 42 years; Raymond Thompson, 55 years. The NCC should hang its head in shame and repent publicly to the American people for propagandizing for the Communist Party in the spread of such blatant falsehoods.

..The Sealy Mattress Company has its headquarters at 666 N. Lake Shore Drive, Chicago 11, Ill. People who are tired of the pro-communist line of William Winter over San Francisco Radio Station KGO-TV might write to the company. This is the company which advertises, "The rest of your life depends upon the rest of your night". It will take more than a Sealy mattress to get us to sleep if the communist line program of Winter succeeds in this country.

..Do not ask God to give you a light burden; ask Him to give you strong shoulders to carry a heavy burden.

## BAPTIST SPEAKS AT RECEPTION HONORING COMMUNIST CRIMINALS AT ABC COLLEGE

The following incredible account in the "Social Questions Bulletin" for May-June 1961 published by the Methodist Federation for Social Action, identified by the US Gov't as a communist front, tells about the inception at a Baptist college, which is related to the American Baptist Convention. "Following the SCEF board meeting, there was a reception on the campus of Morehouse College, a Negro school in Atlanta, where student leaders had a chance to greet these prominent Southern integrationists. Dr. and Mrs. Martin Luther King, Jr., attended the reception. At the close, the Norfolk attorney, Len Holt, asked all present to form a circle and join hands and sing the theme song of the sit-ins, We Shall Overcome. Then he called on Dr. King, who said two simple yet deeply significant things: first, that 'These two men are going to prison for us'; and second, 'We are learning that if we want civil rights, we must fight for civil liberties'. Carl and Frank were deeply moved, as were the rest of us ... because we knew that up to now Negro leaders, and especially national Negro organizations, have not identified their struggle for civil rights with the struggle for civil liberties ... For this reason, what Dr. King was saying marked the crossing of the Rubicon, and we rejoiced to learn that, in keeping with it, he was joining with other Southern leaders in initiating a petition for clemency for Braden and Wilkinson to be sent to the President."

## THE VALUE OF THE S.S. TO THE CHURCH

Supt. Kenneth Pemberton received a letter from Dr. G.B. Vick of the large Temple Baptist Church of Detroit. "Our Sunday School is the main spring of our church activity. Our visitation program, enlisting new members, is carried on through our Sunday School organization. Our financing is done through our SS organization ... Our SS is the church at work, enlisting and teaching people the Word of God. Therefore it is the strongest soul-winning agency of our church. ## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Robt. E. Burns, President of the University of Pacific in Stockton will speak on Nov. 16, 1961 on "Analysis of Communism and What Can Be Done to Counteract It", the last of a series of anti-communist speeches in Berkeley Community Theatre. This is laughable in the light of his university's scheduling of Dr. Joseph Fletcher, Episcopal seminary ethics teacher, for lectures Nov. 27-28. Dr. Fletcher, listed with 80 front activities in Lowman's book "6000 Educators", is called by Dr. J. B. Matthews as one of the five top pro-Soviet propagandists in America today. (American Mercury, July, 1953). Many would question whether a president of this university is qualified to speak on how to fight Communism.

..The Communist background of William Marx Mandell, the vitriolic hostile witness with dark glasses in film "Operation Abolition", is given on page 10 of Paper No. 6, of the UC campus student paper "Tocsin". Get 10 issues for \$1.00.

..Dr. Carl McIntire, fiery fighter of Communism in the churches, has signed a contract with KFAX, San Francisco to begin at 6:30 a.m. five days a week beginning first week in Sept., on this 50,000 watt station.

..Dr. Walter A. Pegg, who recently returned to California from Metropolitan Baptist at nation's capitol is pastor at Magnolia Avenue Baptist (Southern Baptist) Church in Riverside. This is not to be confused with the Magnolia Baptist Church (CEA) where Leonard Prentice is pastor. The CEA church was started several years before the SBC church.

..Billy Graham's paper "Decision" tells about "an unusual meeting of Christian leaders of the city on Dec. 1" to come to Los Angeles. Dr. Jerry Beaven was guest at this meeting of 25 denominational representations. "Methodist Bishop Gerald H. Kennedy spoke of his 'growing appreciation for Dr. Graham and the work he is doing', and assured the group of his cooperation and support".

..On Communist use of the church.. a 4-page document entitled "Bishop Tippet Permits Communist Use of Berkeley Methodist Church on July 23, 1961" may be secured from "Laymen Against Communism", Box 368, Berkeley 1, Calif., at 10 copies for \$1. Tells of permitting a leading communist to speak in Trinity Methodist.

To the contrary, two thirds of them were of high school age or older. Just over 50% of our S.S. attendants are adults and young married ... ## DR. I. R. WALL HOME WITH THE LORD

8-15-61  
6-12  
1961

Pastor I. R. Wall of the Neighborhood Baptist Church of San Jose passed into the presence of our Lord Jesus Christ late Friday night as a result of a cerebral hemorrhage at the age of 64 years. Brother Wall conducted one of the most significant ministries in Northern California with the founding of some of our most influential CBA churches. In addition to establishing Central Baptist in Sacramento, he initiated the work both at Arcade and First Baptist of West Sacramento. After an interimship at Huntwood Baptist in Hayward, where he led in the purchase of property and building of their first unit, he then founded Maypark Baptist and Neighborhood Baptist in San Jose. Dr. David Laurie of Sunnyvale conducted the memorial services Monday at Darling and Fisher Chapel in San Jose. Our Pastor was among the dozens of ministers who journeyed to the service. Our hearts go out to Mrs. Wall who lives at 750 Normandy Drive, Campbell, California. Brother Wall will be genuinely missed.

## PISHOP FIKE ORDAINS BAPTIST GRADUATE OF APC CALIFORNIA BAPTIST SEMINARY

The San Francisco Chronicle of August 12 stated, "The Rev. John A. Harms, curate of St. Luke's Episcopal Church, will be ordained to the Sacred Order of Priests today at 10:30 a.m. The Right Rev. Jas. A. Fike, Episcopal Bishop of California, will perform the ceremony under special provisions allowing a minister of another communion to receive Episcopal orders". The Examiner of the same date stated, "Canon 36 of the Episcopal Church, under which the new priest is being received, makes provision for a minister of another communion to receive Episcopal orders when the candidate's former communion gives consent". Among the many questions this raises, is — "Who gave consent from the Baptists?". We wonder how the young fellow will feel when he wakes up to find he was ordained by the "missing link" of apostolic succession.

..Jehovah's Witnesses with 800,000 members gained 86,000 adult converts or one for every nine members, according to Louis Cassels, UPI writer, in Denver Post of July 29. We suspect it is by intensive personal work and visitation.

## S.F. BAPTIST SEMINARY NAMES PRESIDENT

The Board of Trustees of the San Francisco Conservative Baptist Seminary announced last week through Dr. Roy H. Austin, Vice-chairman, that Dr. Arno Q. Weniger had accepted the unanimous invitation of the Board to become President, effective at once. He will serve without salary and continue as pastor of the Hamilton Square Baptist Church where he recently celebrated his 20th anniversary. Dr. Weniger served as a director of three other seminaries, with extensive pastoral experience in Minnesota, Oregon, British Columbia and California. The present extensive properties of the Hamilton Square Church are valued in excess of \$500,000 — all built during his pastorate. He is the second of five ordained Baptist preaching brothers. He is married, with two children. His son, Arno Q., Jr., is pastor at First Baptist International Falls, Minn. His education was in Northwestern Schools in Minneapolis, with degrees from Northwestern Evangelical Seminary and Western Seminary. He was honored with a DD degree from the hands of Dr. W. B. Riley, the noted fundamentalist leader of the 20th Century, at Northwestern. He served as national president of the CBA of America for two years, also as a member of the Board of the Home Mission Society. He will be formally inducted into office on Monday, September 18 at the Fall Convocation at which the new Dean Wm. F. Kerr, ThD, will bring the address.

## UC ASSAILED AS "WESTERN CAPITOL OF COMMUNISM"

This was the startling, double, bold headline of the Berkeley Gazette of Aug. 8, reporting an address by Charles Fox, an associate in the speech department and chairman of the "Students Associated Against Communism" (Box 784, Berkeley 1). The paper was sold out quickly all over the city. It stated, "Professors and graduate students have been deliberately transferred to the University of California campus for the purpose of inciting left-wing political action ... There is no academic freedom on the UC campus despite the loud noises made by President Kerr", Fox said. Attacking the faculty, he charged that "not one professor has made one statement against (Cont'd p. 2)

..The Pastor is at a loss to understand how a President can appoint an Eleanor Roosevelt, who is listed with 65 pro-communist connections in book "Communism and the NAACP" (Vol. 2), to a position with the UN, and then relieve a patriotic general from his command whose sin was indoctrinating his troops in true nature of Communism. General Edwin A. Walker's 24th Division took part in eight campaigns in Korea and suffered 11,889 dead and wounded against this deadly enemy.

..Bishop Pike's endorsement of movie filth..The San Francisco Chronicle, 2-5-58, "After the Catholic Prelate exhorted members of his faith not to attend a movie 'Baby Doll' under the pain of sin, Dean Pike went to the film's premier. He then discussed the picture in a sermon the following Sunday and declared, 'Those who do not want the sexual aspect of life included in the portrayal of a real life situation had better burn their Bibles as well as abstaining from the movies'".

..The Communist Book Store in San Francisco is at 1408 Market Street, UN 3-2986. It's name is "International Book Store".

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Buell G. Gallagher, chancellor of California's state colleges, today declared his opposition to a loyalty oath for students or other specific groups. And, the new administrative chief of the college system denied he wants students to sign pledges that they will obey the laws of their city, state and country. He said reports that he favored such a pledge were wrong ... He reiterated his belief that the 'best way to fight communism' is to permit communists to speak in the open where their opponents can argue with them". Berkeley Gazette, Aug. 9, 1961. These views are prompting dozens of groups to ask for Rev. Gallagher's resignation.

..South St. Paul First Baptist have excavated for their new educational building now under construction 50 X 96 feet, and eventually four stories high, according to Pastor Max W. Weniger.

FBI Director J. Edgar Hoover: "We Americans are face to face with a tyranny more monstrous, more devious, less understood and more deadly than any which has ever threatened civilization heretofore. The basic plan of the Communist Party operations is infiltration into 'all strata of American life'".

..Poor old Khrushchev is using the same device as religion which alleges to promise "pie in the sky by and by". In his new 20-year program he is encouraging these miserable human beings to endure the miseries by promising them things in 20 years which the West was told they were enjoying all along. Meanwhile people are fleeing communism by the millions wherever they can get through the barb wire entanglements at the armed borders.

..A deceptive book..Ralph L. Roy's new book "Communism as the Churches", "is not about communism or the churches", says Dr. J. B. Matthews. "A more appropriate title would have been 'How to Get Preachers Off the Hook', with the sub-title, 'The Use of Smear Techniques in the Fight Against the Anti-Communists'".

..Laymen Against Communism, Box 368, Berkeley 1, Calif. have a four-page document available at 8¢ each in quantity, entitled "Bishop Tippet Permits Communist Use of Berkeley Methodist Church on July 23, 1961". It is shocking.

..The new catalog for Western Baptist Bible College of El Cerrito is a 56-page work of printing art. Prof. Richard Caulkins had the oversight. We congratulate President H.O. Van Gilder.

..When faith goes to market it always takes a basket".

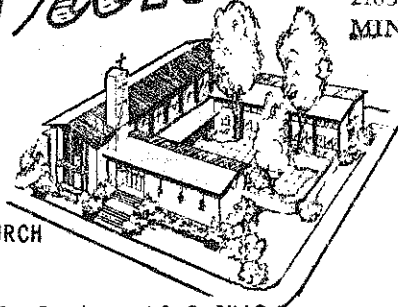

..UC ASSAILED AS WESTERN CAPITOL CONT'D communism during the past year'." ... 'Berkeley has almost become the communist capitol of the United States', Fox charged. He said the conservative student is afraid to speak out on campus because he fears persecution from 'liberal' professors who may hand out lower grades". Mr. Fox is editor of the fascinating anti-communist UC campus paper "Tocsin". Ten weekly issues can be had for \$1.00.

## THE ENGLISH BIBLE CHAIRMAN SAYS BIBLE IS A DANGER TO MORALS, CAN BE PERNICIOUS

If people want to know more about the New English Bible they might consider a recently published statement found in a book entitled "Authority of the Bible" on page 14 written by Dr. Chas. H. Dodd, chairman of the committee that produced the new Bible. "It is high time to assert unambiguously that the Bible contains a good deal which, if it is taken out of a contemporary historical context and given general and permanent validity is simply pernicious. The old dogmatic view of the Bible is therefore not only open to attack from the standpoint of science and historical criticism, but if taken seriously it becomes a danger to religion and public morals. A revision of this view is therefore an imperative necessity". This should make it evident that the same type of scholarship that produced the RSV is behind this new Bible.

## BASIC MOTIVATION BEHIND FREEDOM RIDERS

A communist article "A Racial Program for the Twentieth Century" by Israel Cohen outlines the Communist Party approach to the negro question. "We must realize that our party's most powerful weapon is racial tension. By pounding the consciences of the dark races that for centuries they have been oppressed by the whites we can hold them to the program of the Communist Party. In America we will aim for a subtle victory. While inflaming the negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the negroes. We will aid the negroes to rise in prominence in every walk of life, in the professions, in the world of sports and entertainment. With this prestige, the negroes will be able to inter-marry with the whites and begin a process which will deliver America to our cause." Quoted in the booklet "Has the Methodist Church Gone Mad?", by A.H. McGregor, 1640 NW 19 Avenue, Miami 35, Florida.

.."Tocsin" doubles its circulation almost with every issue. Get the unvarnished facts of subversion on the UC campus by getting this little paper at \$1.00 for ten issues, Box 784, Berkeley 1, Calif.

## CAUTION ON CALLING ONE "A COMMUNIST"

Ex-communist Louis Francis Budenz before Senate Sub-committee of the Committee on Foreign Relations, 81st Congress, in book, "State Department Employee Loyalty Investigation," pp. 506, "Before I left the Party, Senator, the Communist Party—and this is something everyone should know - agreed that after that period of 1945, that with the cold war beginning, all concealed communists should sue anyone who accused them of being communists, sue them for libel. As Alexander Trachtenberg, who made the report said: 'This is not necessarily for the purpose of winning the libel suit, it is to bleed white anyone who dares to accuse anyone of being a communist, so that they will be shut up'. And, as a matter of fact, that becomes the policy." Communists are not short of lawyers to defend them in this area. The House Report No. 41 entitled "Communist Legal Subversion" lists the case histories of 38 Marxists. 23 of these are from California, many of them figuring in the film "Operation Abolition". Some of the alleged communists in this HCUA book: George R. Anderson, San Francisco; Benjamin Dreyfus, San Francisco; Bertram Edises, Oakland; Charles R. Garry, San Francisco (one of Meisenbach's attorneys); Richard Gladstein, San Francisco; Aubrey W. Grossman, San Francisco; Robt. E. Treuhart, Oakland; Doris Brin Walker, Oakland.

## GUEST PREACHERS NEXT LORD'S DAY

Some good preaching next Sunday with our own Evert Johnson preaching the Word of God at the morning worship at 11 a.m. This will feed our souls. Brother Johnson is a favorably received preacher in many pulpits this summer. Brother Nelson Zarfes, is to preach at the evening service at 7 p.m. He is a graduate of WBBG and has planned to enroll in San Francisco Baptist Seminary. He is a former member of our church.

..Dr. Nels F.S. Ferre.. "A Study in Apostasy" by Dr. Eavey from the Church League sells for \$2 per copy. This is an analysis of the book "The Sun and the Umbrella". The same writer has an analysis of Dr. Ferre's book "The Christian Understanding of God", which sells for \$1.00 each.

## LOCAL CHURCH DEVELOPMENTS

..Humelake Echoes Sunday night..Our young people will be back to share their experiences with us with several giving their testimonies Sunday evening. Walter Lindquist will preside.

..Read the Bible through..Psalm 35-50; I Peter 3-I John 1.

..Prof. Wm. G. Pellshaw speaks Wednesday at the mid-week service at 7 p.m. Brother Pellshaw is one of the leading New Testament scholars in our movement.

..Ten new Sunday School members.. Debbie Jackson - Nursery II; Vickie Alessandrielle Judy Fox, Philip Greer, Nila Slatton, Daniel Slatton, Martha Martin - Primary ; Dennis Greer, David Slatton - Junior; James Michael Martin - Jr. High.

The offset press for Blu-Print.. Reported last - \$519.70. Received since - (Henton, Townsend, Kavich, Carey, Kennedy) - \$25.00. New Total - \$544.70 . How much is the Blu-Print worth to you?

..Sunday October 1 has been designated as Rally Day for all ten departments of the Sunday School.

..Lincoln and neutral silence.. President Lincoln said: "To sin by silence when they know they should protest, makes cowards of men".

..One reason Christians should be happy to enthusiastically and generously support their own local church with their weekly tithes: The San Francisco Examiner editorial, July 29, "The admission by the Leukemia Society that its fund drive in San Francisco last spring netted only \$3,911 out of \$17,300 collected for its declared purpose is shocking".

..Missionary Joel Romero, who is supported in part by our church, preached the funeral sermon for his own little baby boy "Joelito", 8½ months old, who died eight hours after failing brakes caused their jeep to smash into a sugar cane train. "His father preached the funeral sermon and gave witness to God's sovereignty and to the will of God. Great avenues of witnessing have been opened up because of Joelito. Many of our neighbors who wouldn't normally darken the door of our home have come because of our little missionary and we have testified of the grace of God." Our hearts to out to these dear friends.

..Ministry to the little folk.. Nursery - (a.m. and p.m.) 36; Beginners - 15; Jr. Church - 28.

..Former members getting married.. Nancy Skull Saturday night at Huntwood Baptist, and Linda Wyckoff the same night at 8 p.m. at Albany First Baptist Church.

..Of Methodist concern..The Church League of America, 1407 Hill, Wheaton, Illinois, have published a book "Why the Methodist Church Has Gone Modern", by C. Penton Eavy, PhD at \$3.00 each.

..The Western Regional Conference of the CPA will be held at Sacramento Arcade Baptist Church rather than at Fresno Memorial, with the program being announced shortly.

..The Council for Americanism is promoting a plan whereby communists and communist-front organizations would be denied insurance coverage by American risk firms. Good idea.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Charles Fox, candidate for the PhD degree at UC and chairman of "Students Associated Against Totalitarianism", has been invited to speak on Tuesday, Sept. 5 at Leamington Hotel, mezzanine auditorium, on "Red Penetration on the Berkeley Campus".

