3. After reading our plan and sentiments. Voted, that such brethren present, who are agreed with us, are welcome to take a seat in this association.

4. The circular letter (prepared by Brother John Caton) being read, it was moved, that a committee be appointed to examine it, and bring it forward to-morrow morning for a second reading. Therefore appointed Elders, Ebenezer Ferris, John Dodge, Elias Lee, John Caton, and Thomas Montanye.—Adjourned till to-morrow, eight o'clock, A. M.

WEDNESDAY MORNING.
Met according to adjournment.

Sermon this morning by Brother Thomas Montanye, from Rom. 5. 10.

1. The committee appointed to examine the circular letter reported: that they judge it expedient, to postpone the letter of Brother Caton, (not on account of defensions, nor that we reject it) but from a conviction, of the expediency of our publishing the manner of forming this association, and to shew the churches the regularity of our proceedings.