.."Berkeley Patrol" is the name of an outstanding one-sheet informative sheet on the subject of subversion in Berkeley published by retired Brig. Gen. D.G. Chynoweth, 832 San Luis Road, Berkeley 7, Calif. He suffered 3½ years in a Japanese prison camp after Bataan and Corregidor and therefore has some understandable authority to strike at the treasonable activity in Berkeley sponsored by the Communist Party. It's FREE.

..Stiles Hall, the University YMCA at 2400 Bancroft Way, participates in the United Crusade. It is often referred to as "Slate Hall", and is considered by many campus leaders as the favorite communist front center at the campus. Attorney Clayton Orr, Central Bldg. Oakland is chairman of the Stiles Hall governing board, succeeding UC Chancellor Edward Strong. United Crusade telephone: GL 1-3132.

..More use of the churches..SLATE, widely suspected as THE communist front on the Berkeley campus, recently held their annual conference on July 29-30 at STILES Hall as conference center, and also Plymouth House of the Congregational Church, the Lutheran Student Center, and Westminster House of the USA Presbyterian Church.

..Dr. Georgia Harkness left on Aug. 8 for a European trip, otherwise she promised legal action against "Tocsin", the anti-communist paper at UC. "You may expect such action on my return if you continue to spread such defamatory statements."

..Dr. Harkness, noted Seminary professor in Berkeley, spreads her own defamatory statements when she says in her book "The Modern Revival of Christian Faith", "In practice communism appears actually to do a better job on the race question than do Christian cultures, for there is less race discrimination within Russia than in the United States". Fox, who has travelled in the Soviet Union, replies, "I challenge Dr. Harkness to produce one shred of evidence to prove this contention."

..Dr. Harkness continues her mistaken communist-like line, "The fact, also, that communism gets a foothold wherever people are hungry, as in central Europe and the Orient today, is evidence not easily cast aside that in some measure it fulfills its object of bringing economic goods and new hope to the downtrodden and oppressed." So people invite Communism because it feeds them so well, according to this teacher. Fox replies, "In what country is this, Dr. Harkness?" The truth is that communism cannot produce food for its people - China a good example.

..When Dr. Harkness sues "Tocsin" we wonder whether she will sue the communist press who have frequently associated her with communist activities in Daily Worker and the People's World?

## ABC PROFESSOR VIEWS WORLD'S RELIGIONS

"The Pulpit" magazine for September 1961 carries an article by Dr. Nels F.S. Ferre, ABC seminary professor at Andover - Newton near Boston, which is an address delivered April 23, 1961 at Chicago Sunday Evening Club in Orchestra Hall. If Bible-loyal people want to know what's wrong with the ABC missions program here is the latest evidence. The article begins, "If the world survives and unless civilization is set back beyond present imagination we Christians shall have to decide what we are going to do about the world's religions. This decision is now inescapable and there are four major choices. The first choice, which seems obvious, is that the Christian faith alone is true and that all other religions are pagan and false. I reject this answer on two grounds: it is unbiblical and must be rejected from within the faith itself. Paul has given us the final, definitive answer: If it be true that God is one, then all who worship him must in some way worship the one God. I also reject this answer because it makes Christianity esoteric; that is, it makes it a private and partial affair. If God is creator of all the ends of the earth, religion is essential to all and is God's call on all people. The religions of the world then spring necessarily as a response to God's call to all people. As man's need for God, religion is the deepest drive of human nature. There can be no more a Hindu, a Christian or a Bahai medicine of immortality than there can be a Chinese, Ayran or Indian cure for cancer." For mind-cleansing, readers should now prayerfully read Acts 4:12; John 14:6; John 12:44; II Cor. 6:14-18.

## S.S. EXPERT ON FOLLOW-UP OF ABSENTEES

In the column "Ask Dr. Sunday School" in action for August 1961 these words, "Question: What do you do about apathy on the part of a good Sunday School teacher who won't call? There is no such thing as a good Sunday School teacher who won't call. I assume what you mean is that he is above average as he stands before his class. Perhaps, but we need to realize that is only a part of the job. A teacher may have many fine attributes, but calling on absentees and (Cont'd p.2)

## PREVIOUSLY UNPUBLISHED LETTER OF LUKE WARM

"Dear God: You have been pushing my conscience pretty hard lately on the matter of being a responsible church member — and I think it's time for me to say something back to you. You see, I started out with a firm resolution to go to every service of the church. But since I joined the church the other members seem to have forgotten me. All of them were right after me till I joined and it made me feel important. But, God, the letdown has really cooled my enthusiasm. Besides that, I've been invited to join a square-dance club and a bowling team. And with PTA, lodge, fishing, and hunting, I don't have much time for you and the church anyway. A person can't do everything you know! I really hadn't meant to mention this, God ... but since I've gone this far, I guess I might as well. You remember back a couple of Sundays ago ... the pastor hit pretty hard on tithing — money, money, money! Every other word "money". I didn't appreciate that, God, to be quite frank! What do these preachers think I am, a banker? When I'm in church I always put in from 50¢ to a dollar! What more can you ask of a person? I just don't have that kind of money. Besides, I've already put out this year over \$600 for lodge dues, fishing tackle, and a license ... and must save money for a new car and color TV set! I tell you God, if those folks down at the church are more interested in my money than they are in me ... I can just stay home. Well, there you have it, God, and if you don't mind ... lay off my conscience from now on about this church attendance — and especially money! I'll get in touch with you whenever I need you for something. Yours forever, Luke Warm."

..Bishop James A. Pike, in the "Pacific Churchman" for March 1961 said of the American Civil Liberties Union, "In short, while I may disagree heartily with certain positions the Union, from time to time may take, I am grateful to them for their jealous concern for our civil liberties and for the many important contributions they have made toward our freedoms, notably in segregation cases, resistance to police brutality, and the like".

Here are a few: Right to worship, right of free speech, right to petition for grievances, right of privacy of the home, right of habeas corpus, right of trial by jury, right to move about freely, right to vote freely and secretly. In addition, these economic rights: right to own property, right to work in place of choosing, right to bargain collectively, right to go into business, right to opportunity, right to make a profit, right to save, right to compete in a free market, right to contract.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Nels F.S. Ferre, ABC seminary professor, states of Jesus in book "The Christian Understanding of God", of Jesus, "He is at best a vague figure. He never was nor became God". On Communism, "We shall witness to the communists because whatever truth is theirs we accept wholeheartedly, and beyond their truth lies God's truth ... If Marxism should conquer the whole world, this might be merely the prelude in economic arrangement to the blossoming forth within it of the deeply sowed seed of the Christian faith and expectations". What blasphemy.

..Dr. Nels Ferre further wrote that the Communists "are too sharply aware of the imperfect parts of the Bible and too honest with the truth...Marxism may be God's means to Christian fulfillment in history. We hope, rather, that Christian communism will win the day. That such a new economic system is coming seems altogether likely". The last time we heard Dr. Ferre was at Berkeley First Congregational Church under auspices of the Pacific School of Religion "Earl lectures".

..Tragic appointment coming up possibly. "Human Events" stated recently that among three negroes to be named US ambassadors to non-African nations, will be Dr. Benjamin Mays to Israel: Dr. Mays is president of Atlanta's ABC-supported Morehouse College which recently gave a reception in honor of Communists Carl Braden and Frank Wilkinson. Dr. Mays has 37 pro-communist affiliations according to M. G. Lowman's book "660 Baptist Clergymen". The President previously appointed Rev. John Scott Everton as Ambassador to Burma, listed in the same book. May God save the nation from communist-front Baptist preachers.

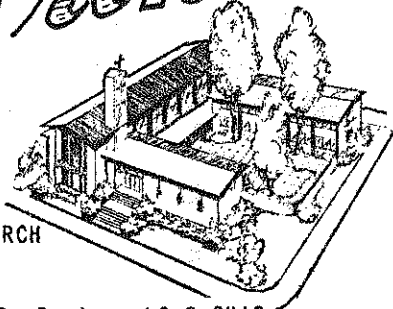

..Baylor President W.R. White stated that "no one could remain at Baylor University who would use the Fifth Amendment to the Constitution of the US as a subterfuge on the question of membership in the Communist Party ...In my opinion, the Fifth Amendment was never intended to provide immunity for people guilty of sedition. I certainly consider membership in the Communist Party as an act of sedition. I am not using the word in a technical and legal sense. Baylor University is interested in the spirit of the law as well as the letter".

..Dr. Wm. F. Kerr, new Dean at S.F. Seminary, had major surgery Monday at the Portland Sanitarium, Portland, Oregon, where he will be for a week.

..The House Report 22900, 71st Congress states: "The ACLU is closely affiliated with the Communist movement in the UC, and fully 90% of its efforts are on behalf of communists who come into difficulty with the law. It claims to stand for free speech, free press, and free assembly; but it is quite apparent that the main function of the ACLU is to attempt to protect the communists in their advocacy of force and violence to overthrow the Government, replacing the American flag by a Red flad ..."

"Heads Up" paper (Box 913, Los Altos) announces that Karl Prussion formally notified the San Jose District Attorney to press charges of perjury against Dr. Holland Roberts, for filing for public office in Nov. 1958 and concealing his Communist Party affiliation. Dr. Roberts polled 397,429 votes in 1958 as candidate for Supt. of Public Instruction. The Los Angeles Times, Jan. 22, 1956 stated, "SCHOOL HEAD NAMED RED BY WITNESS ... A former registrar of the California Labor School today said its present director, Dr. Holland Roberts, was a member of the Communist Party and held private conferences at the school with top San Francisco officials of the Party. Ernestine Gatewood, 39, of San Diego, testified at a hearing being conducted by Francis A. Sherry, former Governor of Arkansas, for the US Subversive Activities Control Board". Karl Prussion in his formal letter to District Attorney Louis P. Bergna said, "I have irrefutable information to the fact that one Dr. Holland Roberts perjured himself when he ran for a state public office in Nov., 1958." Every loyal American in California should DEMAND that Att. Gen. Stanley Mosk press this case, and every citizen of Santa Clara County should write to Mr. Bergna and demand immediate ACTION on the case. Watch the Party rally the Democratic clubs, unions, civic organizations and CHURCHES in support of Dr. Roberts.

## NKRUMAH STUDIED FOR MINISTRY IN US

The Oakland Tribune recently carried a special report from Ghana by Dr. Alonzo Baker, professor of political science from Methodism's University of Pacific. It said about Dr. Kwame Nkrumah, president of Ghana, "Just now he is in Red China after several weeks VIP tour of the USSR and the communist satellites in East Europe ... In his autobiography Dr. Nkrumah describes himself as 'non-denominational Christian and a Marxian Socialist' ... Nkrumah developed strong Socialist convictions while in America, of all places ... In 1945 Nkrumah went to England to study in the London School of Economics ... There Nkrumah was inflamed with the strong socialist gospel preached by the new men in Whitehall ... The probable explanation of his Marxian predilection is the enormous progress the socialists have made in industrializing a backward Russia, and in educating a huge population which was mostly illiterate when Lenin took over ... His two newspapers here in Accra carry glowing accounts every day of his triumphal tour through the red lands. They quote copiously from his current observations on the immense gains communism has brought to its peoples. Daily he goes all out praising communism and never a word of reservation or criticism — all adulation". This is a first-class piece of Red propaganda by this UOP professor. Dr. Nkrumah spent ten years in education in Philadelphia, where he earned his MA at U. of Penn. and received his BD from the Presbyterian Seminary of Lincoln University. He did considerable preaching in the Philadelphia area. Dr. Donald Grey Barnhouse said of this Marxian, "Nkrumah is a committed Christian". (Eternity, Feb. 1958, p. 10). With communists enjoying an 80 to 100% control of Ghana right now, it is more than passing strange that we have another world communist leader who, like Stalin, was a former divinity student. America has been responsible for winning many of the leading world communist leaders to Marxian and Leninist ideology in her seminaries and universities.

..Dr. John Bradbury, editor of Watchman Examiner quoted editorially and approvingly a statement of Dr. J. The churches are feeling the malignant stabs of hydra-headed reincarnations of the late Senator from Wisconsin".

..Bishop Arthur Lightenberger is quoted recently in THE EPISCOPALIAN for August by AP feature writer George Cornell, "These extreme right wing groups claim they are fighting communism but they use its methods, which in the end would make the country ripe for communism". Such twisted thinking reflects communist manipulation of public opinion.

..Dr. Harland E. Hogue, Pacific School of Religion Professor, stated over Berkeley radio station KRE at Earl Conference at First Congregational Church, February 25, 1960, "The words of 'God Bless America' are perhaps the most blasphemous in a profound sense, that American culture has devised in the last three decades."

## TEACHERS WHO WILL REVOLUTIONIZE OUR S.S.

"The good teacher has an attitude of consecration toward his teaching ministry. This is basic, for when he stands before the judgment seat of Christ, he will be judged for his motives in service. Does he teach because he loves God and his fellow-men? It is difficult to imagine other reasons for getting involved in a teaching program, with all its problems and tensions, but there no doubt are some who teach because of the prestige it brings them in the local church ... If a teacher does not want to study, does not want to attend teacher training classes, does not come to staff meetings, does not visit his pupils, does not arrive in time for pre-session activities, and so forth, it would be a good thing for him to examine his purpose in teaching. The person who spends one hour a week preparing the lesson and one hour with his class on Sunday morning is NOT the type of teacher who is going to revolutionize our Sunday Schools." Gordon G. Talbot, Sunday School Times, Sept. 2, 1961.

F. Kerr of Portland who will speak on "Modern Evangelicalism's Most Neglected Doctrine". He is bringing this address by request of the Trustees. The installation of the new President, Dr. Arno Q. Weniger, will take place at this time. We are hoping that each pastor will see that several carloads of people attend.

## CHRISTIAN CENTURY DEFENSE OF COMMUNISM

On Aug. 30, 1961 the leading liberal religious weekly in America editorially recommended a paperback Ballantine book attacking HCUA entitled "The Un-Americans", edited by a known communist as having "some limited use". HUAC Report No. 41 "Communist Legal Subversion" tells us about author-lawyer Frank J. Donner: "Frank Donner was identified by a number of witnesses before this committee as a member of a Communist cell comprised of lawyers employed by the (Cont'd p. 2)

## AN EXPENDABLE 5th AMENDMENT FACULTY MEMBER SERVES IN UC DEPT. OF ECONOMICS

According to "Tocsin", fearless UC student publication fighting totalitarianism (Box 784, Berkeley 1, \$1 for ten issues weekly), Mr. Cliton E. Jencks is a teaching assistant in Dr. Clark Kerr's UC faculty. He received a Woodrow Wilson graduate fellowship without ever revealing that he was a member of the Communist Party. He was nominated by Prof. Van Deusen Kennedy of UC. He swore before HUAC that he was a machinist by trade, member of Mine, Mill and Smelter Union. On July 22, 1959 before HUAC he took the fifth according to "Tocsin". "He refused to answer whether or not he signed a non-communist affidavit" while employed by the union. He was convicted in a US District Court in Texas for falsely swearing that he was not a member of the CP nor affiliated with the CP. The US Court of Appeals, fifth district, upheld the conviction. The US Supreme Court threw out the case when the FBI refused to open its files to Jencks. Dist. Judge R.E. Thomason reluctantly granted the Gov't's request to drop the case, indicating that Jencks was tried by a fair and impartial jury and found guilty. "This court thought he was guilty then and thinks he is guilty now." NOW HE DRAWS TAX-PAYER'S MONEY FOR SALARY FROM UC. Write Tocsin for complete story. Citizens can take care of this easily. Pres. Clark Kerr, Chancellor Edward Strong, Vice-Chancellor Adrian Kragan can be reached at U. of C., Berkeley, Calif.

## LAWYERS ARE TRYING TO DISBAR COMMUNISTS

The California State Bar Conference meeting in Monterey Sept. 25 will consider a resolution to disbar Red lawyers in California. The S.F. Lawyers Club voted approval of the resolution. It has a good chance to succeed if citizens will send a flood of letters supporting the resolution to: Brent M. Abel, Chairman, Conference of State Bar Delegates, Monterey, Calif. Time the letters to arrive on Sept. 22 or 23. The resolution will be debated about 2:30 p.m. on Sept. 25 at the Monterey Fair Grounds auditorium. ..Dr. John Speering of Compton First Baptist in southern California has invited SF Seminary President Dr. Arno Weniger to bring nightly addresses at his Bible Conference next week.

The usher went and spoke to the man saying, "Sir would you kindly remove your hat?" The man seemed enthusiastic and replied, "I knew it would do it, I've come here for six weeks and you're the first person who has spoken to me."

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Liquor at ABC College..Colby Junior College, an American Baptist related and supported school, sent out an announcement of "Alumni Reunion Week-end, Oct. 7. The program: 5 p.m. Class Cocktail Parties - Headquarters. (You are reminded that liquor cannot be purchased in New London - please bring your own supplies) ...8 p.m. Smoker for Men - Alumnae Lounge. Informal meeting with Dean Dodd and Dean Koory for Alumnae."

..Fuller Seminary and the Marxist Ideal.. Wm. S. LaSor, prof. of O.T. in new book "Great Personalities of the New Testament" says p. 120 in footnote, "The Marxist ideal is sometimes quoted, 'From each according to his ability, to each according to his need'. We have no objection to the ideal; it is the method of enforcing it that is significant; in communism it is the State; in the Church it is love." We wonder what kind of love will accomplish this? Is it the "love" which the New Evangelicalists have toward the Fundamentalists? That reminds us too much of Castro.

..Catholic Theology at Fuller..Dr. LaSor of Fuller states, p. 73, "To the best of my knowledge and understanding, we are forced to admit that Jesus was designating Peter as the Rock on which He was beginning the building of His Church. The subsequent work of Peter in Acts will substantiate this statement." Can't you see Los Angeles Cardinal McIntyre chuckling to himself? On p. 70, "I believe we have made a mistake. There is a right of priority that belongs to Peter by Jesus' choice. He is the Rock with which Jesus began the building of His Church. He deserves careful study." That's what we read on the stone in front of St. John Lateran Church in Rome.

..Dr. Earle E. Matteson, Pres. CBF is state CBA Fall Rally speaker, for Colorado CBA Oct. 2 and 3.

..Dr. L. T. Talbot has been appointed interim pastor of Hinson Memorial Church following the generous farewell given to Pastor Wm. F. Kerr who comes to San Francisco.

..State College Chancellor..The Santa Monica "Evening Outlook" newspaper editorially concluded on Aug. 18, 1961, "It would be hard to find anyone more unfit than Dr. Gallagher for a position of enormous influence over the minds of our college young people, of whom many will become teachers in our public schools."

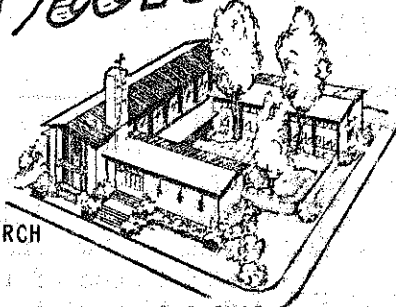

..American Baptist Unbelief..Dr. Franklin D. Elmer, Jr., pastor of Flint First Baptist Church and Editor of "Baptist Freedom" for the ABC Roger Williams Fellowship is quoted in "The Pulpit" for Feb. 1961, "The Bible says to me that man's ideas of God are constantly changing. I find in the Old Testament pictures of a pagan God who could one minute kill the armies of Pharaoh with the waters of the Red Sea, the next minute write with a fiery finger 'Thou shalt not kill', and then a few minutes later, himself wipe out the soldiers sent to capture Elijah. How good it is to know that our ideas of God can change. We prefer One who approves 'Love your enemies', 'Return good for evil,'.."

## WHEN SHOULD SS TEACHER REPORT FOR DUTY?

7-15-61  
v. 12  
16a 18

A teacher should come early, at least ten or fifteen minutes before his class begins. This gives him a chance to consider some of the outer factors involved in teaching. For example, he can see that there is proper heat, light, ventilation, arrangement of equipment and curriculum materials for use in his room. All such factors are important in the readiness of students to learn. If the room is too hot or too cold, if the lighting is poor, if the air is stale, if the chairs are fixed so that some students cannot see the teacher, or if the materials are not on hand, the class may be a dismal failure. The teacher must also consider inner factors involved in teaching. If he gets there early, he can determine whether or not each student is happy, contented, and ready to learn. It may be that one is hungry, that another is bothered by an emotional problem, or that yet another is afraid for some reason. These inner factors, if not cared for, may harm the effect of the lesson.

## NEW EVANGELICALISTS APPROACH TO TRADITION

Fuller Seminary professor W.S. LaSor in his book "Great Personalities of the New Testament", 1961 has this to say, according to a note from a Blu-Print reader, "According to an old tradition, when fierce persecution of Christians broke out in Rome, the Church there convinced Peter that he should flee. As he was leaving the city, he met the Lord Jesus who was walking toward Rome. 'Quo vadis, Domine — where are you going, Lord?' he asked. 'I am going to Rome', answered Jesus, 'to be crucified again for you'. At those words, Peter returned to Rome where he was crucified, head downward, because he felt he was unworthy to die in the same fashion that His Lord died. This tradition may have nothing more behind it than an early attempt to explain the words of John 21:18-19. But it seems so much like Peter that many of us are willing to accept it. Traditions can sometime be right, you know."

..Dr. Lester Thompson, president of BFMS spoke recently before the Memorial Baptist Church of Fresno, which is interested in securing a new pastor.

.."God always sends His staff with His rod".

## WELCOME PLANNED FOR DR. KERR, NEW DEAN

### SEMINARY PRESIDENT INSTALLED AT RALLY

Friends of the San Francisco Baptist Seminary will gather next Monday evening, Sept. 25 at 7:30 p.m. in the auditorium of the Hamilton Square Baptist Church at Geary and Franklin, to install the new president of the Seminary, Dr. Arno Q. Weniger. At the same time the Seminary will welcome the new Dean of the faculty, Dr. Wm. F. Kerr who is also the professor of Theology. Dr. Kerr will bring the address of the evening entitled, "Modern Evangelicalism's Most Neglected Doctrine". He is bringing this address by request of leaders who want the position of this Seminary clearly stated at every opportunity. We are hoping that each pastor will see that several carloads of loyal Conservative Baptists are present from wide areas.

## WATCH OUT FOR PROPAGANDA ON ANGOLA

Counter-espionage agents have revealed that in April 1961 the Communist international movement issued directives to intensify the conflict within Angola, to downgrade the Portuguese government, and to play up the atrocities in this African colony. We have been amazed in very recent weeks how the religious press in America have responded to this clear-cut manipulation of public opinion with articles in such evangelical papers as Eternity, NAE ACTION, Watchman-Examiner and others. The latest is a widespread letter addressed to ministers from the "Africa Defense and Aid Fund", 157 Masonic Ave., San Francisco 18, Calif., over the signatures of Bishop James A. Pike and Rabbi Max Nussbaum of Hollywood's Israel Temple, asking for gifts to assist refugees who have fled Angola to nearby Congo. Americans are urged to be cautious about giving to any fund without adequate investigation, lest help be given to fronts which are subversive of the best interests of the Christian Faith and the cause of freedom. Please watch carefully the playing up of Angola atrocities in every segment of the press. Notice how little is said about the UN atrocities in killing Katanga residents. .."God will not lock you over for medals degrees or diplomas, but for scars".

Copies of the photos of arrested rioters, front and side police views, can be had by writing "Americans on Guard", 105 E. 18th St., Costa Mesa, California. The Blu-Print has several copies.

..The progress of the "Dialogue" ...Continuing the list of New Evangelicalists who have been writing articles for the modernist "Christian Century" such as Sherman Roddy, Carnell, Graham, is one on Sept. 13 by George Ladd, on "Pondering the Parousia". The Century said, "The fact that conservative Evangelicals are increasingly interested in conversation with less conservative Christians gains further substantiation with the article by GEORGE ELTON LADD. Mr. Ladd is professor of N.T. history and Biblical theology at Fuller Theological Seminary, Pasadena."

..Herbert Aptheker, who spoke on Sunday, July 23 at Wesley Chapel of Berkeley's Trinity Methodist Church (Pastor C. Douglas Hayward) under Bishop Tippet's permission and who opened his address with the words, "I am a Communist", is revealed as a member of the 60-man National Committee of the Communist Party, editor of the CP "Political Affairs" magazine, and considered No. 1 theoretician of the C.P. and thus a world Communist figure. ## RALLY DAY NEXT LORD'S DAY AS TEN DEPARTMENTS OF THE S.S. HOLD GENERAL ASSEMBLY

Supt. Kenneth Pemberton will preside at the Rally Day program in the Main Auditorium of the church next Sunday at 10 a.m. when the ten departments of the Sunday School will file in after opening exercises in their own rooms at 9:45 a.m. Special recognition will be given to each teacher whose class is 100% in attendance. They will be given the opportunity to "break the record" literally. Music will include the brass trio, male quartet, duet, and a "staff skit" under direction of Paul Romesburg. Missionary William F. Hunter was engaged to bring a brief address. He will be remembered as a former superintendent of our Sunday School. Let all of our members and friends show their loyalty to the church on this Lord's Day.

## LIQUOR AND AMERICAN BAPTIST HYPOCRISY

At Portland, Oregon on June 17, 1961 the American Baptist Convention adopted 12 pages of resolutions. In Section II, part 4, they have this "Reaffirmation": "American Baptist opposition to the use and sale of alcoholic beverages and narcotics ... and recommend total abstinence inasmuch as these constitute one of the greatest dangers to the sanctity of the human body and family life". Very good so far. The APC also adopted an enormous budget which included support for Colby Junior College, and ABC related school. Recently this school sent out a program folder "Alumni Reunion Week-end". Oct. 7. The program: "5 p.m. Class Cocktail Parties - Headquarters. (You are reminded that liquor cannot be purchased in New London - please bring your own supplies) ... 8 p.m. Smoker for Men - Alumnae Lounge. Informal meeting with Dean Dodd and Dean Keery for Alumnae". This kind of profession and practice parallels the APC attitude toward the Word of God. Accepting it on paper and denying it in every APC college without exception.

..The new Communist martyr, Carl Braden is mentioned extensively in "General Legislative Investigating Committee 1962 Report", Room 408 F, New Capitol Bldg., Jackson, Miss. Page 218, "Mr. Arens. Would you give us now please just a word about your education? Mr. Braden: I studied from 1928 to 1930 for the Catholic priesthood. I might add that I am now a member of the Episcopal Church."

.."Statement of Admonition to the National Council of Churches" is the title of a ten-page folder censoring the NCC, published by the First Baptist Church of Alhambra, 101 So. Atlantic Blvd., Alhambra, Calif. No more than 25 copies per person.

## NEW FILM AVAILABLE THROUGH S.F. SEMINARY

"Red China - Outlaw" is a 16 mm black and white sound film of 30 minutes in length which has just been authorized by the "Committee of One Million" to alert Americans to the danger America faces if we fail to fight the admission of Red China to the UN and recognition by the US. The pressure to admit Red China by the US Administration is intense. Narrator Lowell Thomas will tell about the brutal subjugation of Tibet, with pictures of the streams of refugees fleeing the Communist executioners in Tibet. Evidence of Korean atrocities against American prisoners of war will be shown. Mao's program of opium traffic through Castro's Cuba into the US to create an "invisible fund" of American dollars with which to carry on Communist work of riot and revolution. It is essential that this film be shown RIGHT NOW during this critical hour. Featured are telling remarks by Congressman Walter Judd, Rep. Francis Walter, Senator Dodd, and others. Excellent for men's clubs, youth gatherings, women's meetings, as well as Sunday evening following the message. AN IDEA: Why not have a group of friends together for a chow mein dinner, and then show this film? The film can be rented through the San Francisco Baptist Seminary. Prospect 6-8082.

## THE HOLY SPIRIT IN THE SUNDAY SCHOOL

"Atmosphere is thought of as something intangible. There is the invisible heart warming presence of the Holy Spirit, but also His presence is reflected in human life. Neatness of surroundings; music and singing; unctuous praying; congeniality; sympathy; acceptance; invitation; avoidance of crowded and undesirable conditions; ushering; (Cont's p. 2)

..Holy Spirit in the S.S. (Cont'd) — attractive materials of instruction; personalities indwelt by the Holy Spirit — these make up the atmosphere of the Sunday School. While winsomeness and intelligence are highly desirable qualities the graces of the Spirit are often found in plain, ordinary people. And ordinary people with the call of the church upon them by application and effort become very proficient in Christian service. Where the Holy Spirit is at Sunday School a sense of unworthiness and unfitness will impel teachers to self-improvement.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Gov. Mark O. Hatfield of Oregon telegraphed Dr. and Mrs. Wm. F. Kerr, the new dean at the S.F. Baptist Seminary, Sept. 8, "As you take leave of your ministry at Hinson Memorial Baptist, Antoinette and I wish to convey our own appreciation for your spiritual guidance and for your fine friendship. May our Lord's blessings be upon you as you assume your new responsibilities. Warmest regards."

..Will Bishop Pike be tried for heresy? It might appear so from a little, tiny note given to the Pastor from the American Church News "Daily Report" of Sept. 19 direct from Cobo Hall in Detroit where the Episcopalians are in triennial session, "LAST MINUTE NEWS... 'I hope no one feels apprehensive', said the presiding bishop, as he announced his appointment for the nominating committee for the selection of a committee for the trial of a bishop. Chosen for the nominating committee by Bishop Lichtenberger were the bishops of Chicago, S.W. Virginia, and Rochester". This is the BIG NEWS out of Detroit.

..Segregation in Bishop Pike's backyard .. In the light of the meddling in other people's segregation problems in other states, this bit from the American Church News "Daily Report" for Sept. 21, 1961 is great, "In the Episcopal Church annual, under 'Institutions for Care of the Aged', there is listed in the Diocese of California, an institution restricted to white protestant residents."

..An Episcopal judge sentenced several Episcopalian freedom riders, including Union Seminary-trained Robt. L. Pierson, son-in-law of Gov. Rockefeller, and 14 other clergymen on Jan. 15 in Jackson, Miss., according to the Chronicle of Jan. 16. "The judge cited an article of religion from the Episcopal Book of Common Prayer. It said: 'The power of the civil magistrate extendeth to all men, as well clergy as laity, in all things temporal; but hath no authority purely spiritual. And we hold it to be the duty of all men who are professors of the gospel, to pay respectful obedience to the civil authority, regularly and legitimately constituted'". We congratulate the judge.

..CBFMS gives literature funds to CBHMS .. We understand that the CBFMS had sufficient "Mr. Page" funds on hand at Portland to give CBHMS \$10,000. Recently at Wheaton they gave another \$5,000 with a promise of \$24,000 more. It is alleged that some of this will go to produce Billy Graham literature in Mexico.

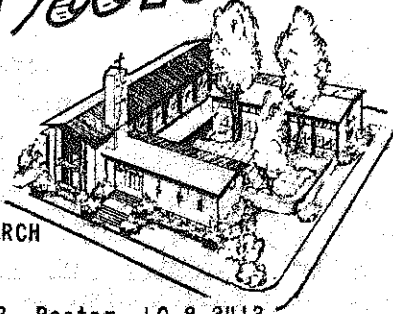

..First Baptist Church, Danville, Calif. withdrew unanimously on Sept. 13 from the Southern Baptist Convention because of alleged liberalism and softness toward communist penetration, according to Pastor Richard Owen. The pastor is a student at the San Francisco Baptist Seminary.

..A man is a fool who leans on the arm of flesh when he can be supported by the arm of Omnipotence.

## NEO-ORTHODOX PENETRATION AT BETHEL SEMINARY

Dr. Robert H. Mounce, a professor at the Baptist General Conference school, is the author of a new book "The Essential Nature of New Testament Preaching". It was reviewed in the July 1961 issue of "Bibliotheca Sacra" by Pres. J. F. Walvoord. "The sweep of neo-Orthodox theology in Europe and America has centered attention on preaching as a means of divine revelation ... For the most part he ignores conservative evangelical scholarship ... In his conclusion, however, he restates the evangelical position in language that is remarkably similar to that of neo-orthodoxy. One misses a clear and ringing testimony to the infallibility of Scripture as the basis for preaching today. There are too many concessions to the neo-orthodox doctrine of the experience of revelation ... his conclusions are remarkably weak for anyone who assumes the authority of the Bible in the first place. One really learns little about New Testament preaching that is not self-evident in a simple reading of the Scriptures."

## FILM SUNDAY NIGHT — "TWO BERLINS"

The graphic new film "Two Berlins", available through the San Francisco Baptist Seminary will be shown Sunday evening at 8:15 p.m. at the Singpiration in the Lower Auditorium following the Sunday evening service. As my words can describe, it shows the remarkable contrast between the drab way of life under slavery in East Berlin compared to the glittering and thriving city of West Berlin where freedom prevails. Do not fail to see this film!

## ST. STEPHEN'S CHURCH IN ORINDA

Father C. Corwin Calavan of St. Stephen's Episcopal Church in Orinda has a miserable little problem on his hands in a little paper being circulated in the parish by members entitled "The St. Stephen's Advocate", which features highly interesting letters addressed to "Dear Cousin Irudence" from "Your devoted cousin, Hortense". They are needling the rector for his connections with the "National Committee to Secure Justice for Merton Sobel", the noted atomic spy who betrayed this nation's (Cont'd p. 2)

## CRA BAY AREA ASSOCIATIONAL MEETING

On Friday, Oct. 13, the churches of the Bay Area will send representatives to the Huntwood Baptist Church, 25830 Gadding Road, Hayward, for an all-day meeting. Registration will begin at 9:30 a.m. with divided sessions at 10 a.m. Combined sessions at 11:30 a.m. and again at 1:30 p.m. Pastor Robt. Matthews of San Mateo will give the Associational sermon. The evening youth message will be brought by Pastor Richard Owen of the First Baptist Church of Danville. Missionary Louise Burness from the Congo, Missionary Roland Hefner from Taiwan, Pastor Glen Roades of San Leandro and Pastor Roy Nelson of Saratoga will also bring addresses. Host Pastor Marvin Jost issues a warm invitation to Conservative Baptists and their friends. Eugene Peterson is Moderator.

## SEMINARY PRESIDENT TO CONSIDER ACTION AGAINST COMMUNIST FRONT FORGERY

Leaders at the San Francisco Baptist Seminary were greatly disturbed to find that the President, Dr. Arno Q. Weniger, had been listed in the "Furns Report" of the 1961 Senate Fact-Finding Subcommittee on Un-American Activities in California in connection with the "San Francisco Little Summit Conference". On page 110 he is listed along with several well-known communist sympathizers as a sponsor of that front. This was a clear-cut case of fraud, deception and forgery. At no time did he ever give permission to this or any other front group to use his name in connection with their disreputable activities. He considers any association with communists as a slander and libel on his character, and he has taken steps publicly to have his name disassociated from this connection. He is consulting a Christian lawyer to see what legal measures are available.

..Dr. Wm. F. Kerr, Dean of the San Francisco Baptist Seminary, has been invited to be the speaker for the Pastor's Conference in Southern California in April. He spoke recently at the Victory Association of CFA churches in Stockton's Calvary Baptist Church, where Dr. John R. Siemens is the pastor.

..St. Stephen's Church in Orinda Cent'd. secrets to the communists. They have chided the rector for holding "a communist front organization meeting in our own St. Stephen's". Issue No. 2 closes with these words, "Do you think it is a vain hope, Cousin Prudence, for me to long for the day when we will once again study Jesus in the Sunday School, and worship Him in the Church?"

..The wise man always prepares for the inevitable.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

.."Communist tricks" for enslaving the world, is a 110-page book by Claude Bunzel with 50 short chapters at \$1.50 per copy. It is illustrated well with case studies and life experiences as it presents communist theory, methods, and results. Extensive bibliography. Forward by retired Senator Nelson Dilworth. Twentieth Century Evangelism, Box 345, Pasadena, Calif.

..Bishop Pike wins sweeping victory with fellow bishops. The Examiner for Sept. 27 on front page said, "No Heresy Trial for Pike" ..This is what one bishop said "Jim isn't a heretic. He may use language that I might not use, but to deny the Virgin Birth is to deny the divinity of our Lord and he is not doing that." ..But doesn't the bishop road? Pike stated in the Christian Century of Dec. 21 1960, "... the biblical evidence and the theological implications seem to be in favor of assuming that Joseph was the human father of Jesus". He also stated unequivocally that he did not believe that Jesus was "conceived of the Holy Ghost". Another bishop said, "The bishops honestly believe that heresy trials do nothing but martyrize a guy, and that they are out of date". Episcopalian believers are not likely to take this "lying down", however.

..Congress on racial equality..The Examiner, Sept. 27, "Washington, Sept. 26 — (AP) — Sen. Stroh, Thurmond, Democrat of South Carolina, told the Senate today two San Francisco residents, each of whom he said are communists, have applied to establish a chapter of CORE in that city. In a Senate speech, Thurmond identified the two as Juanita Wheeler who, he said, is a member of the national committee of the Communist Party, and Lee Levy Kutnick. He said Kutnick is a member of the San Francisco County Communist Party".

..Lloyd Matteson, a former deacon now living in Sunnyvale, we are glad to report, is improving after serious abdominal surgery, which should make him better than ever. We never forget the loyal and faithful service which our members render in this work.

..A clever dodge of the truth..The Detroit Free Press of Sept. 20 gave coverage to an address by J. Irwin Miller, Pres. of NCC, in which he tried to defend against Red charges against the NCC, "For example, one that they constantly assert is: 'Why does the National Council of Churches favor abolition of the House Un-American Activities Committee?' But the Council has never said a thing or passed a resolution concerning the Un-American Activities Committee". How a person could read the 25-page NCC booklet "Operation Abolition" which blasts the committee mercilessly, and believe a word of Mr. Miller's defense is strange.

## AN ALLEGED COMMUNIST AT STOCKTON'S U.O.P.

19-01-01  
11-2-14  
11-2-14  
11-2-14

One of the most astounding developments is the booking of an alleged communist to give the feature "George H. Colliver Lectures" at the University of Pacific on Nov. 27 and 28. Dr. Frank A. Lindhorst, lectureship chairman, has announced that Dr. Joseph F. Fletcher, professor of Practical Theology and Christian Ethics at the Episcopal Theological School in Cambridge, Mass., will give four lectures. Dr. J.B. Matthews in the July 1953 "American Mercury" magazine wrote that Dr. Fletcher was one of "the five top pro-Soviet propagandists in this country". Mr. M. G. Lowman in his book "6000 Educators" has 80 listings of pro-communist and leftwing activities, a record exceeded by very few. However, on July 6, 1953 before the House Committee on Un-American Activities, Herbert Philbrick, FBI counterspy within the Communist Party for nine years, testified under oath that he was certain that Dr. Fletcher was a communist. In the HCUA book, "Investigation of Communist Activities in the New York City area", part 5 "MR. PHILBRICK ... One of the most active centers of Communist Party activity then and now in Boston is the Community Church of Boston. The Community Church is headed by the Rev. Donald Lothrop, L-O-T-H-R-O-P. He is one of the individuals, who, I am sure in my own mind, is operating under Communist Party discipline. I have no doubt about it at all, and I would not make the statement if I had the faintest doubt as to where the man's loyalty lies. MR. KUNZIG. Then could you give us for the record in executive session here this afternoon these names to which you have referred? MR. PHILBRICK. Yes, I could. Donald Lothrop is one. The Rev. Joseph Fletcher, F-L-E-T-C-H-E-R, of the theological Seminary, Episcopal Theological Seminary in Cambridge, Mass. is another. Joe Fletcher worked with us on Communist Party projects and on enormous number of tasks. MR. CLARDY. He is still there. MR. PHILBRICK. He is, sir". Dr. Robert Burns is President of the University. Bishop Donald H. Tippett, 45 Southampton Ave., Berkeley, is the presiding bishop over this area. We know that there are enough freedom-loving Methodists who will protest the honor being given to this alleged Soviet agent at Methodism's leading institution in Northern California.

## NEW CONSERVATIVE MISSION SOCIETY FORMED

On Friday, Sept. 15 in Chicago a new world Conservative Baptist mission society came into being which will be unashamedly pre-millennial, separatist, fundamentalist and committed to local church ideology. Dr. Earle E. Matteson of Tuscon presided at the founding sessions. Dr. Bryce B. Augsburg of Chicago was named chairman of the "provisional missionary commission". Dr. Monroe Parker of Pillsbury said they had 75 young foreign mission candidates who would be interested in a new society. The society will have as its objective the establishment of local Baptist churches in fellowship with the CBA. All who are interested in obeying the Great Commission will rejoice at this development.

## THE SUNDAY SCHOOL BUILDER'S SONG

Our Men's Quartet sang this song on Rally Day to the tune of "Stand Up for Jesus". — Wake up, check up, go forward; the challenge is to you. The Sunday School is urgent and there is work to do. We want it bigger, better than ever it has been, And with our splendid goals, we know we're bound to win. Wake up the ones now sleeping, no matter who they are. The officers and teachers must all be up to par. They are our gallant leaders, and we must followers be, Support their endeavors with joyous liberty. Check up on absent members, and bring them in again. Redeem them, keep them busy; let not their interest wane. The flame of zeal rekindle and keep it burning bright; The strength you spend at noonday, restore by prayer at night.

..The offset press for Blu-Print, contributed by non-members receiving the Blu-Print. Last report - \$925.45. Received this week - \$76.10. (Strand, Newton, Fellows, Fetterly, Jahn, Stewart, Ducas, Taylor, Luck, McQuoid). New total - \$1001.55. Who else appreciates the Blu-Print?

..Californian gains population at rate of about 1500 new citizens a day, while New York gains 533. At this rate New York and California will tie at 17,436,000 on Aug. 3, 1963. The next day California will be the largest in the Union.

## LOCAL CHURCH DEVELOPMENTS

..Decisions last Sunday..Mr. and Mrs. Gary Munson came forward to unite with the church. Mr. Munson by experience and Mrs. Munson by baptism. Mrs. Wanda Stanley came forward to rededicate her life.

..Read the Bible through..Psalm 150 - Proverbs 22.

..The parking lot adjacent to the church across Independence Way was graded and leveled this week, thanks to Mr. and Mrs. Wm. Mandeville. It now needs five loads of crushed rock at a cost of \$125. This will make a beautiful parking area.

..Contributions received through church office: Howard Rainey, Mr. and Mrs. Wm. Mandeville, Grace King, David Fisher.

..First five Training Leagues..1. Adults 2. Young Adults, 3. Homebuilders, 4. High School, 4. Juniors, 5. Jr. High.

..Departmental standings in S.S...1. Jr. 2. Women, 3. Primary, 4. Men and Jr. High 5. Beginners and High School.

..A sports trophy case will be secured as soon as sufficient funds are available. \$100 is available, according to Mrs. Kyle Pemberton, from certain ladies activities.

..Thursday Visitation Program, 7-9 p.m. with report and refreshments at 9 p.m. in Lower Auditorium, with Walter Lindquist.

..The Western Regional Conference is scheduled for Oct. 31-Nov. 2 at Arcade Baptist Church, Sacramento. We hope several of our people can attend.

..Dr. Jack Hyles named college president - Chairman Paul Seanor of the Board of Trustees of the Baptist Bible College of Denver announced the unanimous appointment of Dr. Jack Hyles of the First Baptist Church of Hammond, Indiana as pres. Dr. Hyles, who is one of the most dynamic evangelists in a local church pastorate, has accepted the appointment. We congratulate the college. Dr. Weniger is a member of the Board of Trustees.

..This takes nerve..Berkeley Evening School plans six weekly lectures on "The Facts About Communism". The Oakland Tribune of Oct. 4, reported, "Albert A. (Mickey) Lima, Northern California Chairman of the Communist Party, complained in a letter to the board that all of the speakers listed for the lecture series are anti-communists. His request to participate was turned down." Strong opposition to the anti-communist lectures were voiced by Dr. Ephraim Kahn, a medical doctor in Berkeley, and by Mrs. Allan Tempka, wife of UC instructor.

..Herbert Aptheker, No. 1 communist theoretician in US, was refused a visa by Japan to participate in the Hiroshima commemoration ceremonies in August, but Methodist Bishop Donald Tippet refused to cancel Aptheker on July 23 at Berkeley Wesley Chapel at Trinity Methodist.

..A Short Course in Popularity.. Do not exaggerate; do not make fun of others; do not be sarcastic; do not be donimeering; do not reprimand; do not be indifferent; do not laugh at others; do not boast; do not lose your temper; do not talk continuously; do not argue; do not lie; do not spread gossip; do not be a snob; do not be lazy; do not borrow.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

.."The National Council of Churches, A Menace to Church and State" is a 56-page folder at 20¢ each, published by the Board of Directors of the Southern Presbyterian Journal, Weaverville, S. C.

..Non-violence at its finest.. Dean W. Plagowski, 26, was sentenced in Berkeley last Friday to six months in jail, four months suspended for "blocking a public passageway" while picketing the US Atomic Energy Commission in Berkeley. Jim Dempsey in Berkeley Gazette of Sept. 28 said in his column, "A teletype to Sacramento brought back a two-page 'rap sheet' (criminal record) which showed the docile young man, Dean Walter Plagowski, outspoken advocate of non-violence, in the last six years has been arrested on two counts of armed robbery. Other arrests include carrying a concealed weapon, suspicion of burglary, narcotics, vagrancy, disorderly conduct ... and assault with a deadly weapon. This is non-violence?"

..Ten Commandments in disrepute.. This is sad indeed. From laymen-edited "St. Stephen's Advocate" for Sept. 15, "A lot of our parishioners say they don't like the fact that the clergy at St. Stephen's have asked the SS teachers to keep the Bible out of their teachings. The Ten Commandments have fallen into such disrepute here that teachers are told not to burden young minds with such trivia. There are certainly those who have youngsters in the EYC who don't like the amoral climate of their activities and discussions".

..On Dr. Linus Pauling, who spoke last week again in San Francisco. The "Facts in Education" for May-June 1960 states, "Dr. Pauling's affiliation with the ACLU and numerous communist fronts is well known. Less known is the fact that he refused to tell the California Senate Investigating Committee on Education whether or not he was a communist. Louis Budenz, former communist and editor of the Daily Worker, testified under oath that he was 'officially advised' that Dr. Pauling 'was a member of the Communist Party under discipline'".

..Denver Seminary leaders boycott the Colorado State CBA program. According to the Missionary-Evangelist for Sept. 1961 the following larger churches gave NOTHING in July to the CBA State Missionary Program: Denver Galilee (CBFMS Pres. Lester Thompson, pastor); Denver Bethel (Russell Pavy); Denver Hoffman Heights (Henry Van Kommer); Wheatridge Trinity (David Hood); Fort Collins First (Seminary Board Chairman Whittemore).

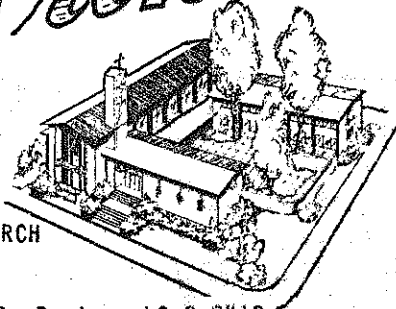

..Oakland Lakeside Baptist Church took official church action last Wednesday to eliminate all financial support of Berkeley Baptist Divinity School of the ABC because of modernism.

..Fairway Baptist Church withdrew recently from the American Baptist Convention because of Convention policy, and identified with the Swedish Baptist General Conference.

..It is a comfort to meet people.. Who preach little and practice much.

## NCC LEADER ADDRESSES ALLEGED FRONT GROUP

Democratic Congresswoman Edith Green of Oregon, noted NCC leader, addressed the 27th annual meeting of the American Civil Liberties Union Friday in S.F. She was quoted in the Chronicle for Saturday, "The extreme right-wing groups today are working more quietly and more effectively than ever before". She said that "right wing economic groups have joined with fundamentalist religious groups and in some instances the military" to form what she called "the unholy alliance". Rep. Edith Green was one of the "sicks" representatives who voted against the HCUA. The vote was 412 to 6 in favor of the committee's appropriations. She was scheduled as a main speaker at the June ABC Convention in Portland. She was a main ABC speaker last January at Dr. Riley's former pulpit, the First Baptist Church in Minneapolis at an ABC convocation. She was a defender of the National Council of Churches on April 19, 1960 in the House of Representatives for several hours. The California Un-American Activities Committee in 1943 reported, "The ACLU may be definitely classed as a communist front or 'Transmission Belt' organization. At least 90% of its efforts are expended on behalf of communists who come into conflict with the law". The House Report 22900, 71st Congress, 3rd session, Jan. 17, 1931 stated the same, adding, "It claims to stand for free speech, free press and free assembly; but it is quite apparent that the main function of the ACLU is to attempt to protect the communists in their advocacy of force and violence to overthrow the government, replacing the American flag by a Red flag ...".

..Fourth Baptist Church bulletin.. says about the New Society, "It is not to be a competitive society but one in the Conservative Baptist movement that will complement the present CB mission societies. The difference between the new CB Mission Society and the two existing ones will be the same difference that now exists between the Denver Conservative Baptist Seminary and the Central CB Theological Seminary".

## GRAHAM AND HERESY OF INFANT BAPTISM

The Minneapolis Star of Oct. 7 on page 6A had a column and a half on Dr. Graham which dropped like a bombshell across the Bible belt. Quoting a "Lutheran Standard" article by Wilfred Bockelman, Dr. Graham said, "But I do believe that something happens at the baptism of an infant, particularly if the parents are Christians and teach their children Christian truths from childhood. We can not fully understand the miracles of God but I believe a miracle can happen in these children so that they are regenerated, that is made Christian, through infant baptism. If you want to call that baptismal regeneration, that's all right with me". "He grants that there are many who were made Christians in infant baptism and who because of the Christian training in their homes never have known a time when they were not Christians". The original article appeared in the Oct. 10, 1961 issue of the "Lutheran Standard" published by the American Luther Church publishing Co., Minneapolis. In Irvine's book "Heresies Exposed" an entire chapter is given over to this heresy of "Baptismal regeneration". Dr. Graham's whole doctrine of salvation comes into question with fellow-Baptists across the world.

## FULLER SEMINARY HONORS NOTED MODERNIST WITH LONG PRO-COMMUNIST RECORD

The Fuller Seminary daily sheet for Oct. 9, 1961 stated: "Dr. John A. Mackay, former president of Princeton Theological Seminary, will deliver four lectures at the Seminary, Oct. 26 and 27. Dr. Mackay will address the students both mornings during the Chapel period and the evening lectures, which will be open to the public. Dr. Mackay will speak on the subject 'Jesus Christ and the Hispanic World'." Not only is Dr. Mackay one of the world's leading neo-orthodox modernists, as well as ecumenical promoters for the one-world church, but he possesses an unenviable record of at least 48 front listings and pro-communist involvements. In fact, M.G. Lowman's book "Recognize Red China" lists him at the head of the list on p. 17, even ahead of Bishop Oxnam. This development will leave Bible-believing people in all evangelical denominations (Cont'd p. 2)

## LOCAL CHURCH DEVELOPMENTS

..Sunday School classes with 100% attendance: Sr. High boys - Mr. Rollins; Sr. High girls - Mrs. Remesburg; Jr. High girls - Mrs. Cain.

..Sacred obligation of criticism.. Four "founding fathers" of the CBFMS (W.T. Taylor, C.S. Thomas, C.S. Roddy and E. M. Harrison) published the following in "The Answer" when they were struggling to get a new mission society going against violent criticism: "We will never surrender our right to criticize our societies and their work. If we must abandon our conscience and yield to the status quo to be cooperative, then the price is too high". Those words were just and right then, and now. Let us reject the idolatry of man-made institutions.

..Admiral Judson on "Infant Baptism" : "But it most evidently tends to confound the church with the world, and, it is to be feared, is the most pernicious practice that ever infested and laid waste the vineyard of the Lord". From sermon "Christian Baptism", delivered Sept. 27, 1812, published 1817 by Lincoln and Edmands, Boston.

..Archie Brown campaign GHO picketed on Friday by "Young Americans for Freedom". They are protesting a Communist running for S.F. supervisor's position. Archie Brown, famous film star in "Operation Abolition", says his present indictment under Landrum-Griffin Act is because he belongs to "an anti-monopoly political organization".

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..New Society Wants to Cast out Demons Too.. A document by early CBFMS leaders (Harrison, Taylor, Cedric Peterson) entitled "The Necessity of the New Baptist Foreign Mission Society" now rises up to be considered: "When the disciples returned from a preaching mission, they reported that they found people casting out demons under the auspices of another group and that they condemned them. That sort of intolerance immediately came under the rebuke of Jesus. Brethren, where did Jesus ever say that all demons were to be cast out and all missionary work done by one denomination or by one agency within a denomination? Since we do not belong to a Papal hierarchy, who has the right to intimate that a group of Baptists or Baptist churches could not at any time, without justifiable recriminations, form a new college, a new seminary, a new orphanage or a new missionary society? Since there are three foreign societies (the S.P.G., the C.M.S. and the B.C.M.S.) working harmoniously to the glory of God within the fellowship of the Church of England, who will deny us the right to organize a second society within the N.B.C.? This new Society is being sponsored and supported by people who are advancing on their knees under the guidance of the Holy Spirit. Although we do not cast out demons under the aegis of the A.B.F.M.S., will you say that we shall not have the attending presence and blessing of our Lord as we earnestly and sacrificially seek to carry out His will? And if we shall have His blessing, may we not also have yours?

..On the new CB Mission Society.. CBF President Dr. Earle Matteson says, in a letter to 100 pastors: "Word from Chicago indicates that our committee has interviewed the first candidate this week. We intend to work in fields not already explored by our present missionary agencies". All men of good will who want to see the gospel expand will applaud this.

..The CBA State Convention of Illinois overwhelmingly tabled a motion to give a vote of confidence in the CBFMS staff, leaders, and missionaries of the two societies. This is the homeground of the CBFMS.

..The American Baptist Convention could not make a "gc" of their heavily subsidized ABC Church in Irvington and so recently Dr. W. Earle Smith, chairman of the Graham Crusade, sold the church buildings to the Episcopalians.

..Charles H. Spurgeon said of Infant Baptism, "For all lies which have dragged millions down to Hell, I look upon this as being the most atrocious - little children were not regenerated by their grandparents telling lies at the font - by a solemn mockery, in which godfathers and godmothers promised to do for them what they cannot do for themselves".

..Fuller Seminary Cont'd .. breathless with shock. One of the serious complaints many CBA pastors have with the CBFMS is the appointment of so many Fuller Seminary men to the foreign field. Fuller Seminary provides a training which is antagonistic to CBA position.

## NEW FILM AVAILABLE THROUGH THE SEMINARY

A new 30-minute 16 mm black and white sound motion picture has just been secured by the San Francisco Baptist Seminary entitled, "Communist Accent on Youth", which depicts the current Communist Party strategy in relation to the youth of this nation. The film was produced under the auspices of Pepperdine College in Los Angeles. It shows how Communist leaders manipulate and exploit students and youth throughout the world to serve their avowed goal of world conquest. Interested people may rent the film through the Seminary at Prospect 6-8082.

## BISHOP TIPPETT RECEIVES A FORMAL WIRE

The following telegram was sent by Daryl Hutchins of Walnut Creek on Oct. 13 to Bishop Donald H. Tippett, 83 McAllister Street, San Francisco: "One of the highest honors University of Pacific can confer will be given to an identified communist unless you use your episcopal office to cancel this astounding development. Seminary professor Joseph Fletcher is scheduled to deliver the Collier Lectures on Nov. 27 and 28. FBI counterspy Herbert Philbrick identified Fletcher under oath as a communist before the House Committee on Un-American Activities on July 7, 1953. The Circuit Rider's book "6000 Educators" shows 80 listings of pro-communist activity of public record. Dr. J.B. Matthews indicated in American Mercury magazine for July 1953 that Fletcher is one of 'the five top pro-Soviet propagandists in this country'. American citizens in Stockton are preparing a strong protest against the booking of this Soviet agent in their city. We appeal to you and to President Robert Burns to immediately cancel Fletcher's appearance before the merciless publicity tarnishes the honor of this Methodist University."

..San Francisco Baptist Seminary Luncheon at Western Region Conference will be held Thursday, Nov. 2 at the Mardi Gras restaurant, 4800 Madison Ave., Sacramento, Calif. Tickets - \$1.75 each. Dr. Wm. F. Kerr, Dean, will speak on "The Exercise of Soul Liberty Among Conservative Baptists". This will be a major address.

## THANK GOD FOR THE TEN DEPT. SECRETARIES

"The Ministry of Records" is an article in the October "Voice" by A.K. Saul, which has this good paragraph of interest to the Sunday School: "Good records require reliable personnel. Some qualifications of good personnel for the keeping of records are first spirituality — willing to pray as the records speak to him. A pleasing personality is another help — to be able to get along with people. One should be courteous — be able to get the facts needed without upsetting people. He must be accurate — what is entered on the page must be right and must be kept up to date. Each record should be kept neatly so it can be interpreted quickly. He must be dependable, one who can be counted on to do his job regularly and faithfully. Such abilities as a good writer, a typist or one who takes shorthand would be of great help."

## DR. TALBOT REPUDIATES INFANT BAPTISM

The noted Chancellor of the Bible Institute of Los Angeles writing in "The King's Business" for Feb. 1961 stated in answer to the question, "Why do you not baptize infants and very young children?" the following answer: "Because it is my firm conviction that baptism should follow conversion. I am happy to dedicate infants and young children to the Lord, in the Lord's house or in the home. In fact, it seems to me that every Christian parent should dedicate his child to God, both as an act of devotion to Him and as a safeguard to the child. But dedication is not baptism. Dedication is the act of the parent, in which he presents his child to God and assumes responsibility for the training of that child for Him. Baptism, however, is the act of the believer himself, in which he confesses faith in the Lord Jesus who died for our sins and rose again for our justification."

..Dr. Buell Gallagher, who characterizes himself as a great fighter against Communism, served on the Pacific School of Religion Faculty from 1943-49. The HCUA Hearings of July 7, 1953, Part 6, states on p. 2130, about a Martin Hall, "From 1943-45 he has taught as a visiting lecturer at the Pacific School (Cont'd p.2)"

..More on Martin Hall..The HCUA Hearings book, on page 2130 states: "MR. KUNZIG: What are the facts about the life of the amazing Martin Hall? MR. GITLOW: (former NS vice-presidential candidate for the Communist Party). Martin Hall is also known by the name of Herman Jacobs. He is a communist of long-standing, a well-known figure in the Communist Party in Germany ...In order to get his United States citizenship he had to swear falsely and deny that he was a communist , that he entertained communist beliefs, and was affiliated with communist organizations". Some people might be pardoned for believing in "guilt by association" when the new State College Chancellor served for two years with this Soviet Agent on the faculty of the Pacific School of Religion.

## WHO STARTED THE NEW MISSION SOCIETY?

Since itinerant "representatives" are giving the distinct impression that the Pastor was the "instigator" of the new Conservative Baptist mission society which is in process of formation, it is necessary to state that the Pastor was not consulted or informed about the plans to call the CBF national board into session to study the possibility. In fact, he was completely taken by surprise when he received the urgent letter to come to Chicago for the meeting of Sept. 15. He urged caution in Portland when a group of about 50 pastors in private session said the time had arrived for a new society which would be constitutionally pre-millennial, separatistic from all ecumenical movements, and not ashamed to establish New Testament Baptist churches in fellowship with the CBA of America. One man who might be said to have started the new society is CBFMS President Lester Thompson of Denver who openly committed the CBFMS to the support of ecumenical evangelism and the New Evangelicalism of the Denver Seminary. This action precipitated the Colorado struggle which resulted in the overwhelming defeat of the Seminary forces by the CBA churches of Colorado. We might also state that CBFMS Gen. Director Vincent Brushwyler is responsible for the new society because of a policy and program which has brought the CBFMS into disfavor with scores of churches across the nation and with some missionaries as well. CBFMS Board member Dr. Richard Clearwaters stated in a late release, "Since when can any ecclesiastical employees go out with elaborate expense accounts and large office staff in the use of missionary money to fight local churches and their pastors who are supporting them". We regret that Dr. Brushwyler has used the pages of the CBFMS paper to make an unwarranted attack upon noble leaders in the movement and upon the Conservative Baptist Fellowship which originally brought our mission societies into being in the first place. The unwise public attack by Dr. Brushwyler upon men and churches of the CBA who feel that the Lord is leading them in a new mission thrust will result in division in churches and added tension in the movement. His belligerence toward men who have supported the (Cont'd page 2)

## THE ONLY CBA CHURCH OUTSIDE THE WESTERN HEMISPHERE FOUNDED BY A NEW SOCIETY

A new mission society was organized a few years ago under the pastoral leadership of one of the distinguished CBA ministers of Northern California, Dr. Blaine Bishop of the Los Gatos Calvary Baptist Church, in order that Missionary Frank Tetro might go back to Japan, following his resignation from the CBFMS. This move by the CBFMS vice-president proved so successful that today we have a new church in Tachikawa, Japan, which was received into the CBA of A. at Portland last May. We commend the CBFMS vice-president for this action in forming this new society and believe that he would make a good president. There might have been some who were critical of his development, but it was the sovereign right of this church to do so, to obey the Great Commission. It is morally indefensible in a Baptist framework to criticize this action. We suppose that dozens of Baptist churches cooperated with this new society through their gifts. We do not want to create the impression that we think other missionaries should resign so that we might have some more CBA churches, but let us hope that in the next 18 years and with the expenditure of another 25 million dollars we might have many more.

..Two mission societies exist side by side in the GARB to the glory of Christ: Association of Baptists for World Evangelism and Mid-Missions. Dr. Cedric Peterson and Dr. Taylor pointed out in a 1943 document of the CBFMS "The Necessity of the New Baptist Foreign Mission Society" that "there are three foreign societies (the S.P.G., the C.M.S., and the B.C.M.S.) working harmoniously to the glory of God within the fellowship of the Church of England, who will deny us the right to organize a second society within the N.B.C.?"

..Copies in quantity of Dr. Fred C. Schwarz' address on the "Disease of Communism", delivered before the Texas legislature March 25, 1959, are available free to schools and churches. Box 890, Long Beach 1, Calif.

..The Rev. Chas. R. Bell, Jr. of the Pasadena First Baptist Church (ABC), has his name on a "Petition for Clemency" to President Kennedy to grant a pardon to Communist Carl Braden.

## LOCAL CHURCH DEVELOPMENTS

..Miss Cathy Curtis came forward Sunday evening to confess her faith in Christ and ask for baptism.

1. Read the Bible through..Isaiah 41 -63.  
1. The Pastor has been invited to return to Bob Jones University as one of the speakers for the annual Bible conference April 1-8. This means speaking daily to 3500 widely representative students.

..Visitation Program, Thursday 7-9 p.m. under direction of Mr. and Mrs. Richard Butler, with report and refreshment hour at 9 p.m. in Lower Auditorium.

..S.S. Worker's Conference..We are asking for 100% attendance Friday, Nov. 3, 7:30 p.m. in the Lower Auditorium. "How to Win a Pupil to Christ" — a forum of four speakers, is the theme. Supt. Ken Pemberton, presiding. The Pastor will bring a brief devotional. Refreshments.

..100% classes Sunday: Mrs. Paul Romesburg's 2nd Yr. High School girls; Mrs. Arlene Pemberton's 3rd Yr. High School girls; Mrs. Nora Holley's 1st Yr. Junior girls; Howard Robinson's 3rd Yr. High School boys.

The Pastor's Sunday sermon subjects .. 11 a.m. — "The Rent Veil". Ordinance of the Lord's Supper. 7 p.m. — "The Ascension of Christ". Grand gospel music. We thought the music last Sunday was especially good.

..Bobby Fulton's message Sunday evening was a blessing to everyone, and the audience was outstanding for Sunday evening in this city. He will make a good preacher for some church. We were impressed with the League Rally presentations of Howard Robinson, Walter Banks, and Paul Romesburg.

..Bishop Gerald H. Kennedy, 5250 Santa Monica Blvd., Los Angeles 29, Calif. is a trustee of the University of Pacific in Stockton, which has scheduled an identified communist for the year's feature lectures, Nov. 27,28, Dr. Joseph Fletcher. Bishop Kennedy has been making some loud noises lately about being opposed to communism.

..A one-legged school teacher from Scotland came to J. Hudson Taylor to offer himself for service in China. "Why do you, with only one leg, think of going as a missionary?", asked Taylor. "I do not see those with two legs going, so I must", replied George Stott. He was accepted. "He did what he could".

WHO STARTED THE NEW SOCIETY? (CONT'D)  
CBFMS will only result in a dwindling of funds for his treasury and will cause many to feel that perhaps his usefulness as a General Director is diminishing. His years of vigorous opposition to making the CBFMS pre-millennial is having its bitter fruit. This is the time for some cool heads to come to the front in a highly emotional situation and remember that we are a movement of autonomous and independent churches. If the CBFMS wants to continue in a privileged position of missionary monopoly in the CBA then there might be some movement born of love that would seek to explore an area of accord, rather than employ tactics which have been discredited, and remind one of the American Baptist convention ecclesiasticism.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Scriptures to read right now to restore a sense of balance and sanity : Phil. 1:12-19; Acts 5:34-40; Mark 9: 38 - 40.

..The "Dog in the Manger Attitude".. This is the title of an amazing six-page folder by CBFMS board member Dr. W. Theo Taylor of New York City's Central Baptist Church, published about 1945 by the Fundamentalist Fellowship in which he deplors the wretched attitude of the old ABFMS toward the new CBFMS which was struggling to get established. "Among Baptist people there is a right which looms large in their thinking. The logic of the debater may deny it. The maneuvering of the conference table may put it aside. The mechanics of administration may avoid it. But it is there just the same. It is in the Baptist's sense of fair play but it is higher than that. It is common old-fashioned MORAL right". We like this.

..Dr. W. Theo. Taylor said further, "I am not a prophet not the son of a prophet but I venture to say that the adamant, callous attitude of the ABFMS by which they have sought to preserve their dominance at home will in the judgment of God turn upon them, bringing neither success abroad nor unity within our Baptist ranks" ... "Have Northern Baptists no better answer to their brethren than to seek to crush at home and isolate abroad a work which God is blessing with money, friends, personnel and service? Do they not see that God has done and is doing a new thing?"

..Calling Mr. Gamaliel..Acts 5:38 - 40 , "And now I say unto you, refrain from these men, and let them alone: for if this counsel or this work be of men, it will come to nought: But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God. And to them they agreed; and when they had called the apostles, and BEATEN them, they commanded that they should not speak in the name of Jesus, and let them go". If only the Fundamentalists can survive the beating which these New Evangelicalists will lovingly administer things will come out all right, and maybe a few devils can be cast out under other auspices (Mark 9:38-40).

..Dr. Cheddi Jagan, the newly-elected communist premier of Br. Guiana in our hemisphere, had his early education in Anglican and Church of Scotland schools. He then attended the ABC Baptist University of Chicago where he met his American Jewess wife who is also a communist. He completed his graduate work at Methodism's Northwestern University. Like Dr. Nkrumah of Ghana who learned his communism at a Presbyterian seminary in Philadelphia (BD), Jagan is a product of ecumenical church-related schools. What a tragedy.

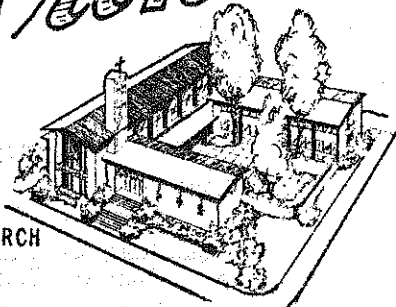

..Which position do you occupy in your church? — "A power or a problem, An attacker or an absentee, A promoter or provoker, A giver or a getter, A supporter or a sponger, A worker or a warrior, A friend or a fault-finder, A helper or a hinderer, A campaigner or camper."

## THE CBFMS PUBLISHES PASTOR'S COMPLAINTS

At the CBFMS session of the Western Regional Conference on Nov. 2 in Sacramento a motion by Arizona pastor, Bill Tillman, was passed "requesting" privilege of publishing the 23 "complaints" which the CBF had received from pastors around the nation against the CBFMS and the administration of General Director Dr. Brushwyler and CBFMS President Dr. Lester Thompson. Our Pastor pointed out that the CBF was making no charges against the CBFMS, but simply "received and studied" complaints being voiced against the society. The list was the private property of the CBF Board and was to be exclusively for the confidential information of the Board. It was expressly stated by the CBF that they were not to be published. After the CBFMS passed the motion, no request was made nor permission given, but someone rushed directly to the mimeograph with a copy of the document which had been mysteriously secured and published them. CBF regards this action by the CBFMS as an unethical improper, illegal and therefore un-Christian development. The responsibility for their publication lies exclusively with the CBFMS. Copies are now available for distribution. They constitute an incomplete list of complaints which were not properly arranged for publication but they represent the thinking of a large segment of CBA pastors and laymen.

## WHY PARENTS SHOULD ATTEND SUNDAY SCHOOL

Dr. Clate Risley of the NSSA in a recent Detroit address at Cobo Hall quoted from a recent J. Edgar Hoover FBI report: "Many judges who handle juvenile cases have made the observation that the great bulk of the delinquents who appear before them are not regular attendants at Sunday School. I have often cited the situation of one juvenile court judge who, over a period of 8 years, had some 8,000 boys and girls under 17 years of age brought before him for violating the law. Of these 8,000 delinquent children, only 42 regularly attended Sunday School. Even more striking was his finding that none of these children had a mother or father who attended Sunday School or church regularly. I think that these figures clearly show that youths who regularly attend Sunday School do not become involved in juvenile criminal violations."

## DENVER SEMINARY PRESIDENT CALLS FOR EXCOMMUNICATION OF CBA SEPARATISTS

While riding the wave of "temporary insanity" in an ecclesiastical sense, the president of the Denver Seminary delivered an address at the Western Regional Conference on Nov. 1 calling for the Separatists to leave the movement. In his prepared speech, "Does the new-style separatist have the right to call himself a Conservative Baptist? His claim seems highly suspect — historically, logically, and ethically. If, because of his own changed viewpoint, he can no longer accept the original and official Conservative Baptist position, then Christian integrity demands that he leave this Association and seek fellowship elsewhere". Since this seminary president completely misunderstands the separatist position of the CBA, and since he came into the movement at a late date from the GARB, and since his administration of the Denver Seminary has made it the prime source of infection in the CBA movement, and since his position of evangelical inclusivism and new-evangelicalism constitute the most divisive element in the CBA today, we would think that Christian integrity would demand that he would resign and "leave this Association and seek fellowship elsewhere". Because of the anti-CBA inclusivist stand of the Seminary, the conflict appears irreconcilable.

## WESTERN REGIONAL CONFERENCE DEVELOPMENTS

..Dr. Albert G. Johnson, president of Portland's Western Seminary, read a two-page document of resignation from the CBF Board, delivered in connection with a barrage of resolutions from the Denver Seminary crowd in condemnation of the idea of a new society. We regret seeing him depart from the "hard core" group.  
..Dr. Cedric Peterson, Denver Board member, was elected CBA Vice-President for the West. Henry Van Kommer and Roy H. Boldt were elected Board members for three years.

..Dr. Lester Thompson, CBFMS President, was slated to speak on "How to Stir a Church for Missions", but his message only stirred the anger of his fellow Colorado pastors who resented his misrepresentations. He dealt unwisely with the Colorado churches who have repudiated both the Denver Seminary and the CBFMS by a wide majority.

## LOCAL CHURCH DEVELOPMENTS

..You can't do wrong and get away with it.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Episcopal Bishop Sumner Walters is slated on Nov. 27 at 2:30 p.m. to present Episcopal Seminary Prof. Dr. Joseph Fletcher as the George Colliver lecturer at University of Pacific, Stockton. Dr. Fletcher was identified under oath before HCUA on July 7, 1953 as a communist by FBI Counterspy Herbert Philbrick. Bishop Walters served on the 1958 Graham S. F. Crusade Committee.

..Letters of protest should be sent to Pres. Robert Burns, U.O.P., Stockton; Bishop Gerald Kennedy, 5250 Santa Monica Blvd., Los Angeles 29, Calif; Bishop Donald Tippet, 45 Southhampton, Berkeley. Kennedy and Tippet are trustees. They are trying to raise \$1,546,000 for the college at this time.

..Our pastor wrote to Kennedy: " Since you are a forthright man of action, I would be happy to hear what you plan to do with respect to this alleged Soviet agent. In the light of the above facts concerning Dr. Fletcher, it is to be expected that this alleged member of the Party of treason will give a series of lectures which will constitute subtle propaganda of communist brainwashing of the students."

..Dr. Oswald J. Smith, whom the CBFMS has used as their speaker many times, is quoted in the November "Voice" as follows: "The New English Bible makes one tremendous and glorious change. It completely eliminates the word 'believe' in connection with salvation. For 50 years I have maintained that 'belief' could not save. I have pointed out that there are hundreds of thousands who 'believe' who are not Christians. We are not saved by believing; we are saved by trusting. For this reason alone I would consider the New English Bible the most valuable translation ever made."

..The Tachikawa Baptist Church in Japan, which was formed as a result of the creation of a new society under the Los Gatos Calvary Baptist Church, is in process of purchasing property at the rate of \$30 for one tsubo (36 square feet). Our Deacons approved the idea of cooperating with this. Missionary Frank Tetro who resigned from the CBFMS, is the missionary-pastor. Gifts may be sent to the church at Box 215, Los Gatos, Calif. This is the only CBA church outside this hemisphere.

### Western Regional Conference Cont'd

..Dr. George Siemens, Vice-President of Baptist Bible College in Denver, was asked at the Central Regional Conference to answer the false allegations of the CBFMS President as they related to the Colorado CBA churches. This address is printed and is being sent to the churches.

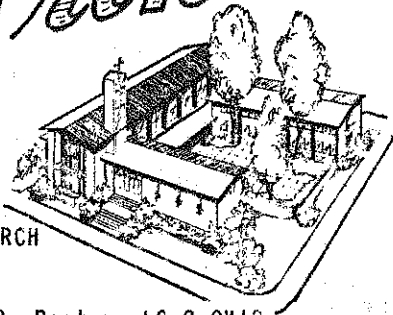

..Under Denver Seminary control, the mood of the conference was vindictive, the program of speakers was completely disrupted, punitive resolutions were passed, cheap politics triumphed, Baptist distinctives were scuttled, support of the "Cooperative" program was made the test of leadership, feelings against the new society ran wild, a despicable attitude was manifested toward fellow Conservative Baptists obeying the Great Commission in an autonomous way.

## GRAHAM ON BAPTISMAL REGENERATION

11-14-61  
v. 12  
No 96

One of the biggest stories of the year was Rev. Wilfred Rockelman's interview with Dr. Billy Graham in the Oct. 10 issue of the influential "Lutheran Standard", where the celebrated evangelist is quoted, "I believe a miracle can happen in these children so that they are regenerated, that is, made Christian, through baptism. If you want to call that baptismal regeneration, that's all right with me". Mr. Graham has kept silence. His business manager, George M. Wilson, denied he ever made the statement. Evangelical Christians are waiting for direct word from Graham himself in this serious matter. Meanwhile, Dr. R. T. Ketcham received a letter dated Oct. 13 from Mr. Rockelman, which was published in the Baptist Bible Tribune (Box 106, Springfield, Mo.) for Nov. 10, stating in part: "I am prepared to endorse the authenticity of the quotes which are used in connection with Dr. Graham's statements to me. I would not want to take an oath in court that every word, including prepositions, are precisely the way in which Dr. Graham made his statement, but I am convinced that I am exact in relaying his thoughts and meaning on this issue. He and I were the only ones in the room at the time, so there will be no way of proving word for word what was said, one way or the other. However, I defend my article as being factual in regard to Dr. Graham's quotes". We received an anonymous letter from Minneapolis, sending the Wilson denial saying "I am enclosing a true account of the interview but I don't think you are the type of a Christian who will print a retraction". We made no charge, but simply printed the quotations attributed to Dr. Graham. When he answers, explains, and denies the Rockelman interview, we will be glad to print it. We hope that Dr. Graham will come forth with a clear-cut statement. Newsmen have had this trouble before. The reason this is serious is that infant baptism and baptismal regeneration denies every historic distinctive Baptists have held.

..Dr. William F. Kerr, Dean of the San Francisco Seminary, is speaking nightly at 7:30 p.m. this week at San Francisco Calvary Baptist Church, 5655 Mission St. Dr. Roy H. Austin, pastor.

..For we are labourers together with God.

## IT'S HARD TO CLEAN UP THE FILTH OF THIS WICKED WORLD, ESPECIALLY IN MARIN COUNTY

The biggest problem in trying to bring in the Kingdom of God by reform is found in the ecumenical seminaries. This time it is the filthy novel "Tropic of Cancer", which is the subject of legal action by the Marin County District Attorney in an arrest of a bookseller for handling the book. The San Francisco Presbyterian Seminary paper "Dialogue" was reported in the Chronicle of Nov. 11 1961 as defending the book as one that should be read. In recommending the author and book the divinity school paper said, "The language used in the book is frankly obscene—filthy perhaps—but who can say that it is not the way real living, warm-blooded people do speak? I'll not defend the manner of expression. For indeed, I'm ashamed of the book", Doty wrote. Nearly a year ago, the Chronicle of Dec. 20, 1960 reported, "John R. Bodo, chairman of the dept. of Practical Theology at San Francisco Theological Seminary in San Anselmo, wrote the Board that he wants his two daughters to read the books (filth books — "The Catcher in the Rye" by Salinger and "Of Men and Mice" by Steinbeck), which he called 'excellent literature'. He said he wished to 'condemn the Rev. Barkowska and his whole book-burning tribe'". Dr. Theo. Gill is president of this seminary.

## ARCHIE BROWN'S RED POLITICAL CAREER

Communist Archie Brown placed 15th in a field of 33 candidates for the five seats for Supervisor of the City of San Francisco on the Nov. 7 election, according to the San Francisco Examiner for Nov. 8, 1961. He polled 17,268 votes, which is significant since he is nationally known in the film "Operation Abolition", as second in command of the Party in California. According to the advance election booklet giving his qualifications for office, his sponsors included well known San Francisco identified Communists: Ralph Iazard, Karl G. Yoneda, Joseph Figueriedo, Richard Lynden, Grace Partridge, Elmer C. Richardson and others. Last time Archie ran for Supervisor he received nearly 34,000 votes, but that was before the famous S.F. Red-led riots. Not bad for one thrown out of City Hall three times during the riots!

## LOCAL CHURCH DEVELOPMENTS

..The APC Northern California Baptist Convention last week in state convention session in Oakland authorized a million dollar revolving fund with which to build 60 new churches in the state area.

..Crushed rock has been laid down on the parking lot adjacent to the church recently purchased. We are grateful to Mr. Furl Prince for leveling the lot with his big grader.

..Ministry to the little folk. Nursery - (a.m. and p.m.) 25; Beginners - 17; Jr. Church - 37.

..Maj. Gen. Edwin A. Walker's resignation included, according to the Tribune, 11-3-61, "Failure to know the enemy, failure to understand him on all his fronts, failure to prepare completely to battle him to the ultimate in the defense of the United States, only gives him aid and comfort described in our Constitution as treason. Our objective is not peace, but freedom. If we are vigilant and strong and willing and worthy to defend our liberty, peace will be at home with us. If the Soviet leaders are made to understand that we will fight, there will be no need to fight".

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. A.U. Russell, former CFHMS Board member and currently a trustee of Western Baptist Seminary in Portland, has issued a significant two-page letter to President James Soden of the Oregon pastor's fellowship taking sharp exception to the Oregon Pastor's Resolution published recently in the CFHMS paper. His letter is to be published in full in the next CFH Information Bulletin. Dr. Russell's address: Box 368, Lakeview, Oregon.

.."With these examples before us, let us not rush into a condemnation of those who desire a more pronounced stand on the part of our Board and their leaders. We grant Baptist liberty and autonomy to those desiring to establish a new Seminary, let us carry this over to the question of a new mission board", says Dr. Russell.

..Amazing revelation on Dr. Puell Gallagher, newly appointed Chancellor of the State College System, according to county records, Dr. Gallagher signed a document on March 23, 1948 authorizing Roscoe Q. Proctor and Ralph K. Johnson to gather the necessary signatures from the Independent Progressive Party to qualify his candidacy for Congress from Berkeley's 7th District. The Communist People's World of June 14, 1944 lists Proctor as a state officer of the Communist Party (p. 3305). Dr. Gallagher was recently awarded the Nation's highest Army civilian award as a fighter against Communism.

..Dr. Chester E. Tulga in a 65-page booklet of six chapters entitled "The Premillennialists and Their Critics", has produced a highly interesting work which can be secured for 35¢ from Eastern Baptist Institute, Somerset, Ky.

..Three top area representatives of the CFHMS are not members of a CBA church: H. Walter Fricke, adm. assistant to General Director; Central area man, George McCune; and Milton Baker, Assoc. Foreign Secretary.

..The GARB churches have three foreign mission societies and two home mission societies which are approved and supported in a happy association, we were informed by a GARB pastor.

..Dr. Norman Vincent Peale charged today in San Francisco that Episcopal Bishop James Pike of San Francisco or a Philadelphia Presbyterian leader will emerge as 'Protestant Pope' if four denominations decide to merge ... He also told a press conference in San Francisco's Mark Hopkins Hotel that religious freedom in America is dead. 'You no longer can sit down as a group of people and discuss religious freedom objectively without being called a bigot', he said. 'I will not be called a bigot'. Tribune, 11-9-61.

..Be sure to get "Toesin", the UC student newspaper combatting Communism. Get the documented case of a convicted communist who is now serving on the UC faculty. Be sure to send \$1 for ten issues: Box 784, Berkeley 1, Calif.

## SO. CALIF. ABC HEAD SIGNS BRADEN APPEAL

Rev. Charles R. Bell Jr., pastor of Pasadena First Baptist Church, was recently elected president of the Southern California Baptist Convention (ABC) at Alhambra. This is the American Baptist Convention group. He is also known for recently signing a "Petition for Clemency" to President Kennedy to secure the release from prison of Communist Carl Braden, who was designated as the new martyr of the Communist Party by party bigwigs on April 21. Braden and wife, Anne, were identified under oath as Communist Party members by FBI undercover informant in the Party — Mrs. Alberta Ahearn — on Oct. 28, 1957, testimony found on page 36-37 of Senate Internal Security booklet "Communism in the Mid South". Dr. Bell defends Braden and the signing of his petition. He says he knows Braden personally. Copies of the Braden petition can be secured from "Braden Clemency Appeal", 584 Alfred Ave. NW, Atlanta 18, Georgia.

## U.S. SENATOR ON THE SUNDAY SCHOOL

Senator Robert Kerr, of Oklahoma says, "I have observed this — that the better job a man does in Sunday School, the better husband and father he is, and the better citizen he is. What a man gets in Sunday School helps him to reinforce the sanctity of the home and the security of his country". All men who read this are invited to attend the Sunday School class taught by the Pastor each Lord's Day at 9:45 a.m. in the Chapel. We are studying in Matthew's Gospel of the New Testament.

## A NEW MISSION SOCIETY IN THE WEST

An autonomous foreign mission society has been operating among CBA churches in the West since Nov. 27, 1959 under the name of "The Tokyo Baptist Mission", which has the support of Carl and Jewell Blackler in Japan. Most of the 20 CBA churches supporting this society are in Oregon. Pastor George E. Horton is the president, whose address is 930 Chemawa Rd., NE, Salem, Oregon. The Blacklers were formerly with Mid-Missions. They have organized the Central Baptist Church of Tokyo. This is a fundamental, strongly Baptist, (Cont'd p. 2)

## PILLSBURY COLLEGE DEDICATES DORMITORY

We were pleased to learn about the dedication services on Saturday, Oct. 14 at the campus of the largest Conservative Baptist institution of higher learning in Owatonna, Minnesota when the new women's dormitory, just completed at a cost of over \$200,000, was named "Clearwaters Hall" in honor of Dr. Richard V. and Florence Clearwaters. This could not have been more worthily designated. Dr. Clearwaters is a giant in our movement, standing solidly for the historic Christian Faith. He is president of Central Seminary, chairman of the trustees of Pillsbury College, member CBFMS Board, by overwhelming election from the Central region, former president of both the CBA and the CBF. We are glad that Fundamentalists are honored at this school instead of being held in contempt as is true on the campus of so many evangelical colleges and seminaries. How much better this sounds — "Clearwaters Hall", rather than "Schweitzer Hall", or "Martin Luther King Quadrangle", or "John A. Mackay Building", or "Kagawa Memorial".

## APOSTASY WHICH IS CLOSE TO HOME

A blatant attack upon the Scriptures is contained in "Presbyterian Life" for Nov. 1961 in an article entitled "Reformation Perspectives 1961" by Seminary Prof. John R. Bodo of the San Francisco Presbyterian Seminary at San Anselmo (of which Dr. Theo. Gill is president), which states in part: "Long before the Roman Catholic Church set forth its claim of infallibility for the Pope — a rather modest, limited infallibility at that — some of our timid, unadventurous Protestant forebears invested the Bible with a mechanical, stultifying infallibility. The frenzied desire of these stepchildren of the Reformation — some of them living — for absolute security and absolute irresponsibility produced a worship of the Bible in the place of God, just as medieval Catholicism at its worst had produced a worship of the church in the place of God. Both of these distortions of the Christian Faith have been attempts to freeze the status quo, to coop up the living Christ in a fixed structure, and thus to prevent him from leading the church forward, in faith and joy into the expanding vistas of our modern age".

## LOCAL CHURCH DEVELOPMENTS

..The ordinance of Believer's Baptism will be administered this coming Lord's Day evening, with the Pastor administering the ordinance to new Christians.

..Read the Bible through..Jeremiah 44 - Ezekiel 9.

Special Thanksgiving worship service on Wednesday at 7 p.m. in the Main Auditorium of the church, with Prof. LaVern Schafer, head of Dept. of English Bible at the Seminary, bringing a refreshing message from the Word. The church choir will sing. Additional special music. The Pastor will preside and read the President's proclamation. A missionary offering to be received for the Seminary. The Christian public is invited.

..Western Baptist Bible College Thanksgiving service, Thursday 10 a.m., with Prof. John Schimmell speaking. Dr. Paul Goercke at the organ.

..Contributions received through church office: Mr. and Mrs. Martin Blake, Mr. and Mrs. George Sanderson.

..The first five of the eight training leagues last Sunday at 6 p.m. - 1. Adults, 2. High School, 3. Young Adults, 4. Homebuilders, 5. Templebuilders and Jr. High - tied.

..The S.S. Christmas Program is scheduled for Friday, Dec. 22, and it will be different. It will be held in the Main Auditorium and involve three choirs, according to Supt. Ken Pemberton.

..Seventeen of our youth will travel to Watsonville for the statewide youth Rally. They will have seven talent entries in the statewide music contest.

..The Pastor will be speaking at both services next Lord's Day - 11 a.m. and 7 p.m.

..Brother Warren Conrad, State Missionary-Director, brought a series of addresses last week at the San Francisco Baptist Seminary on church-pastor relations, declared highly useful by both students and faculty.

..Carleton College, Northfield, Minnesota (just a few miles from Pillsbury College), has a group of pickets before the White House "fasting for peace", protesting nuclear testing in the atmosphere. It's high time to expose the communist cell operating there at this church-related school of the American Baptist Convention. We understand that Dr. Kenneth O. May, who was dismissed from the UC faculty here for Communist Party activity in Oct. 11, 1940, has been teaching at Carleton. The Oakland Tribune of Sept. 26, 1940, has a headline "UC Prof. Disowns Son as Red Leader". His father "Prof. Samuel C. May publicly disinherited and disowned his son" for being a communist. Carleton College was disowned by the Minnesota Baptist Convention several years ago because of its radicalism.

..A NEW MISSION SOCIETY IN THE WEST CONT. pretribulationist society, which has made pre-millennialism a test of fellowship. It is morally indefensible for any Baptist to criticize the right of these brethren and churches to organize, propagandize, and evangelize in this way. Seven splendid CBA pastors serve on this board.

..When in doubt, play safe.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Bishop James A. Pike was an important guest at a formal dinner occasion on Nov. 13 in San Francisco honoring film star Ingrid Bergman Lindstrom Rossellini Schmidt, according to a big society story in the Examiner for Nov. 14. The Bishop is carrying a pretty heavy social schedule for one engaged in a big building program.

..Dr. Norman Vincent Peale united Comedian Gary Morton, whose wife is Jacqueline Inmoor, in marriage to Actress Lucy Ball, whose husband is Desi Arnaz, in a glittering ceremony of 10 minutes at Marble Collegiate Church on 5th Ave. before 40 people inside, while 1500 blocked the doors outside. Seems to me the Presbyterians severely disciplined the Hollywood First Presbyterian pastor, Dr. Stewart McLennon, a few years ago for marrying divorced filmstars.

..The Rev. Billy Graham will attend as an advisor. So says the S.F. Examiner for Nov. 18 concerning Dr. Graham's visit to the World Council of Churches in New Delhi. This is incredible, since this is an official accreditation.

..Our Christian duty to surrender.. In Nybrok, Denmark, Aug. 23, 1959, officers of the World Council of Churches defined what Christians should do about the threat of atomic war: "If all-out war should occur, Christians should urge a cease fire, if necessary on the enemy's terms, and resort to non-violent resistance". That borders close to either insanity or treason.

..The World Council of Churches is about to invite the Communist-dominated Russian Orthodox Church into membership this coming week. For the first time the Vatican has five authorized "observers" at the World Council. We wonder how Billy is enjoying his new fellowship.

..Fuller Seminary which had one of the leading communist-fronters in this country to deliver a series of lectures on Oct. 27 and 28 were greatly embarrassed when a Christian patriot passed out mimeographed sheets exposing the modernist and pro-communist record of Dr. John A. Mackay. Fuller Seminary has had an avalanche of protests, we understand, to the lecture series of this noted modernist.

..Congratulations to Dr. Jack Hyles who is being installed next Monday, Nov. 27 at 7:30 p.m. as president of Baptist Bible College of Denver. Wires and gifts would be appropriate for CBA pastors to send in for this occasion, to 3255 Lowell Blvd., Denver 11, Colo.

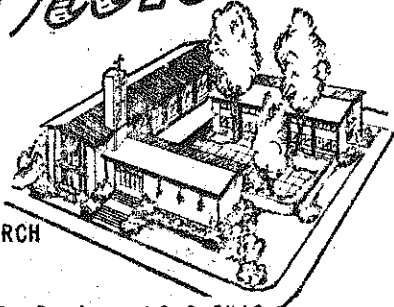

..Bradbury calls McTear an apostate..The Watchman-Examiner for Nov. 16, concerning Rev. Jakov Zhidkov's recent visit to Canada: "One of our American apostates, who apparently has substituted world politics for the gospel of Christ but still professes to be a 'fundamentalist', took advantage of this visit to attack Mr. Zhidkov as communist henchman without the slightest respect for its impossibility, since he is an avowed Christian outspoken in his faith in the Lord Jesus Christ and has never been known to dabble in politics". Zhidkov has been widely charged as being a tool of the Russian Secret Police.

## COMMUNIST ENTERTAINED AT WHITE HOUSE

One of the leading communist poets of our time was honored by the President earlier this month, according to Time magazine of Nov. 10, 1961. In the "People" section, the poet-president of Senegal was in this country. "In Washington he talked politics with President Kennedy, iambs with fellow poets Carl Sandburg, 83 and Langston Hughes, 59, at a White House Luncheon". On Dec. 23, 1952, Langston Hughes was positively identified under oath by Louis Budenz before HCUA as a member of the Communist Party. The Oakland Tribune of Dec. 23, 1952, "In each case, Budenz testified that he knew either as a matter of personal knowledge or from official party documents, that the individual had belonged to the Communist Party". According to the Chronicle of June 22, 1953, Hughes' books were removed from US information libraries by order of the Attorney General of the US. He is the author of the communist poem — "One More S in the U.S.A.", and also of the blasphemous poem, "Good-by Christ". Christians should register their protests with the President for this development. Copies of these two poems will be sent to anyone sending in a gift for the offset press. It is sad when a blasphemous communist will be awarded such a high honor.

## COUNTERSPY HERB PHILBRICK ON DEC. 9

FBI counterintelligence agent, Herbert Philbrick, who is also a noted TV personality and author of "I Led Three Lives", will speak in Stockton on Saturday, Dec. 9 at 7:45 p.m. at the Stockton Jr. High School, Harding and Way and San Juaquin, on "Communists in our Midst". It was Philbrick who publicly identified Episcopalian Seminary professor Dr. Joseph Fletcher of Cambridge Mass., as a communist on July 6, 1953 under oath before HCUA. Fletcher is honored this week at University of Pacific in Stockton to deliver four lectures. The Philbrick meeting is being sponsored by concerned Stockton laymen.

..Senator Style Bridges who died this week once stated his creed this way: "I would not appease communism by any action which sacrifices one inch of free land, one human life, or one American principle".

## BIBLICAL POSITION ON SEPARATION

In a Northern California CBA church bulletin which urged attendance at Western Regional meetings recently we read: "An 'extreme separatist wing' in our fellowship is seeking to cause dissension and we need to be careful and prayerful these days lest the enemy gain a victory of division". We know of no "extreme separatist wing" in our fellowship. The position this church espouses is exactly the original and official CBA position of the CBA adopted in 1947: "To provide a fellowship of churches and individuals upon a thoroughly Biblical and historically Baptistic basis, unmixed with liberalism and those who are content to walk in fellowship with unbelief and inclusivism". Note well the underlined words. We accept them wholeheartedly — no more and no less. This automatically rules out ecumenical evangelism, National Council of Churches connections, World Vision inclusive conferences and Baptist World Alliance. The Denver Seminary leaders, who control the CBFMS machinery completely, are now putting on terrific pressure on the churches and pastors to scrap our historic position on separation and endeavoring to dominate the CBA.

## CARLETON COLLEGE PICKETS AT WHITE HOUSE

News dispatches by AP on Nov. 22 stated, "A group of Carleton College students protesting nuclear tests argued their case with a White House aide today after a 240-hour vigil outside the Executive Mansion". Carleton is one of the American Baptist Convention-related colleges which is supported by the missionary gifts of ABC churches through the ABC. Charles David Blodgett is quoted in testimony before HCUA on Dec. 3, 1953 here in San Francisco in the book, "Investigation of Communist Activities in the San Francisco Area - Part 3", on page 3268, "I was graduated from Carleton in May of 1943 with a bachelor of arts degree". Page 3269, "Mr. Tavenner: Then you became a member of the Young Communist League while at college? Mr. Blodgett: While at college. Mr. Tavenner: Did you have any part in organizing the Young Communist League in your college? Mr. Blodgett: Yes; I actually took the lead with the assistance of a young communist league organizer in establishing a branch of the YCL on (Cont'd p.2)

## LOCAL CHURCH DEVELOPMENTS

..Decisions last Sunday..Mr. and Mrs. Henry Rainey identified by Letter from Hinson Church in Portland. Mr. and Mrs. Gary Munson came forward to rededicate their lives to a new devotion to Christ. Mrs. Eleanor Marquis came forward for rededication.

..Read the Bible through..Ezekiel 10 - Ezekiel 32.

..Thanks to these drivers who took youth to Watsonville statewide CBA Youth Rally on Nov. 24-25: Finis Lyles, Larry Fisher, Mrs. Curtis, Walter Lindquist.

The Sunday evening music has been outstanding. The Men's Quartet and Men's Chorus plus the Choir have been wonderful. We urge you to hear the new violin duet of Caroline Nelson and Bruce Strand this Sunday evening, plus the staff duet of Caulkins and Lindquist, in addition to a vocal solo by V. Stanley — and the finest choir ever vested with robes.

..The offset press fund for the Blu-Print has not moved beyond \$1131.55. We appreciate the many good words of commendation we constantly receive, but we hold strongly to the statement, "Where your treasure is, there will your heart be also".

..Bob Jones Sr., founder of BJU wrote: "Your Blu-Print paper comes to me regularly, and I want you to know that I admire you more and more. I thank God for your faithfulness and your uncompromising approach to the problems we are facing ... God is using you, and your Blu-Print paper is doing a great deal of good. I just wanted to tell you how we thank God for you and your faithfulness". This is heartwarming to receive from such a great Christian leader.

..Training League standings..1. Adults, 2. High School, 3. Young Adults and Homebuilders, 4. Juniors, 5. Jr. High, Templebuilders and Nursery.

..Conservative Baptists should pray earnestly for Denver Seminary leaders whose violent reaction against fellow-Conservatives and CBA churches who wish to carry out the Great Commission in an autonomous way, is bound to create serious division and disruption in the CBA.

..Joe and Margaret Meeko, Box 501, Morgan Hill, have added Andrew Leon to the family at 9 lbs.  $\frac{1}{2}$  oz. on Oct. 7, 7:40 pm.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

.."Red infiltration of National Council of Churches" is an eight-page folder (# 161) available in quantity for a large stamped, self-addressed envelope at: "Americans for Freedom", 124 Sheffield Drive, Santa Barbara, California.

..CBFMS Statement of Faith..Art. 7, "We believe that each church is independent and autonomous, and must be free from interference by any ecclesiastical or political authority". The CBHMS Statement of Faith is exactly the same wording at this point.

..The constituency of the CBFMS, according to its constitution, "shall consist of those Baptist churches which are unalterably opposed to the inclusive policy and support of the same ...". We agree with that 100%. Any honest interpretation of that in the light of our historical separation from the ABC would eliminate any cooperation with ecumenical evangelism.

..A regrettable statement appears in December CBFMS paper, "In the Central area, those in sympathy with the Conservative Baptist Fellowship and its position of extreme separatism have their greatest strength. (This separatism is seen in opposition to such groups as the National Association of Evangelicals.)"

..The editor of the CBFMS paper it should be pointed out is not connected with a CBA church. Alvera Michelsen and family withdrew from First Baptist Church of Wheaton during the ministry of Dr. Harold Warren, as a protest against his stand for separation from all modernism, especially in the local ministerial association and his refusal to cooperate with them in union meetings. Her husband, Wheaton Prof. Berkeley Michelsen, vigorously protested to Dr. Warren everytime he preached against modernism or modernists. He openly protested in a business meeting against patterning their mission church after CB churches and made it clear that he was opposed to the church's having anything to do with the CBA".

..Watch out for a rash of bazaars scheduled for Dec. 1,2,3, on West Coast by charitable organizations. Rexall Drug Co. sent notices that the Communist Party is asking drug stores for cosmetic donations in name of charitable organizations to be sold at bazaars, with donations secretly going to "The People's World", a communist newspaper.

..When the outlook is not good, try the uplook.

..CARLETON COLLEGE PICKETS (CONT'D) ..the campus at Carleton College". He stated on page 3270, "Now, in my own experience the first communist I met was in approximately December of 1939, which was my freshman year at Carleton College, a small liberal arts school of about 850 enrollment ... On the campus at Carleton there was a considerable Marxist movement among the students, which was led by a member of the faculty at Carleton". It is a sad story of how a communist is recruited on the campus of an American Baptist Convention college. Pages 3268-3272.

## LOCAL WOMAN MAKES THE EXAMINER HEADLINES

12-5-61  
612-  
No 79

The "American Weekly" for Dec. 3, 1961 in the San Francisco Examiner and all Hearst papers, had an offensive looking article on page 10 entitled "Rebel With a Cause", about Jessica Mitford, the wife of Oakland attorney, Robert Treuhaft. Mr. Treuhaft is listed on p. 68 of the HCUA booklet of the US Government entitled "Communist Legal Subversion". "Robert Treuhaft was identified as a member of the Communist Party in sworn testimony before the HCUA on Dec. 2, 1953, by Dickson P. Hill and on Dec. 3, 1953, by Charles D. Blodgett. He was again identified in June 1957 by Dr. Jack Patten". The courageous Mayor of Oakland, John C. Houlihan, refused to meet participants in a recent "peace action march", according to the Oakland Tribune of 10-30-61 (front page), "Part of this program as reported in the press consists of panel discussions in which Jessica Mitford and Mike Tigar are to be participants", Houlihan noted. "Jessica Mitford is, in reality, Decca Treuhaft, identified as a member of the Communist Party and not on record as ever having denied such membership", he said. Readers of the Examiner might very well call Sutter 1-2424 and register feelings with publisher, Mr. Gould.

## WHAT THE WORLD EXPECTS FROM OUR S. S.

"The Sunday School SHOULD offer to the public a kindly, friendly, wholesome atmosphere. Friendliness is expressed by taking a personal interest in people. The cold-shoulder attitude never built a Sunday School. Outsiders must feel that they are wanted and needed before they become a part of the school", says Dr. A.S. London of Oklahoma City. Our Sunday School has a friendly welcome at 9:45 a.m.

..On WCC unity from New Delhi, according to the Chronicle of 11-30-61, Walter Leibrecht said, "Whether we like it or not, some of the differences among churchmen here are on political, not religious issues". Such conflicts usually remain buried, however, because leaders of the WCC are anxious to avoid any appearance of disunity, he said. "In reality, there is only a very polite coexistence among churches".

## QUESTIONS DR. GALLAGHER HAS NOT ANSWERED

Occupying the chancellorship of America's largest state teacher college system with a total of 108,227 students here in California, the Rev. Dr. Buell Gallagher is in a powerful position to influence a whole generation of our children. An official elections document is on file with county clerk Jack Blue, Alameda County Court House, Oakland entitled "Certificate of Appointment of Verification Deputies" which can be secured for 50¢ postage. This document is personally signed by Dr. Gallagher. He has yet to answer this question: "Why did he appoint two identified communists to direct his campaign to qualify his candidacy for Congress from the 7th District under the Independent Progressive Party in the election of 1948?" With so many loyal Americans available, why did he narrow his choice to two identified members of the Party of treason? Gallagher stated in the Chronicle of 11-28, "The individuals were chosen by the parties themselves, and those named are strange to me". The difficulty is that Dr. Gallagher personally signed the document appointing these two communists. These two individuals then circulated petitions which are on file with the Secretary of State in Sacramento. These petitions are in Box 273351 on 2nd floor of the Archives Bldg. at 1020 "O" Street. They were filed Mar. 29, 1948 and contain names of several communists who sponsored Dr. Gallagher's candidacy. These two documents with signatures may be copied at \$2.40 plus postage. Are not Californians entitled to know ALL the details of the political deal which was made with these identified communists whereby he sought and secured the backing of this communist-dominated party in his political campaign?

..TV star Herbert Philbrick Saturday PM. Patriotic friends in California should not miss Herbert Philbrick's speech on Dec. 9 at 7:45 p.m. at Stockton Junior High School, Harding Way and San Joaquin on the subject "Communists in our Midst". He is likely to make some reference to Stockton Methodist minister Jack McMichael and recent U.O.P. lecturer Joseph F. Fletcher.

..Some of our church meetings fail because they are not "pre-prayered".

## LOCAL CHURCH DEVELOPMENTS

..Mrs. Eyla Mandeville, former member of our Church, slipped quickly into the presence of the Lord Saturday at 9:30 am with funeral on Tuesday at 1:30 pm at Wiggins Chapel, Vallejo. She had nine living brothers and sisters, including our own Mrs. E.F. Roesch. She was a witnessing soul and deeply interested in the Lord's work and service.

..Read the Bible through..Ezekiel 33 - Daniel 7.

..Decisions last Sunday..Gary Connolly, high school student, came forward for baptism; Miss Phyllis McNew and Miss Barbara Cagle came forward for rededication of life.

..A "Clarification of Autonomy" resolution was adopted unanimously by the church last Wednesday, Nov. 29, upon unanimous recommendation of the combined boards of deacons and deaconesses. It is practically identical with the resolution passed overwhelmingly by the Wisconsin CBA this fall and then by the Central Regional Conference. Copies are available in the church office, and are also on the bulletin board.

Prof. Wm. G. Bellshaw has accepted the appointment of directing the Bible study for the Adult Training League, which meets each Sunday at 6 p.m. in the Main Auditorium. This means a rich experience for our people. When he is preaching elsewhere, he will have capable assistants substituting.

..The offset press fund..Last report - \$1131.55. Received (Loitz, Case, Albers, Fortini) - \$20.00. New total - \$1151.55. Something has slowed this up considerably.

..Pastor Richard Owen of Danville First Baptist Church will speak Friday at 7:30 p.m. at the S.S. monthly worker's conference in the Lower Auditorium. Refreshments afterward. Supt. Ken Pemberton has announced the theme: "Reaching the Family Through the Sunday School".

Incomparable Sunday evening music next Lord's Day: Our large robed church choir under Richard Caulkins, Mrs. Joyce Fritz and her flute, the violin duo and baritone solo.

..Three choirs at S.S. Christmas program Dec. 22: Youth choir under Walter Lindquist; Junior choir under Richard Caulkins; Angel choir under Ken Pemberton. Theme: "Gift from Above".

..Visitation Program Thursday, 7-9 p.m. Report hour at 9 p.m. in Lower Auditorium.

..First five of eight training leagues.. 1. Adults, 2. High School, 3. Templebuilders, 4. Juniors, 5. Homebuilders. Honorable mention goes to Templebuilders for best increase.

..The Christian anti-communism school is scheduled for Jan. 29 - Feb. 2. We hope that it packs the city auditorium, with such speakers as: Cleon Skousen, Herbert Philbrick, Dr. Walter Judd, Senator Tom Dodd, and Dr. Fred Schwarz.

.."National Council of Churches" is the new book by the Circuit Riders (110 Government Place, Room 925, Cincinnati 2), selling for \$4.00.

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Billy Graham and TV Jack Paar.. In the "Bill Fiset" TV column of the Oakland Tribune (p. 26) of Nov. 30, "By coincidence Graham was a guest on Paar's show later last night... Moments later he deplored Paar's leaving his show because, he told Paar, 'we need men like you at this time in our lives'. Taken all together it must mean something." There might be some Godly people who would dispute the theory that Paar's rank show is needed.

..Fidel Castro said, "I've always been a communist ... In college I had my first contact with bourgeois economic policies and right then I began to dissent." Examiner, Dec. 3, 1961, p. 6. Most of the world leaders of communism were won to communist conversion in college.

..Bishop James A. Pike, according to the Examiner of 12-3-61, gave his reactions of "astonishment and alarm" to Pearl Harbor. "Several months later the Navy commissioned him as an ensign in the Intelligence service." IN THE WHERE?

..Walter Corlett, the pastor of the Carey Baptist Church in Calcutta where CBFMS has its interdenominational Bible college, has just been appointed West Asia representative for Bob Pierce's World Vision organization, according to WV magazine for December.

..Fuller Theological Seminary which claims to be a premillennial school is widely advertising a noted amillennialist for its summer faculty of 1962, according to SS Times of Dec.— the eminent Dr. Edward Young.

.."The Colorado Conflict" is the title of a six-page detailed account of the division in Colorado among the Conservative churches caused by the Denver Seminary CBFMS forces, which has brought to a focus the infection of this Seminary. Everyone should secure a copy, especially laymen, by writing presumably to: CBA of Colorado, 1731 E. 16th Ave., Denver, or to the CBF, 2561 North Clark St., Chicago 14, Ill.

..Complete domination of the CBA in the various states, it appears is the goal of the Denver Seminary leadership, under the guise of defending the CBFMS. The strange thing is that the CBFMS is not under attack but instead the Denver CBFMS leadership has unleashed an unmerciful attack upon the CBF and the pastors and churches who have dared to exercise their autonomous desires in creating new institutions.

..The Christmas play suggested in December CBFMS paper should be studied, especially the last scene - no. 4, to discover whether CBFMS leaders believe the imminent coming of Christ.

..People should support "Tocsin", the valuable weekly paper that is the hottest thing on the University of California campus. It is worth its weight in gold for sheer facts. It is \$5 per year — and this is a bargain. Box 784, Berkeley 1, Calif. Unless this is supported it will be forced to discontinue.

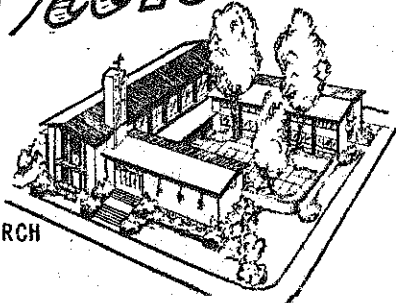

..Tim: "What's the score?". Jim: "Nothing to nothing". Tim: "In whose favour?"

## ABC-RELATED COLLEGE HAS RED PROFESSOR

Many American Baptist Convention church members will be understandably exercised when they learn that Kenneth Ownsworth May, BA, MA, PhD, has been a faculty member at Carleton College since 1946, that he is now Professor of Mathematics, and presumably head of the department of Mathematics and Astronomy. Moreover, the 1961 catalog indicates that he is a member of the Executive Committee of the Faculty as well as being a member of the Development Committee. Dr. May was educated at UC in Berkeley. The Oakland Tribune for Sept. 26, 1940 had a headline, "UC Prof. Disowns Son as Red Leader". His father, Prof. Samuel C. May, "publicly disinherited and disowned his son" for being a communist. Dr. May was dismissed from the UC faculty on Oct. 11, 1940 for Communist Party activity. Prof. May has admitted his Party connections in an article in the "New Masses". Carleton's catalog states the "Aims" of this ABC-related senior college, "It hopes to send our graduates distinguished by their ability to . . . challenge any threat to the freedom and dignity of man".

## GREAT NEW YEAR'S EVE PROGRAM OF MUSIC

We are happy to announce the coming of Evangelist Frank Gonzales with his musical team of Ron and Evona Thomson for Sunday evening, Dec. 31, at 7 p.m. and throughout the evening. Mr. Gonzales, a Bob Jones University graduate, will preach as well as play his trumpet. We shall enjoy an unusual series of musical combinations by these recording personalities. Walter Lindquist will show colored pictures in the Lower Auditorium of outstanding events and personalities in the Church throughout the past year. The evening will close with the Pastor administering the Ordinance of the Lord's Table at the midnight hour in the Main Auditorium.

..Dr. Roy H. Austin's remarkable address: "Observations and Reflections" on the recent Western Regional Conference and present situation in the CBA was delivered on Dec. 5 before 38 ministers and seminarians of the Bay Area, and is available to CB pastors and laymen at 253 Westridge Ave., Daly City, California.

.. You and God make a majority in your community.

## MISSION SOCIETY VOTES FOR DENVER

It is reliably reported that the Home Mission Society has voted 18-3 to move the annual meeting from Detroit to Denver upon an invitation from Denver Seminary Board member Russell Pavy. This was done on the grounds that some Detroit pastors (Denver Seminary sympathizers) did not want the meetings there. However, the local Detroit committee voted to go ahead with the meetings in Cobo Hall. When all this news got out to Denver, the local pastors reacted sharply and sent the CBHMS a letter: "We, the undersigned member ministers of the Denver Area of the Conservative Baptist Association of Colorado, having heard of a rumored attempt to bring the National Conservative Baptist meeting next May to Denver, Colo. request that you follow the decision of the CB constituency and retain them in Detroit, Michigan for the coming year, 1962, and that the meeting shall not come to Denver". The letter was signed by 22 ministers, backed up by a formal resolution. Now while it appears that it takes a lot of nerve for a mission society to tell the churches where they can meet, especially when the messengers have already spoken, if the mission agencies decide to go to Denver while the Association of churches goes to Detroit—well, that's the way it has to be.

## THE RIGHTS AND POWERS OF THE CHURCH

Some of the inalienable rights of an autonomous church operating under the sovereignty of the Lord Jesus Christ include: the right and obligation to own its own property, a right to select its own pastoral leadership, a right to ordain its own leadership, a right to choose for itself its ecclesiastical fellowships, a right to be free to obey the Will of Christ through the voice of the Holy Spirit, and the right to select its own objects of missionary benevolence and to determine their worth in the light of the Scripture.

.. "Reds Have 300,000 Spies, FBI Aide Tells NAM" is the headline of an Examiner article of Dec. 8, 1961 page 5. "Assistant FBI director William C. Sullivan disclosed today that the worldwide communist spy network is manned by some 300,000 intelligence and undercover agents working through more than 37 secret organizations."

..The Controversial "Negro American - A Reading List", published by the NCC in 1957 and now available only through United Society of Methodist Laymen, Box 417 Austin, Texas, lists the following item No. 181 on page 24: "Gallagher, Buell G. COLOR AND CONSCIENCE: the irrepressible conflict. Harper, 1946, 232 p. Of. The writer contends that the Christian cannot meet the moral problem of race prejudice by a separate-but-equal 'race parallelism', but must practice full brotherhood." Now look, Buell, does you all mean brothers or brothers-in-law?

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..Dr. Roy L. Laurin, Eagle Rock Baptist in Los Angeles 41, Calif., preached a magnificent sermon on Sept. 27, 1953, in which he opposed Dr. John A. Mackay, who recently delivered a series of lectures at Fuller Seminary. He quoted a 1953 statement of Mackay: "Anti-communism is just as dangerous as communism and sometimes even more so". Coming from as responsible a leader as Dr. Mackay, this is a shocking and damaging statement. I imagine the logic of saying that anti-communism is just as dangerous as communism. What is there in anti-communism that is as wicked and cruel and diabolical as communism? To oppose slavery is not as bad as slavery. To oppose murder is not as bad as murder. To oppose sin is not as bad as sin." It might be that Dr. Laurin has copies left of this sermon, "Are Communists Hiding in our Churches".

..Dr. John A. Mackay, who delivered four lectures at Fuller Seminary on Oct. 27 - 28 stated in the Presbyterian Outlook of Jan. 16, 1950 and quoted in the same booklet by Dr. Laurin: "No matter what we might think of the social and political aspects of communism, the government now in control of China deserves our recognition." Dr. Laurin counters: "It is hard to believe that Christian leadership is so gullible, so lacking in perception and so devoid of Christian discernment as to advocate the inclusion of the Chinese communists."

..Congresswoman Edith Green, one of the "sicks" Representatives who voted against the House Committee on Un-American Activities appropriation, will be heard over Berkeley Radio KPFA-FA, Sunday, Dec. 17 at 1:30 p.m. on "The Unholy Alliance", a tape recording of her recent S.F. speech before the American Civil Liberties Union in which she attacks the fundamentalists. Mrs. Green is from Portland, the leading NCC defender in Congress, and one of the speakers at the ABC Convocation at Minneapolis First Baptist Church last January. William Mandell, 5th amendment film star in "Operation Abolition" who boasts of "having killed Senator McCarthy" and who has been identified as a communist, is a employee on this same station - KPFA. We hope someone tapes this speech.

..Rev. Lynn Hodges, newly elected secretary for the American Baptist Bay Cities Union, is listed on page 66 of Lowman's book "660 Baptist Clergymen" as having been a "signer of brief on behalf of William Howard Melish, a communist clergyman — brief filed with U.S. Supreme Court, Jan. 11, 1951". He is commended in ABC "Missions" magazine editorial for Dec. 1961 for favorable radio interview commending Rev. Fred L. Shuttlesworth, noted Front minister from Birmingham, Alabama. Shuttlesworth has been mentioned favorably in Communist People's World and National Guardian more than 50 times in recent years.

..Mamma Fly: "I think our child is going to be a great success." Poppa Fly: "Yes he doesn't seem to stick to anything."

Richard L. Caulkins, Walter Lindquist and Kenneth Pemberton will direct the Youth, Junior and Angel choirs. The Angels will sing from the balcony. ## RELIGIOUS DEFENDERS OF OBSCENE BOOKS

12-19-61  
p. 12  
#401

It is an utter impossibility for either post-millennialists or amillennialists to build the Kingdom of God over in Marin County, across the Golden Gate, because the ecumenical professors from San Francisco Presbyterian Seminary in San Anselmo are lined up solidly against those who would clean out the filth books. In the long trial of Henry Miller's smut book "Tropic of Cancer", which portrays perverted Bohemian life in Paris, the first and last defense witnesses were seminary professors. The Oakland Tribune of Dec. 14 stated, "The defense rested its case just before noon today after its last witness, Dr. John Bodo, professor of practical theology at the San Francisco Theological Seminary in San Anselmo, appeared as a character witness for Franklin B. Pershina." The Tribune of Dec. 12 stated on the front page, "Theologian Says 'Tropic' Important". The unbelievable story which ought to make every Presbyterian bow his head in shame stated, "A professor of theology said today he considers Henry Miller's 'Tropic of Cancer' to be an important piece of work, and added that his students apparently felt the same way. Dr. Arnold Come, professor of systematic theology at the San Francisco Theological Seminary in San Anselmo, testified in the San Rafael Municipal Court trial of bookseller Franklin B. Pershina, who is accused of selling obscene literature, namely 'Tropic'. The book is important, Dr. Come said, because of 'what it means to the younger writers of America'. He added that he learned things about people he never would have known without reading Miller's controversial best-seller. Dr. Come said the book had been available in the seminary bookstore. Asked why it wasn't available anymore, he answered, 'It's sold out!'. The Examiner for Dec. 13 had double headlines (Cont'd p. 2)

## METHODISTS PICKET WHITE HOUSE SUPPORTING RELEASE OF COMMUNIST SPY MORTON SOBELL

The San Francisco Examiner of this Monday, Dec. 18, 1961 stated: "The Sobell supporters were led by the Rev. David Andrews, a Methodist minister from Boone, N.C., who has been arrested three times in the past week for kneeling in front of the White House to pray. About 30 persons took part in today's picketing. Sobell has served 11 years of a 30-year sentence for taking part in a Soviet spy conspiracy."

## THE RED INFILTRATION OF METHODIST CHURCH

Benjamin Gitlow was the 1924 candidate for Vice-President of the USA under the Communist Party and one of their top leaders. In the HCUA book, "Communist Activities in the New York Area - Part 6", p. 2092 (July 7, 1953), we have this testimony under oath: "Mr. Kunzig. Did the communists infiltrate the Methodist Church? Mr. Gitlow. In the infiltration of the Methodist Church, the communists were highly successful. To detail the extent of the communist infiltration of the Methodist Church, the people who served the communists in the church consciously and those who were its stooges would take several hundred pages of testimony. Mr. Kunzig. Who were the principal individuals involved in communist infiltration of the Methodist Church? Mr. Gitlow. The principal individuals involved in the communist conspiracy to subvert the Methodist Church for communist purposes are: Dr. Harry F. Ward, Rev. Jack R. McMichael, Rev. Charles C. Webber, Rev. Alson J. Smith, Dr. Willard Uphaus, Margaret Forsyth, Rev. Lee H. Ball, and Prof. Walter Rautenstrauch. Mr. Kunzig. What organizations, in your opinion, played a most important part in the communist infiltration of religion? Mr. Gitlow. In (Cont'd p. 2)

RELIGIOUS DEFENDERS OF BOOKS (CONT'D) .. across the entire front page, "PASTOR SENDS D.A. REELING — TROPIC IS NOT OBSCENE". One of Bishop Pike's pastors, Rev. Lesley Wilder, St. Matthews Church in San Mateo got behind the smut book. The Examiner of Dec. 14, "The Pastor of a San Mateo Episcopal Church yesterday said he might resign from the city's library board of trustees unless it rescinds an order banning Henry Miller's 'Tropic of Cancer' from public library shelves". Isa. 5:20, "Woe unto them that call evil good and good evil; that put darkness for light, and light for darkness; that put bitter for sweet and sweet for bitter."

## INTERCHURCH NEWS FOR CONSERVATIVE BAPTISTS

..On the Lord's Supper..The Rev. Oral Roberts, a leader in the Pentecostal movement says, 'When you take the bread into your mouth, know that mystically it is His own healthy body. Eat it in faith that His health will flow into your body. Through the communion God is able to reinvigorate the health of His Son's body within you'. (Divine Aids for your Health by Oral Roberts, page 23). This is quoted in Baptist Bulletin for Dec. 1961. Baptists reject this as pure unadulterated, superstitious nonsense.

Dr. John Speering, pastor at Compton First Baptist Church, will bring the Convocation Address at the San Francisco Seminary on Monday, Jan. 29 opening the second semester of instruction. Dr. Speering has a host of friends in Northern California.

.."Questions in Retrospect"..What was Dr. John A. Mackay doing Here? This is the title of a document of 12 questions which have been raised by the recent visit of the neo-orthodox theologian, Dr. John A. Mackay to Fuller Seminary, by Robt. E. Kofahl, PhD, President of Highland College, 450 Avenue 64, Pasadena, Calif. Free, we presume.

..The World Council service report, according to S.F. Chronicle of Dec. 2, said, "All nations must surrender a measure of their autonomy and sovereignty for the sake of the world community". That's pretty plain isn't it?

..Fred E. Reed, 83, Oakland Real Estate man, "says he has a provision in his will leaving the university in excess of \$1 million if it bars communist speakers". Mr. Reed, a friend of the Pastor, caused a stir Friday at Board of Regents meeting in Berkeley, presided over by wealthy oilman Edwin W. Pauley, when he threatened to change his will. The Regents acted by barring the projected appearance of Mrs. Dorothy Healy, California communist leader, from speaking at the Berkeley campus.

.."The Case for Dispensationalism" is the title of a new "nothing-like-it-in-print" book by Dr. Chester E. Tulga which may come off the press this winter.

..Terrence O'Flaherty Column in S.F. Chronicle of Dec. 11: "In a recent column you gave lengthy reviews to two entertainment shows and dismissed 'The World of Billy Graham,'" writes Mrs. Billie Belle Newhart. "He is one of the greatest world leaders of our age and a shining tower of strength and truth to millions of people.

... "His words have been the salvation of millions and his opinions deserve to be quoted as something sacred and reverent. They are worth a serious appraisal in every newspaper at least once a week." I stopped taking Billy Graham seriously when he told Jack Parr, "We need men like you at this time in our lives ...".

No 102-

A public document is available to citizens at the Court House in Oakland signed by the Chancellor of the State College System, Dr. Buell Gallagher, dated March 23, 1948 in which he appointed Ralph K. Johnsen and Roscoe Q. Proctor as his "Verification Deputies" to secure signatures as candidate for Congress from 7th District under the Independent Progressive Party in 1948 elections. The HCUA booklet "The Northern California District of the Communist Party" - Part 4 lists Roscoe Proctor on page 2383 as one of the nine delegates from No. Calif. to the 17th National Convention of the Communist Party in Dec. 1959. On page 2384 Mr. Roscoe Proctor is listed along with Mickey Lima and Juanita Wheeler as the three members of the National Committee of the Communist Party from No. Calif. In the late HCUA booklet No. 1278 entitled "The Truth About the Film 'Operation Abolition'", we find on page 17, "Roscoe Proctor, a member of the District Committee of the Communist Party, was also ordered by Mickey Lima, chairman of the Party's Northern California District to contact students at the University of California and enlist their support." Mr. Proctor has come a long way from an alternate state officer of the Party in 1944 to National Committeeman in 1960.

## SOME HIGH GRADE POETRY FROM THE STAFF

The Pastor is deeply grateful for the wonderful gift he received from his co-workers, but along with it are these verses:

Once more, the bells of Christmas tide  
ring out their song of cheer,  
And soon the gates will open wide  
upon another year.  
We welcome now a chance to say  
how much this year has meant  
In busy service for our Lord,  
in time that's been well spent.  
We've kept the building shining bright,  
Your office running smooth,  
The Gospel music pealing forth  
the message of the Truth.  
And through it all, our Pastor's smile  
and pleasant little ways  
Have lightened burdens, smoothed our paths  
and brightened all our days.  
And so we bring a little gift  
our wishes to convey —  
May God grant our favorite boss  
a blessed Christmas day!

P.S. The gift we wanted cost so much,  
We had to call for aid.  
The Men's Department gave the rest,  
And then we had it made!

## SEE IF YOU CAN GET THE POINT OF THIS STORY

I work for the Department of Internal Revenue. Yes, I'm the chap everybody loathes. I go over your income tax return. The other day I checked a queer return. Some guy with an income under \$5,000 claimed he gave \$624 to some church. Sure he was within his limits of 15%, but it looked mighty suspicious. So I hopped a trolley and dropped in on the guy and asked him about the amount. I thought he'd become nervous like the most of them do. But not this guy. He came back at me with the \$624 without batting an eyelash. He had the receipts for proof. Well, he had me. One look at the receipts and I knew he was on the level. I apologized for bothering him and as we shook hands at the door, he said, "I'd like to invite you to attend our church next Sunday." "Thanks", I replied, "but I belong to a church myself." "Excuse me", he said. (Page 2.)

LOCAL CHURCH DEVELOPMENTS

..Bible Teacher R.I. Humbert of Flora, Indiana will speak here at both services on Sunday, Jan. 7. Brother Humbert is the author of several books of Bible themes. His messages are substantial, inspiring and satisfying. This is a great treat.

..The Pastor will preach next Sunday morning at 11 a.m. on the subject "In The Beginning."

..To make Sunday School what it ought to be. Dr. Clate A. Risley, executive secretary of the NSSA stressed three goals for teachers: First, there must be big emphasis on education in Sunday School. Its primary purpose is to teach, and the teacher is the key to its success. Secondly, realistic standards of performance must be insisted upon to denote accomplishment. Finally, there must be transfer of Sunday School teaching into the lives of its students which will prove its success.

..January birthdays.. Laura Hogue (2); Kathy Fisher (3); Edith Johnson, Sallie Louie (4); Alvin Paul, Elsie Johnson, Alan Babcock (5); Hazel Gillespie, Donald Lyles (7); Marilyn Bell, Gary Munson (10); Clara Moore, William Mandeville, David Hetzler (11); Denage Marquis (13); Darrell Collard (18); Christine Roesch, Darselle Laccetti (19); Nora Holley (20); Vera Peterson (21); Walter Lindquist, Edwin McPherson, Helen Roberts, Hazel Westfall (22); Steven Lyles (24); Gertrude Sinz (28); Vivian Fisher, Willa Silva (29); Suzan Bellis (30); Senja Weniger (31).

..Sunday School is a blessing to a community.. FBI Director J. Edgar Hoover stated: "Many judges who handle juvenile cases have made the observation that the great bulk of the delinquents who appear before them are not regular attendants at Sunday School. I have often cited the situation of one juvenile court judge who, over a period of 8 years, had some 8,000 boys and girls under 17 years of age brought before him for violating the law. Of these 8,000 delinquent children, only 42 regularly attended Sunday School. Even more striking was his finding that none of these children had a mother or father who attended Sunday School or church regularly. I think that these figures clearly show that youths who regularly attend Sunday School do not become involved in juvenile criminal violations."

..Martin Luther King, who is one of the main speakers at the forthcoming American Baptist Convention in May in Philadelphia spoke at a reception in honor of Communists Carl Braden and Frank Wilkinson at Morehouse College prior to Braden's going to prison and said, "These two men are going to prison for us ... We are learning that if we want civil rights, we must fight for civil liberties." MFSA "Social Questions Bulletin", May-June, 1961.

..For unto you is born this day in the city of David a Saviour... Christ the Lord. SEE IF YOU CAN GET THE POINT (CONT'D) .. "That possibility had never occurred to me." As I rode the trolley home I kept wondering what he meant by that last remark. It wasn't until Sunday when I dropped my usual quarter into the collection plate that it came to me.-- The Torchlight. INTERCHURCH NEWS  
FOR CONSERVATIVE BAPTISTS

..Bay Area Association of CBA churches will meet Friday, Jan. 12 at the Hamilton Square Baptist Church in San Francisco. Let's plan for a big crowd!

..Seminary Convocation, January 29 will feature Dr. John Speering of Compton First Baptist as the speaker in San Francisco. Dr. Speering for years preached the necessity of a Seminary in California for the CBA.

..Pastor Don Watson resigned last Sunday from a comparatively short but very successful pastorate at Elmhurst Baptist Church in Oakland, to accept the leadership of the St. John's Baptist Church in Portland. We shall surely miss this good friend.

..Dr. David Laurie of Sunnyvale Trinity Baptist has led his people in a victorious bond issue -- \$90,000 for a lovely new house of worship.

..Martin Luther King, the race agitator and non-violent lawbreaker, is scheduled as one of the main speakers of the American Baptist Convention, May 23-27 in Philadelphia, along with NCC President J. Irwin Miller, and liberal Harold Cook Phillips.

..WCC president, the Archbishop of Canterbury, was quoted in the London Daily Mail of Oct. 2, 1961: "Heaven is also not a place to which we as humans go in our present bodily state, nor is it a place for Christians only. Those who have led a good life on earth but found themselves unable to believe in God will not be debarred from Heaven. I expect to meet some present-day atheists there". He's probably planning on meeting Bishop Pike there also.

..Be sure to send for "Tocsin", the exciting UC student newspaper, for \$1 for ten weekly issues (Box 784, Berkeley 1, Calif.). The Dec. 26 issue carries a remarkable story on the record of Gov. E.G. "Pat" Brown, which might well be entitled -- "Governor, your pink slip is showing".

..Dr. Henry Van Kommer, Denver Seminary candidate elected to CBA Board of Directors, professed support for the CBFMS and CBHMS at Sacramento Western Regional, but no one asked him about his support for the CBA with which he has been connected for past two years. His church gave \$12.50 last year.

Trinity Baptist Church, Castro Valley, voted on Dec. 6 unanimously to buy new property at 2964 Somerset Avenue at \$22,000. They have \$3325 of the required \$6000 down payment. Thank God for the solid leadership being given by Pastor Eugene Peterson.

..I didn't know this before.. Charles R. Garry, San Francisco Attorney who is listed as a member of the Communist Party on pages 39-41 of the HCUA book, "Communist Legal Subversion", was the one who arranged bail for 50 of the 67 demonstrators arrested at the S.F. Red-led riots in May 1960, according to S. F. Chronicle of May 15, 1960. "I saw how outrageous it was -- they were herding those kids in there like cattle ... I decided to get everyone out". Garry, who was one of the two attorneys for Robert Meisenbach, paid \$2000 for this bail. Some of these "kids" were 40 and 50 years old.
